A GOLDEN JUBILEE

Vice President Fairbanks Will Participate in Ceremony at Flint, Mich.

Flint, Mich, June 6.—Flint is dressing herself in her best bib and tucker, for tomorrow is to be a red letter day in her history. It will mark the opening of a two days' golden jubilee celebration and old home coming reunion. The occasion will be memorialized by the laying of the corner stone of the federal building, the unveiling of memorial tablets of civil war veterans, the dedication of the Flint public library, and the dedication of the new court house. The exercises tomorrow will consist of laying the corner stone, and the federal government will be represented by Vice-President Fairbanks, Senators Alger and Burrows, Governor Warner and other men of distinction. Many visitors are already arriving to take part in the celebration.

SEE SUN ECLIPSE

Washington, D. C., June 6.—The first of the expeditions to be made under the auspices of American universities and scientific institutions to observe the eclipse of the sun, which will occur August 30 next, is scheduled to sail from New York today. Three expeditions are to be made to various parts of the world where the eclipse will be total—namely, to a point near Cortwright, Labrador, to Northeastern Spain, and to a point near Assouan, Egypt. The treasury department has made arrangements to facilitate the shipment in bond of the apparatus to be carried by the expeditions, including a large quantity of lenses, graphic apparatus, mechanics' tools, prisms, mirrors, telescopes, photos and other necessaries.

THE SECRET OF SUCCESS

"No, Sir! You cannot palm off any substitutes on me. I've been using August Flower since I was a boy, and I'll have no other."

Forty million bottles of August Flower sold in the United States alone since its introduction! And the demand for it is still growing. Isn't that a fine showing of success? Don't it prove that August Flower has had unfailing success in the cure of indigestion and dyspepsia—the worst enemies of health and happiness? Does it not afford the best evidence that August Flower is a sure specific for all stomach and intestinal disorders?—that it is the best of all liver regulators? August Flower has a matchless record of over 35 years in curing the ailing millions of these distressing complaints. Two sizes, 25c and 75c. All druggists.

GOING TO SHOOT SOME

London, June 6.—On the famous range at Bisley crack teams representing the volunteer troops of England and the United States lined up today to contest for supremacy in rifle marksmanship. The American team is made up of representatives of the Seventh regiment of the New York National Guard, while their opponents are the target experts of the Queen's Westminster volunteers, the most famous of England's rifle rangers. The winning team will be awarded a handsome silver urn, offered by C. E. Howard Vincent, colonel commandant of the English regiment.

CASTORIA.
Bears the Signature of Chas. H. Fletcher. The Kind You Have Always Bought

A dispatch from Paris says the Countess Spottiswoode-Macknm, a titled American, has seized 30 dresses belonging to the Duchess of Rochefoucauld, who is the daughter of Senator Mitchell, of Oregon. This is the outgrowth of a bitter feud that has existed between the two women for some time. It all stated over the lease by the duchess of Countess Mackin's handsome apartments in the Rue Auguste Vacquirie. The duchess wanted certain repairs made, but the countess did not make them. Thereupon the duchess took a suite of rooms at an expensive hotel, and told the proprietor to charge the bill to the countess. The latter refused to settle, and thereupon started a feud, which has enlivened Paris society for some time, and particularly the American colony.
