Ten barrels of Eastern oysters were planted in Yaquina bay last week by State Biologist Washburn. These oysters are 3 to 4 years old and run 700 to 800 to the barrel.

A freight train consisting of an engine and nine cars was wrecked near Roseburg the 1st. No lives were lost but the engineer was badly cut and bruised. The track was torn up for about 100 feet.

"Never Burn a Candle at Both Ends" Don't go on drawing vitality from the blood without doing something to replace it. Hood's Sarsaparilla gives nerve, mental and digestive strength by enriching and vitalizing the blood.

Coquille creamery has settled with its patrons for their September product, returning 26 cents per pound for butter fat. The total amount distributed reaches very near $3500. This is the best month the dairymen have enjoyed this season.

Richard Quilhaug an old resident of Roseburg was instantly killed at that place Saturday evening. He was thrown on the track while attempting to pass between the cars of a train that was switching, the cars passed over him and caused almost instant death.

Marshfield Sun: The keel was laid this week at the North Bend shipyard for another vessel, to be built after the moulds of the schooner Admiral, and will be 170 feet keel, 14½ feet depth of hold, 39½ feet beam, and will have a carrying capacity of 900,000 feet of lumber.

O S Journal: Work is progressing rapidly on the big Mohawk saw mill. This mill will be 70 ft by 300 ft and will cut 200,000 ft of lumber a day. It is estimated that it will take such a mill, running daily, fifteen years to cut all the company's available timber on the Mohawk.

R Turpin was at work the first of the week making a new propeller shaft for the Lillian. The rod furnished him was too large and it was necessary to turn it down with a lathe, taking several days for the task. The job was well done and shows that Mr Turpin understands that kind of work.

An apple of peculiar form was given to us by Ole Myrind this week. It has very much the appearance of two apples grown together, having two stems and blossom ends, and looks on the outside like two perfect apples united by a small portion of pulp at one side of the stems. Mr Myrind informs us that there were eight or ten of these apples on one tree this year.

COUNCIL PROCEEDINGS.

A regular meeting of the city council of Florence was held in I O O F Hall Monday evening with President Weatherson in the chair. Present Councilmen Hurd, Kyle and Morris, and Recorder Butterfield.

Minutes of last meeting were read and approved.

Councilman Morris of the street committee reported that the street lamps had not been kept burning satisfactorily. After discussing the matter it was voted that the president notify the lamp tender that the lamps must be lighted in future at five o'clock and kept burning till ten o'clock, and if this is not complied with at once that the president find some one else to do the work till the next regular meeting of the council, making the best terms with him that he can.

The recorder was instructed to call the attention of the county court to the act of the legislature constituting the city of Florence a road district and request them to act accordingly in dividing the county into road districts.

Bill of F Holste for $7.75 for tending street lamps during October was allowed.

A number of the property owners residing in West Florence appeared before the council to urge the building of a sidewalk from Jefferson street, along Main, Madison and First streets, to Quincy street, being from the WEST office to the corner near Mrs Andrews' house. On motion the recorder was instructed to publish a notice of the proposed improvement as required by law.

Adjourned.

NOTICE OF STREET IMPROVEMENT.

Notice is hereby given that the Board of Trustees of the town of Florence proposes to open the streets and build a sidewalk along Main street from Jefferson street to Madison street, along Madison street from Main street to First street, and along First street from Madison street to Quincy street, in accordance with the provisions of Section 69, of the Charter of the town of Florence.

Remonstrances to said improvement should be filed with the Recorder not later than November 21st, 1899.

$100 REWARD, $100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address. F. J. CHENEY & CO, Toledo, O. Sold by druggists, 75c.

PROPOSED MAIL CHANGE.

A petition has been circulated among the postmasters along the Eugene-Mapleton route asking for a change in the mail schedule. It proposes that from November first to May first the mail shall leave Eugene at 3 p m, arriving at Hale that evening and at Mapleton the next evening; leaving Mapleton in the morning, will arrive at Hale in the evening and at Eugene the next day at 10 a m.

By this arrangement people along the route will receive their mail except what is put into the office at Eugene in the evening as soon as under the present schedule, as the mail arriving at Eugene on the night trains is not distributed in time to leave by the morning stage.

INSPECTED.

Messrs Edwards and Fuller inspector of hulls and boilers, respectively, for the Willamette district, arrived here by Barretts stage Tuesday evening, the object of their visit being to inspect the steamer Mink.

They found everything in satisfactory condition and gave the steamer a license for one year.

The inspectors left again by the beach route Wednesday morning.

CARDINER NEWS.

BY A SUBSCRIBER.

Gardiner, Or, Nov 6, 1899.

Several of the fishermen have already quit for the season.

