A Joke of Sydney Smith's.

On the occasion of a dinner Sydney Smith was the guest, and when the evening was over the host thanked the wit heartily for the entertainment he had afforded. "I shall not forget you, Mr. Smith," he added. "Thank you. Take care you don't forget yourself tomorrow (it was Saturday) in church," rejoined Smith, whereat the host, Kershaw by name, rather bridled up.

"I hope, sir, I know how to behave myself in church!" "Well," said Smith good temperedly, "if I catch you smiling I will call you by name." "You may," rejoined the visitor. "The thing is absurd. I will give you a donation to the York hospital if it happens."

On the ensuing morning Smith read the prayers reverently, as he always did, then ascended the pulpit, looked around the church and rested his eye on the visitor whose name was Kershaw. That gentleman said afterward that he did not know what possessed him, but so it was he gave a broad smile. Thereupon the preacher was seized with a violent inclination to sneeze, and, applying his handkerchief with suitable action, he sounded "kerker k-ker-shaw" three times over.—From "The Reminiscences of Half a Century," by R. W. Hiley.

It May Be Push or It May Be Pull.

Politician—My boy, the door to every successful business is labeled "Push."

Thoughtful Youth—Isn't your business a successful one, sir?

Politician—Well, yes; I flatter myself that it is very successful. Why do you ask that?

Thoughtful Youth—Because, sir, I see your door is labeled "Pull."—Detroit Free Press.

Take Dr. Bull's Cough Syrup for all these dangerous affections—severe colds, pleurisy and grippe—which fall and winter bring along. It is the greatest cure for bronchitis and all throat and lung affections.

innumerable are the illusions and legerdemain tricks of custom, but of all these perhaps the cleverest is her knack of persuading us that the miraculous by simple repetition ceases to be miraculous.—Carlyle.

Beware of Ointments for Catarrh that Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists, price 75c per bottle. Hall's Family Pills are the best.

The United States never coined gold pieces of a higher denomination than $20. Some years ago a jeweler at San Francisco struck gold pieces of the value of $50, but that was on private account.

Why John Laughed.

"I don't know what is coming to us," sighed Mrs. Jones as she handed the paper over to her husband. "I'm sure things are bad enough already."

"Why, what's the matter now, my dear?" murmured John, with a mouthful of muffin.

"Matter, indeed," snorted Mrs. Jones. "Just like you men. Haven't the poor rate, water and other rates all been increased, and now the papers say the birth rate is going up. They ought to—Now, John, what are you laughing at?"—London Standard.

Cancer There are never any external signs of Cancer until the blood is polluted and the system thoroughly contaminated by this deadly virulent poison.

Then a sore or ulcer appears on some part of the body; it may be small and harmless looking at first, but as the cancerous cells form and are deposited by the blood near the sore, it increases in size and severity, with sharp shooting pains. No matter how often the sore is removed by the surgeon's knife or flesh destroying plasters, another comes and is worse. The real disease is in the blood, and the treatment must begin there. The poisoned blood must be invigorated and purified, and when this is done cancerous cells can no longer form and the sore will heal naturally and permanently.

Mrs. Sarah M. Keesling, of Windsor Ave., Bristol, Tenn., writes "I am 61 years old, and for three years had suffered with a severe form of Cancer on my jaw, which the doctors said was incurable, and that I could not live more than six months. I accepted their statement as true, and had given up all hope of ever being well again, when my druggist, knowing of my condition recommended S. S. S. After taking a few bottles the sore began to heal, to the surprise of the physicians, and in a short time made a complete cure. I have gained in flesh, my appetite is splendid, sleep is refreshing—in fact, am enjoying perfect health."

SSS overcomes this destructive poison and removes every vestige of it from the system, makes new, rich blood, strengthens the body and builds up the general health.

If you have a suspicious sore, or have inherited any blood taint, send for our free book on Cancer, and write to our medical department for any information or advice wanted; we make no charge for this service. Your letter will receive prompt and careful attention, and will be held in strictest confidence.
