Albany Democrat:—In order to help the Alaska craze along congress has ordered 500,000 maps of Alaska printed at a big expense, regardless of big deficits. Congress can make a fool of itself oftener than a school boy.

Catarrh to Consumption

Catarrh invariably leads to consumption. Growing worse and worse each winter, those who rely upon the usual treatment of sprays, washes and inhaling mixtures find that it is impossible to check the disease with these local applications which only reach the surface. The offensive discharge increases all the while, and gets deeper until it is only a question of a short time when the lungs are affected.

The importance of the proper treatment can therefore be readily appreciated. But no good whatever can be expected from local applications, as such treatment never did cure Catarrh, and never will. Being a blood disease of the most obstinate nature, Swift's Specific (S.S.S.) is the only remedy which can have the slightest effect upon Catarrh. It is the only blood remedy that goes down to the bottom of all stubborn diseases which other remedies cannot reach.

Mrs. Josephine Polhill, of Due West, S. C., writes:

"I had such a severe case of Catarrh that I lost my hearing in one ear, and part of the bone in my nose sloughed off. I was constantly treated with sprays and washes, but each winter the disease seemed to have a firmer hold on me. I had finally been declared incurable when I decided to try S. S. S. It seemed to get right at the seat of the disease, and cured me permanently, for I have had no touch of Catarrh for seven years."

The experience of Mr. Chas. A. Par, of Athens, Ga., was like that of all others who vainly seek a cure in local treatment. He says:

"For years I suffered from a severe case of Catarrh, the many offensive symptoms being accompanied by severe pains in the head. I took several kinds of medicines recommended for Catarrh, and used various local applications, but they had no effect whatever. I was induced to take S. S. S. (Swift's Specific) and after four months I was perfectly well, and have never felt any effects of the disease since."

Those who have had the first touchof Catarrh will save endless suffering by taking the right remedy at the outset. Others who have for years sought relief and found only disappointment in local treatment will find it wise to waste no further time on sprays, washes, inhaling mixtures, etc., which are only temporary, and cannot save them from dreaded Consumption. They should take a remedy which will cure them because it can reach their trouble. S.S.S. is the only blood remedy which can reach Catarrh; it promptly gets at the very bottom of the disease, and cures it permanently.

S.S.S. (Swift's Specific) is a real blood remedy, and cures the most obstinate cases of Catarrh, Rheumatism, Contagious Blood Poison, Cancer, Scrofula and Eczema, which other so-called blood remedies have no effect upon whatever. S.S.S. is the only blood remedy guaranteed

The Famous Bears

THE CALIFORNIA BEARS OF LOS ANGELES, CAL., spent some time in looking over San Francisco with a view of purchasing an outfit for Alaska. They then came to Seattle and gave a liberal amount of time to inspecting the goods of the different outfitters in Seattle; after careful consideration they concluded that for absolutely reliable goods at reasonable figures there was nothing superior or equal to the Seattle Woolen Manufacturing Company, and would recommend all their friends going into that country to give this firm a call before purchasing elsewhere.
