Chop! Chop! Chop!

Tiresome, isn't it, to get down the chopping bowl and knife and prepare something for the next meal? But the tiresome method is out of date. You can do the work with Sargent's Gem Food Chopper—and do it better—with but little labor. The Gem chops all kinds of food in coarse, medium or fine pieces, as desired. Useful in the preparation of substantials and desserts. You need it in your kitchen every day.

Eruptions

Dry, moist, scaly tetter, all forms of eczema or salt rheum, pimples and other cutaneous eruptions proceed from humors, either inherited, or acquired through defective digestion and assimilation.

To treat these eruptions with drying medicines is dangerous.

The thing to do is to help the system discharge the humors, and strengthen it against their return.

Hood's Sarsaparilla permanently cured J. G. Hines, Franks, Ill., of eczema, from which he had suffered for some time; and Miss Alvina Wolter, Box 212, Algona, Wis., of pimples on her face and back and chafed skin on her body, by which she had been greatly troubled. There are more testimonials in favor of this great medicine than can be published.

Local Events in the Social Realm

A Wedding Anniversary.

Monday evening a merry party of friends surprised Mr. and Mrs. Clyde Beckett, at their pleasant home on the Wallace road, Sunday, October 19th, being the fifteenth anniversary of their wedding day. The surprised hostess was laughingly forced into the parlor, while her neighbors, laden with baskets of provisions, took forcible possession of pantry and dining room. Later, under the able direction of Mrs. John Ferguson, a delicious lunch was served. One beautifully decorated cake, made by the Misses Stonebrink, was the occasion of much merriment, all declaring it too pretty to be eaten. It was finally cut and stood admirably the "proof of the pudding" test. One of the gentlemen developed an appetite for sweets at once comical and alarming, so much so that his devoted little wife came nobly to the rescue and saved him from ill-advised lad friends, who insisted upon heaping his plate with "pizen' 'things.

Games, recitations, readings and music furnished entertainment for all. A second ceremony was not insisted upon, as all could see that the "knot" had been well tied in the first place. Their union has been blessed with three stalwart sons, rapidly approaching manhood. When we viewed their happy faces we could not but realize that "It is not good for man to be alone."

Among the gifts we noticed a handsome crystal water set, cut glass fruit dish, pickle jar, vase, nut dish, etc. The unexpected presence of the hostess' mother, Mrs. Southwick, was a pleasant feature of the occasion. The invited guests were:

Mr. and Mrs. John Ferguson, Mr. and Mrs. Iler, Mr. and Mrs. Thos. Gilbert, Mr. and Mrs. Thos. Gardner, Mr. and Mrs. McMillan, Mr. and Mrs. Clyde Becket, Mr. and Mrs. Harry Templeman, Mr. and Mrs. Ed. Luce, he Misses Stonebrink, Miss Wickie Swartz, Mr. A. L. German, Miss Zelda German, Miss Mabel German, Mrs. Southwick, Mr. Frank Olsen, Mr. Fred Olsen, Miss Nellie Taylor, Mrs. Cutler, Mr. Oscar Cutler, Miss Jessie Cutler, Mr. John Ferguson, Jr., Miss Emily Luce, Miss Alice Fields, Mr. Russell Fields, Miss Vesta Gardner, Mrs. L. D. Fields, Miss Greta McMillan, Master Floyd McMillan, Master Willie McMillan, Mr. Russell Becket, Mr. Earl Beckett, Mr. Carl Beckett.

A GOOD DEAL OF NONSENSE

About "Blood Purifiers" and "Tonics.

Every drop of blood, every bone, nerve and tissue in the body can be renewed in but one way, and that is, from wholesome food properly digested. There is no other way and the idea that a medicine in itself can purify the blood or supply new tissues and strong nerves is ridiculous and on a par with the fol-de-rol that dyspepsia or indigestion is a germ disease or that other fallacy, that a weak stomach which refuses to digest food can be made to do so by irritating and inflaming the bowels by pills and cathartics.

Stuart's Dyspepsia Tablets cure indigestion, sour stomach, gas and bloating after meals, because they furnish the digestive principles which weak stomachs lack, and unless the deficiency of pepsin and diastase is supplied it is useless to attempt to cure stomach trouble by the use of "tonics," "pills" and "cathartics" which have absolutely no digestive power, and their only effect is to give a temporary stimulation.

One grain of the active principle in Stuart's Dyspepsia Tablets will digest 3000 grains of meat, eggs and similar foods, and experiments have shown that they will do this in a glass bottle at a proper temperature, but, of course, are much more effective in the stomach.

There is probably no remedy so universally used as Stuart's Dyspepsia Tablets, because it is not only the sick and ailing, but well people who use them at every meal to insure perfect digestion and assimilation of the food.

People who enjoy fair health take Stuart's Tablets as regularly as they take their meals, because they want to keep well, prevention is better than cure and Stuart's Dyspepsia Tablets do both; they prevent indigestion and they remove it where it exists. The regular use of one or two of them after meals will demonstrate their merit and efficiency better than any other argument. 10-20-22-24

Trotter Gets $500 Damages

The jury in the case of G. D. Trotter, the Stayton merchant, against the city of Stayton, to recover $2500 for alleged damages said to have been suffered by the plaintiff from the changing by the city of the boundaries of certain streets of the municipality, returned a verdict for the plaintiff in the sum of $500.

Judge Burnett, in hearing the case Tuesday afternoon, ruled as inadmissible the records of the council of the city of Stayton, holding that the same were entirely irregular and void. It is not known that the city officers will appeal the case, the matter being under advisement. John A. Carson and G. G. Bingham, attorneys for Mr. Trotter, gave notice that they will appeal the case as regards the action of the city council in re-establishing its street boundaries. They will have the same considered by the circuit court on a writ of review proceeding. This step is considered necessary by the plaintiff that he may recover possession of the land that the city has appropriated, before the title of the same as a natural course of events, reverts to the city. The case, as disposed of, was a victory for the plaintiff, since he will recover $500 damages, and, under the ruling of the court as to the proceedings of the Stayton council, he will probably recover possession of the property that has been in dispute.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O.

TWENTY YEARS TRIAL.

There are lots of good things the doctors know nothing about. We frequently cure people of disease after the doctors have given them up. If the disease comes from over work, dissipation, of exposure, causing weak and watery blood, and loss of flesh and strength, we have the one sure remedy in Dr. Gunn's Blood and Nerve Tonic. These tablets taken with meals turn the food into rich red blood, making strong steady nerves, and increasing the strength, building up solid flesh at the rate of 1 to 3 lbs per week. This means health. For nervous prostration, loss of memory, or a pale, sallow complexion, a better remedy was never made. Doctors know nothing about this remedy only the fact that we make cures; as we have been doing this for twenty years we know our method to be the right one. Druggists sell Dr. Gunn's Blood and Nerve Tonic for 75c per box, or 3 boxes for $2, or sent by mail on receipt of price. Write us for a pamphlet telling all about this great medicine. Address Dr. Gunn, Philadelphia Pa. For sale at Dr. Stone's Drug Stores. 1

G. Hass, 96 State St., Grand Opera House Drug Store.

A Right to Be Proud

Burlington Route

There is one feature of the Burlington's service of which it has a right to be proud—the dining cars.

Railroad men who have traveled over the Burlington admit that its dining car service is without an equal; that the meals are the best to be had on any railroad in the country.

If you like good meals, go East via Salt Lake City, Denver and the Burlington Route—be sure your ticket reads that way.
