BACK UP YOUR BOY
Increase your payroll savings to your family limit

Man, have we been rollin out the eggs!

• You just got to hand it to Dr. Hess Poultry Pan-a-min. Its tonics help in keeping the old gals' egg machinery clicking.
• And don't forget about the minerals. Pan-a-min's got the minerals and you just can't knock out eggs without minerals. You said it! Boy, when they tell you Pan-a-min birds on the Research Farm lay as many as 23 more eggs per bird per year, they know what they're talkin' about!
