Work was begun several weeks ago at putting the ways in good condition and extending them out into the river preparatory to hauling the steamer Robarts out for repairs.

The work was done under the supervision of Harry Andresen with a crew of competent workmen. He and his men are now busy repairing the vessel.

Lines were finally obtained and the the raft, which came from Branton's logging camp and contained about 240,000 feet of lumber, was tied up opposite the Spruce Point mill. The Lillian towed the raft to Acme Thursday morning.

GREENLEAF ITEMS.

BY A WEST CORRESPONDENT.

June 4, 1900.

Seth Simmon's health is improving very slowly. He is able to go about a little but not to do any considerable work.

John Pope raised tomato plants in a hothed and has supplied the whole neighborhood with plants already in bloom, free of charge.

The road past Drugg's and Adkins' places above Triangle lake is to be changed and tomorrow the county surveyor and the viewers and the axmen and the chain carriers will go over the new route in state.

Postmaster Carlyle at Inlow has notified the department that he is prepared to surrender the paraphernalia of the office whenever it is called for, as the people of that valley do no care to carry the mail free of charge any longer.

Mr Fuller of Eugene has bought from George M Miller the southeast quarter of the northwest quarter of the section of school land on Nelson creek, near Lake creek and says he will build a residence there this fall and move in.

The neighbors turned out last Wednesday and helped James Johnstone cut and hew timber for the frame of a new building to be used temporarily as a residence and eventually as the woodshed to a new dwelling which will take the place of the one recently burned.

Mrs J A Burnett, when recovering from the grip, had a siege of something like dropsy, bloating to double her usual size. The disease yielded to treatment and she was steadily recovering till Saturday, when she was swollen as bad as ever. If able to travel she intends to go outside this week for medical advise.

One of Seth Simmons' horses committed suicide two or three weeks ago. The animal, which was addicted to the habit of pulling, was tied by a neck-rope to a post which held pegs used for a ladder. He caught the rope on one of these and then took a notion to pull. The peg was high enough to cause the rope to shut off the horse's wind and he braced against it and strangled himself when by standing up he would have had plenty of rope.

A man was going down the road through the Nelson creek clearing Monday morning with a rifle in his hands when he saw a fine buck grazing in the field. Resting his gun on the fence he longingly sighed "Oh, if it were only the open season, what a fine shot! Just then in some manner the gun was discharged and the deer ran a few rods and fell dead. Your correspondent saw the carcass, and it was a beauty. The man who carried off the dead deer, said his name was Mud from Mudville.

WOULD NOT SUFFER SO AGAIN FOR FIFTY TIMES ITS PRICE.

I awoke last night with severe pains in my stomach. I never felt so bad in all my life. When I came down to work this morning I felt so weak I could hardley work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach troubles. I shall not be without it in my house hereafter, for I should not care to endure the sufferings of last night again for fifty times its price.—G H Wilson, Liveryman, Burgettstown, Washington Co., Pa. This remedy is for sale by all druggists.

CATARRH OF THE STOMACH

Is essentially a chronic disease. There is an inflammation of the inner coating of the stomach. A thick, ropy mucus forms and this causes the more pronounced symptoms. It remains in the stomach and decomposes. Then of course digestion cannot be properly performed. The liver also becomes involved and in a well marked case the symptoms are most severe. The great vegetable remedy HUDYAN never fails to effect a cure. HUDYAN can be had of all druggists for 50c per package. When you have used HUDYAN tell your friends about its effects. They also wish to be cured. Study your symptoms carefully from this chart. Each number represents a symptom or a group of symptoms. You have the symptoms. Use HUDYAN and they will disappear. Don't wait any longer. Cancer of the stomach often has its beginning in a severe case of catarrh of the stomach.

THE SYMPTOMS ARE:

1. BILIOUS HEADACHE—This is more pronounced in the morning though usually occurring at frequent intervals through the day. HUDYAN will relieve the headache.

2-3. RED AND WATERY EYES—HUDYAN will cause the redness to disappear and make the eyes assume their normal healthy appearance.

4. COATED TONGUE AND FOETID BREATH AND BAD TASTE IN THE MOUTH—HUDYAN will clear the tongue, make the breath pure and sweet and cause the bad taste to disappear.

5. PAIN AND TENDERNESS IN THE STOMACH—This is due to indigestion. HUDYAN will cause the food to become perfectly digested and the pain and tenderness will disappear.

6. ENLARGEMENT OF THE LIVER AND A FEELING OF HEAVINESS AND WEIGHT—HUDYAN will lessen the congestion, establish a free and perfect flow of bile and reduce the enlarged liver to its normal size.

HUDYAN will relieve you of the above symptoms and make you well. Do not delay.

You will find full and explicit directions wrapped with each package of HUDYAN. Go to your druggist at once and procure a package of HUDYAN for 50c, or 6 for $2.50. If your druggist does not keep it, send direct to the HUDYAN REMEDY COMPANY, San Francisco or Los Angeles, Cal., and they will send it to you. You can consult the great HUDYAN DOCTORS FREE. Do not forget that. Call and see them if you wish. You may call and see them or write, as you desire. Address
