DR. J. F. COOK

Has come to the conclusion that all profession of the healing art outside of the vegetable kingdom is a failure. When your system is run out without pure blood. You will only find vitality in the vegetable kingdom. Poisonous drugs nor doctors' knives nor thunder and lightning will not remove the cause, but lay the foundation for al kinds of disease. Those poisons go into your bones, and kill the life of them and create all kinds of diseases, cancerous tumors, consumption, dropsy, bone diseases, etc. You must bear in mind that his medicine is not a poisonous tonic, nor a stimulant, nor temporary relief which you get from poisonous drugs, where the results are sure death sooner or later. Do not blame the medicine, when it takes an effect and stirs up the poisons or disease in the system. You must not expect to be cured in a few days, for your sickness or disease has been a long time coming on, and it will take a long time to get it out of your system. It will take months or a year to build a new body from the bones up. This is what the people do not understand. They are used to being humbugged. His medicines are composed of Nature's Herbs—what the human system requires. When the animals get sick they will help themselves to those herbs, for they have the instinct, and the people have not, so we have to make a study of it. It has been a life study with Dr. Cook. Do not get weary; this life is too short and too sweet to worry out of this world.

The Oregon Quarterly

The Quarterly of the Oregon Historical Society for June, 1903, has been received. As usual every article it contains is of vital interest to every student of Oregon history, as the following table of contents indicates: "Oregon and Its Share in the Civil War," by Robert T. Platt; "The Great West and the Two Easts," by Henry E. Reed; "Social and Economic History of Astoria," by Alfred A. Cleveland; "A Pioneer Captain of Industry in Oregon," by Prof. James R. Robertson. In addition a number of documents relating to Dr. Marcus Whitman, the emigration of 1842-3 and the earlier conditions of the Oregon Country. Copies of the quarterly may be secured by applying at the Society Rooms, City Hall, Portland, Oregon.

The state board of health seems to realize how few of our patients die, so why should not you become one of our already large and ever increasing number of patients?

The man who boasts that he is the head of his house is simply a reckless liar.

If a girl can't have the man she wants her idea of getting even with him is not to let the man have her who wants her.

CAUTION!

This is not a gentle word—but when you think how liable you are not to purchase the only remedy universally known and a remedy that has the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its great popularity all these years, you will be thankful we called your attention to Boschee's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe coughs, bronchitis, croup—and especially for consumption where there is difficult expectoration and coughing durings the nights and mornings, there is nothing like German Syrup. The 25 cent size has just been introduced this year. Regular size 75 cents. Dr. Stones' Drug Stores.

take a little Early Riser—it will cure constipation, biliousness and liver troubles. DeWitts Little Early Risers are different from other pills. Don't Marry.

Almost everybody remembers the celebrated advice of the London *Punch*, "To those about to marry. *Don't!*" There is in that advice the expression of the feeling of many a mother who says, "I hope my daughter will never marry and suffer as I have."

In ninety-eight cases in every hundred there's no need for this suffering. Doctor Pierce's Favorite Prescription cures the womanly diseases which cause wifely misery. It dries enfeebling drains, heals inflammation and ulceration and cures female weakness. It invigorates the womanly organism, tranquilizes the nerves and gives the mother strength to give her children.

Do not allow an unscrupulous dealer to sell you something in place of "Favorite Prescription," claimed to be "just as good." There is nothing just as good for women as "Favorite Prescription."

"I am so pleased with your instructions, I hardly know what thanks to give you for your kind favors," writes Mrs. Milo Bryant, of Lots, St. Thomas Co., Ga. "You can publish my few statements to the world, hoping all suffering women will know and be healed. I suffered so much with great pains in my back and the lower part of my stomach and palpitation of the heart, that at times I could hardly lie down, and could hardly get up in the morning, but after using three bottles of 'Favorite Prescription' and two vials of Dr. Pierce's Pleasant Pellets, I feel like a new woman."

Dr. Pierce's Pleasant Pellets cure sick headache.

Concert will begin at 8 o'clock p. m. A good program has been prepared, which will consist of vocal and instrumental music.

Refreshments will be served on the grounds. Everybody invited. The Savage grove, just east of the asylum has been secured. Special car service to and from the grounds.

A SURGICAL OPERATION

is always dangerous—do not submit to the surgeon's knife until you have tried DeWitt's Witch Hazel Salve. It will cure when everything else fails—it has done this in thousands of cases. Here is one of them: I suffered from bleeding and protruding piles for twenty years. Was treated by different specialists and used many remedies, but obtained no relief until I used DeWitt's Witch Hazel Salve. Two boxes of this salve cured me eighteen months ago and I have not had a touch of the piles since.—H. A. Tinsdale, Summerton, S. C. For Blind, Bleeding, Itching and Protruding Piles no remedy equals DeWitt's Witch Hazel Salve. Sold by F. G. Haas, 96 State street.

WOMANS' DUTIES.

A woman who keeps her house in order and has the care of a family, has just as much responsibility as the man who provides the means to carry on the housekeeping. She is deserving of the more credit since the demands on her strength is greater. The everlasting sameness about her duties, and the confinement necessary to carry them out is very trying to the nervous system, this produces a strain on the mind that makes her irritable, cross, and dissatisfied, which is just as much a disease as rheumatism or catarrh. If nerves can be built up and made strong by medicine of some kind this feeling is changed to one of cheerfulness and pleasure in her duties. The medicine that makes strong steady nerves, and prevents disease by building up the entire system, is Dr. Gunn's Blood and Nerve Tonic, a tablet to take at meal time. Cures nervous prostration by making rich red blood, feeding the nerves, and making solid flesh at the rate of 1 to 3lbs per week. This medicine is sold by druggists for 75c per box, or 3 boxes for $2.00, or sent by mail, post-paid, on receipt of price. Write us about your case. Address Dr. Bosanko Co., Philadeph'a, Pa.
