Lazy Liver

"I have been troubled a great deal with a torpid liver, which produces constipation. I found CASCARETS to be all you claim for them, and secured such relief the first trial, that I purchased another supply and was completely cured. I shall only be too glad to recommend Cascarets whenever the opportunity is presented." J. A. SMITH, 2920 Susquehanna Ave., Philadelphia, Pa.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Religion and Politics

Bishop Henry L. Barkley returned to Oregon last Monday from attending the General Conference of his church in the State of New York. He was re-elected Bishop of the Pacific Coast States for another four years, having declined to accept a more populous and lucrative district in the East on the ground that he preferred the West where the people are more civilized and the climate is better. He made a speech for Golden Rule Jones who was re-elected Mayor for third term by 3300 plurality over the thoroughly organized Republican and Democratic parties, to the great disappointment of Hanna and his managers, who scored the Bishop severely in their newspaper organs for participating in politics. They never feel the halter draw with good opinion of the law. There are few if any better political speakers in United States than Bishop Barkley. He goes to California this month to preside over the annual conference in that State.—Eugene Journal.
