There is more Catarrh in this section of the country than all other diseases put together and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F J Cheney & Co, Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F J Cheney & Co, Toledo, O. ROBBERY AT COMSTOCK.

Hiram Shook Probably Fatally Wounded

Last Saturday morning a young man named Hiram Shook was robbed and perhaps fatally wounded near Comstock Oregon.

Shook has been working in Alexander's wood camp and started to walk to Saginaw when he fell in with two men having the general appearance of hobos. They offered to sell a watch to Shook and he took out his purse to pay for it when they seized and robbed him, securing about $29.

Shook struggled free and drawing a pistol fired at one of the men. They took the pistol from him and one of them shot him through the body above the heart. The robbers then fled leaving their victim where he fell. Parties passing found him and carried him to a house near by and a physician called.

The whole country is up in arms and it seems improbable that the outlaws will escape.

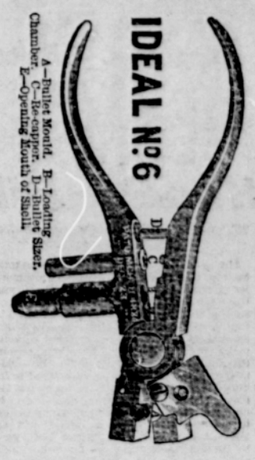
GENERAL NEWS.

The latest dispatches from the Philippines say the Panay insurgents have been driven out of the Negros islands.

General Frederick Funston has been tendered an appointment as brigadier general in the newly formed volunteer service. He wired his acceptance.

The English routed the Boers in a battle at Glencoe Camp last Friday. The British lost about 250 in killed and wounded, and the Boers about 800. Many Boers surrendered.

The British people anxious over the battle with the Boers in which General Yules, commanding the English forces, was killed. The British army was forced to retreat. The Boers were under order the command of Gensral Joubert. The English now have no hopes of a speedy conclusion of the Transvaal war. It is certain the Boers and their allies will fight to the bitter end. Instead of months, the war may last a year or more. The Boers are reported to have the aid of thirteen thousand native troops. The natives are rabidly against British rule.



We buy all kinds of Furs. Please bring your Furs to us.

Ranchers should have one of our fine Piper rifles. They shoot accurate up to 100 yards and have killed wild geese at 150 yards. 22 calibre. 50 shots for 20 cents. Best gun in the world to kill chicken hawks, owls, skunks, and other varmints, also for butchering hogs, sheep and cows. Fine working guns at a special low price of $3.40. Next to that is the famous Stevens rifle, in 22, 25, and 32 calibre. They are a finer made gun and are a little more expensive. They are also a fine ranch gun and the very low price of the amunition makes them desirable. The price is low, only $6.00, and the guns are all "take down," that is they come apart in the middle.

Our stock of fine pocket knives is complete and the quality is A No 1. If you wish a whacking good knife come to us; our prices are low and all our good knives are guaranteed. Our guarantee means something. We give you a new knife if the one you got isn't a good one. This is the time of year to lay in a hammock under the shade of a tree and let the playful zephyr breeze toy with your whiskers or under your Mother Hubbard, as the case may be, keeping you cool, while your imaginative brain builds air castles and sees them fall. We can sell you a hammock at 75c, $1.25, $1.50, $2.00, $2.50, $3.50, good hammocks that afford pleasure to their owners, and now to make the scene complete we can sell you a guitar, violin, or an accordeon, or better still a columbia or guitar zither. Our prices on the above instruments are the lowest. Go all over town first and price them, then come to us and see for yourselves.

Remember, also, hundreds of people are enjoying themselves riding Barker and Ku Kluck bicycles while others are sweating to get repairs from Chicago for theirs, and when they get them the expressage will be twice as high as if they had brought them to Barker's Gun Works and had them repaired, and they would only have to wait from one hour to two days, while when sent to Chicago they wait from twelve days to two months. See the difference? Don't forget our large stock of all kinds of repeating rifles for deer, bear and other large game. Our prices are as low as Montgomery, Ward & Co, and Sears, Robuck & Co. We buck such stories as these. It saves you time to trade with us and time is money. You also get to see the goods before you pay for them, and we give a better guarantee than they do. Come to us for gun and bicycle repairing. We have the most complete plant for this work on the Pacific coast, and Seth McAlister didn't see but what it was as good as any in the east, and he went east to find out. He went clear back to the other coast to find out what he already saw at Barker's Works.

ANAEMIA

Is a disease met with among young women principally. It is very common and is a forerunner of consumption. It is a disease of the blood. There is only a small quantity of blood in the system, and it is of a poor quality. The symptoms of the disease are quite numerous. They are readily discerned. If the progress of the disease is not checked death from consumption or some other disease is inevitable. HUDYAN will check its progress. HUDYAN will enrich the blood and make the patient strong. HUDYAN is for women as well as men. HUDYAN is a vegetable remedy, and it is harmless in its effect. It contains no iron to cause the teeth to decay. If you are suffering you should take HUDYAN now and then note the change in your condition. Study your symptoms carefully. These are your symptoms. Take HUDYAN now and they will disappear.

YOUR WEAK POINTS ARE:

1. CONSTANT HEADACHE—THE feeling is as though the head were going to burst from too much pressure. HUDYAN, by its action on the blood, will equalize the circulation of blood and the headache will disappear.
2-2. SUNKEN EYEBALLS AND DARK RINGS BENEATH THE EYES. HUDYAN will cause the rings to disappear and make the eyes bright.
3-3. PALE CHEEKS, from the poor quality of the blood, it being almost devoid of red coloring matter. HUDYAN will enrich the blood and cause the cheeks to become bright and rosy.
4. WEAKNESS IN THE HEART. This is the most pronounced symptom. The heart becomes weak and there is a constant sinking feeling around it. HUDYAN will make the heart strong and cause it to beat regularly, and the sinking feeling will disappear.
5. FEELING OF WEIGHT IN THE STOMACH AND INDIGESTION. This is due to the fact that the food in the stomach is not acted upon by healthy blood; therefore it is not properly digested. This leads to habitual constipation. HUDYAN will cause the food to be properly digested, improve the appetite and relieve the constipation. HUDYAN will relieve all the above symptoms and make you well. HUDYAN is for you. It is for men and women. After you are cured tell other women what HUDYAN has done for you. There are many other sufferers and they also wish to be cured. HUDYAN can be procured of druggists for 50c per package or six packages for $2.50. If your druggist does not keep it send direct to the Hudyan Remedy Co., San Francisco or Los Angeles, Cal. Call upon the HUDYAN doctors. Consultation is free. You may call upon the doctors or write, as you desire. Address

PLUNGED OVERBOARD.

While the Marguerite was taking a scow load of cattle up the river last Sunday when near the old Hayes mill, the railing on the scow was broken by the cattle crowding against it and some of them went into the river. Alfred Funke who attempted to keep them back was also pushed into the water but was rescued quickly. He says he could not swim a stroke but was wet only to the arm pits.

The cattle swam to the bank where they were caught and loaded on the scow again without loss. The dog which went overboard with them, swam up between the boat and scow when his yelping attracted the attention of the men on the boat who rescued him, remarking that the dog should be saved whether the man and the cattle were or not.