Messrs Sleviche, Sims and Black of the Lake country were in town on Monday.

The schooner Sadie is almost loaded with lumber for San Pedro. She will get away about the 8th.

Mr Ben Lyster, bookkeeper for Reed is expected home on the 6th from Vancouver, B C, where he has been on a business trip.

Mr Cleaves the watchmaker and jeweller, has returned from the Siuslaw country and will be found at his old stand in the drug store.

Listen for wedding bells in the near future as one of our best young men is buying household effects and acting very suspiciously otherwise.

Oscar Peterson the boy who was shot about three weeks ago, is again on the street. Beyond looking somewhat pale he seems none the worse for the accident.

Mr Meyer recently from England has purchased the Nelson house at present occupied by Dr Patterson and will move in in a few days. Dr Patterson will take the Hinesdale house.

O B Hinesdale of the Gardiner Mill Co is making some substantial improvements on the house occupied until recently by Captain Rasmusson's family who left a short time ago for San Pedro.

Gardiner has not had houses enough to accommodate her citizens this fall; as a result some houses are occupied by two families. Now that the fishing season is about closed more room is expected.

An aged man is in our little town inquiring the way to a certain creek where Captain Kidd, he believes, secreted 400 pounds of diamonds and numerous gold bars. May he find the treasure we say with all our heart!

Nov. 6, 1899.

Mrs Charles I Rowe has gone to live near Eugene.

Mr and Mrs Martin Olsen of Deadwood have another son.

Herman Steinhauer is at work on the Eugene-Mapleton road improvements.

J E Inloe is carrying the bi-weekly mail from Hale to Inloe postoffice of which J A Carlyle is postmaster.

Peter Hollo is spending the winter with a brother in the east who proposes to come to Lane county in the spring and go to dairying on the Mohawk. He made a visit here this fall and fell in love with Oregon.

James H Leaver of Nelson creek went hunting for birds with a shotgun this morning and met a fine buck face to face. He fired at him point blank, when the animal disappeared in the brush at a couple of bounds. Leaver searched long but vainly. Soon after a couple of men from the Siuslaw road passed with a pack behind one of their saddles that looked like meat. While Leaver was cursing his shotgun and vowing to use nothing but a rifle hereafter, W H Harris of Alpha passed and reported a skinned carcass by the roadside. Leaver went to the place indicated and found a deer hardly cold, minus hide and hams, with the head and neck full of shot. He had been looking for a deer ever since he moved in and thinks he is in hard luck.

NOTICE

CATARRH OF THE STOMACH

Is essentially a chronic disease. There is an inflammation of the inner coating of the stomach. A thick, ropy mucus forms and this causes the more pronounced symptoms. It remains in the stomach and decomposes. Then of course digestion cannot be properly performed. The liver also becomes involved and in a well marked case the symptoms are most severe. The great vegetable remedy HUDYAN never fails to effect a cure. HUDYAN can be had of all druggists for 50c per package. When you have used HUDYAN tell your friends about its effects. They also wish to be cured. Study your symptoms carefully from this chart. Each number represents a symptom or a group of symptoms. You have the symptoms. Use HUDYAN and they will disappear. Don't wait any longer. Cancer of the stomach often has its beginning in a severe case of catarrh of the stomach.

THE SYMPTOMS ARE:

1. BILIOUS HEADACHE—This is more pronounced in the morning though usually occurring at frequent intervals through the day. HUDYAN will relieve the headache.
2-3 RED AND WATERY EYES—HUDYAN will cause the redness to disappear and make the eyes assume their normal healthy appearance.
4. COATED TONGUE AND FOETID BREATH AND BAD TASTE IN THE MOUTH—HUDYAN will clear the tongue, make the breath pure and sweet and cause the bad taste to disappear.
5. PAIN AND TENDERNESS IN THE STOMACH—This is due to indigestion. HUDYAN will cause the food to become perfectly digested and the pain and tenderness will disappear.
6. ENLARGEMENT OF THE LIVER AND A FEELING OF HEAVINESS AND WEIGHT—HUDYAN will lessen the congestion, establish a free and perfect flow of bile and reduce the enlarged liver to its normal size.

HUDYAN will relieve you of the above symptoms and make you well. Do not delay.

You will find full and explicit directions wrapped with each package of HUDYAN. Go to your druggist at once and procure a package of HUDYAN for 50c, or 6 for $2.50. If your druggist does not keep it, send direct to the HUDYAN REMEDY COMPANY, San Francisco or Los Angeles, Cal., and they will send it to you. You can consult the great HUDYAN DOCTORS FREE. Do not forget that. Call and see them if you wish. You may call and see them or write, as you desire. Address
