PRICKLY ASH, POKE ROOT AND POTASSIUM

Makes Marvelous Cures in Blood Poison Rheumatism and Scrofula

P. P. P. purifies the blood, builds up the weak and debilitated, gives strength to weakened nerves, expels diseases, giving the patient health and happiness where sickness, gloomy feelings and lassitude first prevailed.

For primary, secondary and tertiary syphilis, for blood poisoning, mercurial poison, malaria, dyspepsia, and in all blood and skin diseases, like blotches, pimples, old chronic ulcers, tetter, scald head, boils, erysipelas, eczema—we may say, without fear of contradiction, that P. P. P. is the best blood purifier in the world, and makes positive, speedy and permanent cures in all cases.

Ladies whose systems are poisoned and whose blood is in an impure condition, due to menstrual irregularities, are peculiarly benefited by the wonderful tonic and blood cleansing properties of P. P. P.—Prickly Ash, Poke Root and Potassium.

SPRINGFIELD, Mo., Aug. 14th, 1893.—I can speak in the highest terms of your medicine from my own personal knowledge. I was affected with heart disease, pleurisy and rheumatism for 25 years, was treated by the very best physicians and spent hundreds of dollars, tried every known remedy without finding relief. I have only taken one bottle of your P. P. P., and can cheerfully say it has done me more good than anything I have ever taken. I can recommend your medicine to all sufferers of the above diseases.

J. M. TRANT, Springfield, Green County, Mo.

Respectfully yours, JAS. M. NEWTON, Aberdeen, Brown County, O.

Capt. J. D. Johnston.

To all whom it may concern: I hereby testify to the wonderful properties of P. P. P. for eruptions of the skin. I suffered for several years with an unsightly and disagreeable eruption on my face. I tried every known remedy but in vain, until P. P. P. was used, and am now entirely cured.
