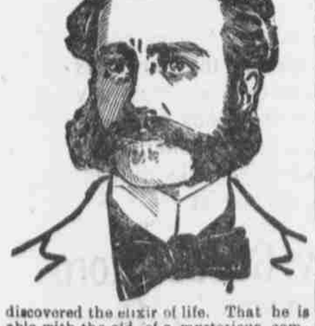
SICK MADE WELL, WEAK MADE STRONG

Marvelous Elixir of Life Discovered by Famous Doctor--Scientist That Cures Every Known Ailment.

Wonderful Cures are Effected That Seem Like Miracles Performed --- the Secret of Long Life of Olden Times Revived.

The Remedy is Free to all Who Send Names and Address.

After years of patient study, and delving into the dusty record of the past, as well as following modern experiments in the realms of medical science, Dr. James W Kidd, 3032 First National Bank building, Fort Wayne, Ind., makes the startling announcement that he has surely



discovered the elixir of life. That he is able with the aid of a mysterious compound, known only to himself, produced as a result of the years he has spent in searching for this precious life-giving boon, to cure any and every disease that is known to the human body. There is no doubt of the doctor's earnestness in making his claim and the remarkable cures that he is daily effecting seems to bear him out very strongly. His theory which he advances is one of reason and based on sound experience in a medical practice of many years. It costs nothing to try his remarkable "Elixir of Life," as he calls it for he sends it free, to any one who is a sufferer, in sufficient quantities to convince of its ability to cure, so there is absolutely no risk to run. Some of the cures cited are very remarkable, and but for reliable witnesses would hardly be credited. The lame have thrown away crutches and walked about after two or three trials of the remedy. The sick, given up by home doctors, have been restored to their families and friends in perfect health. Rheumatism, neuralgia, stomach, heart, liver, kidney, blood and skin diseases and bladder troubles disappear as by magic. Headaches, backaches, nervousness, fevers, consumption, coughs, colds, asthma, catarrh, bronchitis and all affections of the throat, lungs or any vital organs are easily overcome in a space of time that is simply marvelous.

Partial paralysis, locomotor ataxia, dropsy, gout, scrofula and piles are quickly and permanently removed. It purifies the entire system, blood and tissues, restores normal nerve power, circulation and a state of perfect health is produced at once. To the doctor all systems, are alike and equally affected by this great "Elixir of Life." Send for the remedy today. It is free to every sufferer. State what you want to be cured of and the sure remedy for it will be sent you free by return mail.

SALEM SOCIAL WORLD —AND— PERSONAL MENTION

Uncle Tom's Cabin.

There is at present considerable discussion in certain parts of the United States concerning Harriett Beecher Stowe's great novel, Uncle Tom's Cabin. Some argue that it gives a false idea of the institution of slavery as it existed in this country until the late Rebellion, that it tends to keep alive sectional feeling, and that its presentation in the theatres of the land has a bad effect upon the minds of the rising generation. An attempt is being made in Kentucky to have it legislated off the stage, and we are informed that in that state alone a number of new companies are organizing to present the play.

Without attempting to defend the play or the book, the fact remains that an evening spent with the play presented by a good company affords much innocent amusement and entertainment. Not often, however, is the opportunity offered to witness it entirely in pantomine. The pleasure loving public of Salem will have such opportunity—the entire play acted, without words—in the New Grand Opera House on the evening of Feb 14. They can then judge concerning the discussion that is prevalent. The pupils of the Oregon school for the deaf will present it in pantomime, so clear and simple that every one who has read the wonderful story will readily understand it. The deaf pupils have adopted this plan of enlarging their library. In this age of the growth of libraries, this will certainly appeal to one as a worthy motive. The story is clean, the presentation will be clear, and the motive is worthy. It can hardly be doubted that the Opera House will be filled.

Surprise Party.

A very delightful party was given at the home of W. F. Perkins on Thursday afternoon, it being in the nature of a surprise on Miss Helen to celebrate her tenth birth day.

College Societies.

Over a hundred people were present last evening at the joint meeting of the two literary socities at Willamette unversitiy. It was given as a farewell to Prof. Dawson.

The entertainment committee, consisting of Misses Sophia Townsend and Ruth Gabrielson and Mr. Ennis Savage, had prepared a very attractive musical and literary program which was given in the chapel. After the program the guests repaired to the society halls where a social hour or two were spent in a poetical contest and other games.

