Some reflections were cast on the county press during the session of the circuit court just closed, in that they "prejudice the minds" of the people against offenders against the law. If people would only stop and consider that the press obtains the news in the same way that others do, and that it is the same "stuff" that they gobble on to so readily and pour into their neighbor's willing and anxious ear, they would find less fault with the paper whose province it is to gather and disseminate all news of interest. A man who could not overcome preconceived convictions when substantiated by law and evidence, is unfit for a juror, witness or any thing else.

OUR BANK.

Actual work, that of getting out timber, for Coquille City's first bank was commenced yesterday morning, and the building will be rushed to completion. The site is just east of Leneve's drugstore, and the building will have 25 feet front; running back 35 feet; two stories high, with offices above. It will be ready for business about Dec. 15th.

A. D. Early, of Rockford, Ill., a prominent attorney, will be president; A. W. McArthur, cashier, and W. L. Blinn, teller, the two former constituting the firm. We bespeak for these gentlemen a good patronage. A general banking business will be carried on.

Let us give the readers of the HERALD a little timely advice. Hot weather is coming and with it colic, cholera morbus, dysentery and diarrhœa. The only safe way to combat these diseases, is to keep some reliable remedy at hand, and all who have tried Chamberlain's Colic, Cholera and Diarrhœa Remedy will admit that it is the most prompt, reliable and successful medicine known for these complaints. It costs but 25 or 50 cents, and may be the means of saving you or your family much suffering, if not life itself, before the summer is over. For sale by J. H. Nosler, Coquille City, and W. L. Dixon, Myrtle Point, Oregon.
