Pistol and Revolver Cartridges That Are Dependable and Accurate

YOU selected your pistol or revolver because you expected it to give you *results*.

Now, results—whether in casual shooting—or in serious work at the target—depend more than you might think on the wise choice of ammunition.

It is worth remembering that the biggest men in the Pistol and Revolver classes are shooting Remington-UMC Cartridges—made for every standard make of pistol and revolver used anywhere in the world.

For the right ammunition from the sportsmen's point of view, see the Remington-UMC Dealer. He displays the *Red Ball Mark of Remington-UMC*.

Washington Awaits reports.

Washington. — Official dispatches left in doubt whether the Allan line Hesperian was sunk by a torpedo or a mine. The official disposition is to give full opportunity for receipt of official reports from both German and British sources.

DIPLOMAT PLANS STRIKE

Ambassador From Vienna Explains Matters to Secretary of State.

Washington.—Dr. Constantin Dumba, the Austro-Hungarian ambassador, laid before Secretary Lansing an explanation of a letter written by him to the Vienna foreign office discussing plans for withdrawing Austro-Hungarian labor from American plants making war supplies for Great Britain and her allies.

From reliable sources it was learned that Dr. Dumba, in making his explanation, outlined the Austro-Hungarian view of the plans dealt with in his letter, contending that it contemplated no violation of the laws of the United States. The ambassador had been instructed to give widest publicity to a new decree of his government making nationals liable under martial law for rendering assistance in the manufacture of munitions of war for the enemy. This decree, previously pronounced, provides punishment of long terms of imprisonment and even death by hanging for Austro-Hungarians committing the offense at home or abroad.

Doctors of Three States Meet.

Portland, Or.—With about 200 physicians in attendance from Oregon, Washington and Idaho, the 41st annual meeting of the Oregon State Medical association was held in Portland Thursday and Friday.
