

Change Of Text Books.

The change in text books the coming school year has created much interest and not a little complaint among the parents who feel the burden of procuring new books more than many of them can bear. However, the expense is to be made as light as possible and on many of the books the price has been greatly reduced. The exchange price, which allows old books of the same grade to be exchanged (that is, allowing one-half on them) will continue until December 31st, when the retail price will prevail.

The entire change of books, with the exception of Brooks' Mental Arithmetic, must be in use fifteen months from the date of adoption.

Circulars giving prices, etc., will be issued in the near future, which will give all necessary information. Below we publish a condensed list, most of which will be used in our schools:

- Cyr's Readers.
- Read's Word Lessons and Language Series.
- Thomas' Histories of United States.
- Fry's Geographies.
- Wentworth's Arithmetics.
- Brooks' Mental Arithmetics.
- Howell's Health Primer.
- Stowell's "A Healthy Body."
- Dole's "The American Citizen."
- Wheeler's Primer.
- L. S. Thompson's New Short Course in Drawing.
- Newland's Natural System of Vertical Writing.
- Tufts and Holt's Normal Music Course.

Mayor Rowe, of Portland, has been in the Blue mountains for some time past and reports rare sport there. He stated that he had caught boiled salmon in Hot lake and that there was a stream of melted butter running into the lake in which they dipped the salmon before eating them. Nothing was said as to where he got that particular brand of whisky.

THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards are Cured Daily in Spite of Themselves.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE," which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS! CHILDREN CURE YOUR FATHERS! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the cure administered by loving friends and relatives without their knowledge in tea or coffee, and believe today that they discontinued drinking of their own free will. **DO NOT WAIT.** Do not be deluded by apparent and misleading "improvement." The HOME GOLD CURE is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. E 485 EDWIN B. GILES & CO. 2330 and 2332 Market St. Philadelphia.
