Israeli Pullout Seen Unlikely by Deadline

Dag Not Expected To Achieve Goal By Thursday

By WILLIAM N. OATIS

UNITED NATIONS, N.Y. (AP) — U.N. Secretary General Dag Hammarskjold worked against a Thursday deadline today to get all Israeli troops back inside their country.

Few if any observers expected him to succeed in getting the Sinai invaders out of two stretches of sandy wasteland—formerly held by Egypt — by the deadline imposed by the General Assembly.

In Jerusalem, it was reported that Israel had framed a new proposal to the Assembly for continued Israeli administration of the disputed Gaza Strip "with over-all relationship to the U.N." The proposal was understood to call for the use of Israeli police to keep order along with local Arab police.

An Israeli government official said Israel might be satisfied with U.N. police force troops occupying the Sharm El Sheikh area overlooking the Gulf of Aqaba provided the U.N. units are given clear instructions to prevent resumption of an Egyptian blockade of Israeli shipping.

Israel has agreed to pull out by today from all the territory it seized from Egypt except these two areas. The United States and Britain have suggested that U.N. forces occupy both of them. But the Israelis do not believe the U.N. troops could give sufficient protection against Egypt's using the Gaza Strip as a base for organized fedayeen (commando) raids into Israel.

Egypt has rejected the idea of either area being occupied by anyone but Egyptians. At a weekend meeting in Cairo of the leaders of Egypt, Syria, Jordan and Saudi Arabia, the four Arab nations agreed any occupation of any part of Egyptian territory "cannot but be considered a continuation of the Anglo-French-Israeli aggression against Egypt and can only bring about the gravest results."

Egypt showed no inclination to give Israel any assurances that Gaza would not be used as a base for Arab raiders or that Egypt would not again erect the guns at Sharm el Sheikh that kept Israeli shipping from the gulf.

By a 74-2 vote, the Assembly instructed Hammarskjold Saturday to "continue his efforts for securing the complete withdrawal of Israel" and report on completion of the task Thursday.

Syracuse football players voted Milt Plum of Penn State as the best quarterback they faced during 1956.

Navy Seaplane Down on Lake, Awaits Repairs

EUGENE (UP)—A Navy P-5-N patrol bomber which made a forced landing on Fern Ridge lake 15 miles northwest of here Saturday, sustained hull damage in a takeoff attempt Monday and will be laid up here for an indefinite period.

Members of the crew told Army engineers at Fern Ridge that they struck a submerged object in the water while taxiing for takeoff. They said the extent of damage had not been determined but the plane would remain here until repairs could be made.

The plane, carrying a crew of 10, landed on ice-covered Fern Ridge lake Saturday after developing icing conditions and being informed that Whidbey Island, Wash., its destination, was fogged in.

The plane was on a routine seven-hour round-robin flight over Oregon and California.

On the island of Sardinia in the Mediterranean there grows a herb which is believed to make anyone who tastes it laugh himself to death. Thus, the phrase, "sardonic laughter."