Successful Siberian Play.

The Russia Siberian melo-drama "For Her Sake," was presented at the Grand Opera House last night. It is a thorough novelty in its line, and abounds in thrilling situations. The figures around which the plot is woven are a Russian prince and the girl he loves, a serf who was raised in his mother's home. These parts were admirably taken by Walwin Woods and Miss Cunningham, who won the admiration of the audience from their first appearance. Miss Cunningham is a strikingly beautiful girl which greatly aids her ability in this part. The English nobleman—Ben Williams—who pronounced everything "such a bore" and the dashing American heiress, Phyllis Gray--Millicent Evans—were great successes and often relieved tense situations by their amusing remarks. Griegioviech, a police spy and nihilist, is a character who offers a remarkable study of the villain. Other characters furnished good support. The Siberian scenes were often terriffic, especially the flogging of the serf girl, who was sent there for not giving up her lover, the prince, and the branding of the back of a convict, who holds a secret which the nihilist commander wishes to kill.

This presentation of a melodrama has not been surpassed in Salem this season.

WOMAN'S BEAUTY.

How it is Made or Marred.

There is nothing more subtle than woman's beauty. It eludes all attempts to analyze it. A woman may have the measurements and lines of the Medician Venus and yet lack beauty. Or she may defy artistic standards and be known everywhere as a beautiful woman. There is, however, one kind of beauty which is recognized by all and which is every woman's dower, a beauty to which the French have given the name of "The Beauty of Youth." Many a time we turn to watch some sweet, young girl, impressed by her beauty. But if we analyze the beauty we find it is made up of smooth skin, clear complexion, bright eyes, ruddy lips and rounded contours. That beauty ought to last always. But

how soon we see it fade. The young wife looks at her yellow skin, sunken cheeks and hollow eyes and marvels at her own falling off. And the younger girls still retaining the beauty of youth wonder "what her husband could have seen attractive in her," not knowing that it will be their turn to fade very soon.

HOW TO KEEP BEAUTY.

In order to preserve this beauty of youth, to retain the charm of sweetness and freshness which belongs to maidenhood, the prerequisite is to understand that the chief foe of woman's beauty is womanly ill-health. Young women are often very careless of themselves. The temptation of the dance, or of the sleigh-ride overrules their prudence, and the result is suppression and perhaps irregularity. This is only the beginning of worse evils, and yet this alone is sufficient to steal the freshness from the face. The womanly health should be protected with the utmost care and the first symptom of derangement or disease should be met by the use of Dr. Pierce's Favorite Prescription.

"I will always recommend Dr. Pierce's Favorite Prescription, 'Golden Medical Discovery' and 'Pleasant Pellets,' for they cured me when doctors and other medicines failed," writes Mrs. Mary E. Lewis, of Tanner, Gilmer Co., W. Va. "For fifteen years I suffered untold misery. When I commenced taking Dr. Pierce's medicines, I had given up all hope of ever getting well. I could not lie down to sleep, and everything I ate would almost cramp me to death. Was very nervous and could hardly walk across the room. *I only weighed ninety pounds when I commenced taking these medicines; I now weigh one hundred and forty pounds and am having better health than ever before. My friends all say they can hardly believe that I am the same person; after being sick so long I have changed to be robust and rosy cheeked.* I have taken fifteen bottles of 'Prescription,' fifteen of the 'Discovery' and fifteen of the 'Pellets.' I know that if it had not been for your medicines I would not have been living to-day."

Dr. Pierce's Favorite Prescription is a woman's medicine. It is not offered as a cure-all but it is confidently recommended as a sure and safe remedy for all those diseases of women which are curable by the use of medicine. It establishes regularity, dries the drains which destroy the strength and beauty of women, heals inflammation and ulceration and cures female weakness. It is the best preparative for motherhood, giving great strength and elasticity to the organs of maternity, and making the baby's advent practically painless.

"GETTING YOUNG AGAIN."

It is one of the triumphs of "Favorite Prescription" that its results are so palpably and visibly real. The cure of womanly diseases by this medicine is proved by the gain in flesh and weight, by the restoration of youthful freshness, by the renewed strength and ambition, and by all the outward and visible signs of robust health.

"I enjoy good health; thanks to Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery,'" writes Mrs. J. J. Schnetyer, of Pontiac, Livingston Co., Ill. "Have taken six bottles of each kind. I was taken sick last February and the doctors here called it 'Grip.' I lay for four weeks in bed, and when I got up I found I had 'displacement'! Had such aches and pains in my back and limbs, could not stand any length of time. *I knew that our home doctor would insist the first thing on an examination, and that I would not submit to, unless I was dangerously sick, and then it would be too late.* If anyone had told me your medicines would do me so much good I would have said, 'Oh no, not that much good.' I can say truly I was surprised at the benefit I received. An old friend of mine said to me, 'Why, what is the matter with you, you are getting so young again'? I told her I had taken six bottles of Dr. Pierce's medicine, and that if she would do likewise she would feel ten years younger, too."

There is one clause in Mrs. Schnetyer's letter, which voices the sentiments of thousands of sensitive women. *"I knew that our home doctor would insist the first thing on an examination, and that I would not submit to, unless I was dangerously sick, and then it would be too late to do any good."*

Many a woman in just such a case, realizing the danger she runs yet neglects medical treatment because she shrinks from the indelicate questionings, the offensive examinations and obnoxious local treatments which the home physician often thinks necessary.

A WAY OUT

of this difficulty is opened for women by Dr. Pierce's invitation to consult him by letter, *free*. All correspondence is held as strictly confidential, and the written confidences of women are guarded by the same professional privacy observed by Dr. Pierce in personal consultations with women at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y. Address Dr. R. V. Pierce, Buffalo, N. Y.

RING WORM AND DANDRUFF

It Are Each Caused by a Pestiferous Germ.

Ringworm and dandruff are somewhat similar in their origin; each is caused by a parasite. The germ that causes dandruff digs to the root of the hair, and saps its vitality, causing falling hair, and finally, baldness. Without dandruff there would never be baldness, and to cure dandruff it is necessary to kill the germ. There has been no hair preparation that would do this until the discovery of Newbro's Herpicide, which positively kills the dandruff germ, allays itching instantly and makes hair glossy and soft as silk. At all druggists. Take no substitutes. There is nothing "just as good."

The Kind You Have Always Bought

THE CENTAUR COMPANY, 77 MURRAY STREET, NEW YORK CITY.

STARTS WITH A COLD

Catarrh is a lingering cold which refuses to yield to ordinary treatment

Catarrh usually starts with a cold in the head and if left unchecked in this climate, rarely gets well of itself.

As fresh cold is taken the disease spreads, getting deeper and deeper creeping along the mucous membranes from nose to throat, from throat to windpipe, from windpipe to bronchial tubes and from bronchial tubes to lung cells.

The mucous membranes all connect one with another. Hence it is easy to spread from one part to another lined with this same membrane. This is why catarrh in the head soon affects the throat and finally the stomach itself, bringing on chronic catarrh of the stomach, which is a most obstinate form of dyspepsia.

Everybody is now well agreed that catarrh is a blood disease and not a local one, and the attempt to cure by local applications simply gives temporary relief from the purely local symptoms without the remotest effect in staying the progress of the disease.

There is a new preparation recently offered to the public that is apparently destined to do away with every other form of catarrh treatment.

This new remedy is not a secret patent medicine, but is a large, pleasant tasting tablet composed of Bloodroot, Red gum from the Eucalyptus tree, and other valuable and harmless specifics, which are taken internally and seem to have a remarkably beneficial effect upon the blood and mucous membranes, apparently eliminating the catarrhal poison from the whole system.

These tablets, while being pleasant, convenient and absolutely safe to use have made cures in long standing cases of catarrh that are little short of marvelous. They are sold by druggists under name of Stuart's Catarrh Tablets, and any catarrh sufferer who has tried inhalers, lotions, ointments, salves, etc., and realized their inconvenience and uselessness will fully appreciate the difference between a mere palliative and a permanent cure after giving Stuart's Catarrh Tablets an impartial trial.

All druggists sell them at 50 cents for full sized packages and no matter where the catarrh is located, in the head, throat, lungs or stomach, Stuart's Catarrh Tablets will surprise you with the effective result of even a few days use. 1 28 30 1
