It is reasonable to suppose that as Ayer's Sarsaparilla has benefited others it will benefit you. No other medicine is so effective in producing a radical change in the blood and imparting renewed life and energy to the whole system, both nervous and physical.

The tug Barclay Golden has undergone an improvement at the bay, having been put on the ways and a change made in her keel and rudder. This gives her more security in crossing the bar.

Our big squash stands first on the list yet. Seventy-one pounds of squash done up in one package isn't met with every day. We have had many visitors at the HERALD office the past week and have been, through the kindness of friends, enabled to exhibit several fine specimens of fruits and vegetables of Coos county's growths.

Mr. Figg, living a little distance above this place, last week exhibited some apples from his orchard, name unknown, that measured 5½ inches through the flat way. Sixteen apples would quite fill the usual bushel box. Now let any valley Siwash or Boston man dispute this, and we'll challenge him to meet us at Dallas or Hot Springs. You don't know what Coos county can do.

J. E. Smyth, of Portland, brother of Robert Smyth who has the contract on the Arago lighthouse, came over from the bay last Friday to look after lumber and shingles purchased here. He came around from Portland on the schooner Ella Orena, laden with material for the lighthouse. The schooner brought one hundred thousand brick, forty thousand shingles, one hundred barrels of lime and cement, and other material. Mr. Smyth went back also on Friday's train.

When all other remedies for scrofula fail, Ayer's Sarsaparilla, if persistently used, effects a cure. Being a powerful alterative, it cleanses the blood of all impurities, destroys the germs of scrofula, and imparts new life and vigor to every fibre of the body.

J. Carl Billingham, publisher's agent of P. F. Collier, publisher, New York, will be in Coquille City on or about the 10th of November in the interests of that house. He is at present on the lower river. He can do great things in that line of business, which deserves your consideration.

ESTRAY NOTICE.—The undersigned has taken up two steers, described as follows: One black steer, about 4 years old, crop and swallow-fork in right ear, and under-bit in left. The other about 2 years old, red, with line back, and same ear-marks as the former.

You can fool the doctors sometimes, but nature—never. When the kidneys and bladder are in an unhealthy condition you will feel the effect, and should not refuse the cry for assistance. Oregon Kidney Tea always affords relief, and a cure. Will restore the organs to a healthy condition in less time than any other remedy. Our druggists S. L. Leneve, of Coquille City, and N. G. W. Perkins, of Myrtle Point sell Oregon Kidney Tea.

Neat quarter-sheet posters, printed at the HERALD office, are out announcing the particulars, and as is usual at that place, the ball will be a pleasant affair, for no pains are spared to make it a success. Chas. Peterson, jr., C. S. Brown and E. J. Downs are the committee on arrangements, E. M. Peterson, Ed White and Curt Price the floor managers. C. Hall and D. Thomas will serve as prompters. Admission to the ball, 50 cents. A midnight supper will be served.

Mrs. J. P. Bell, Osawatomie, Kan., wife of the editor of The Graphic, the leading local paper of Miami county, writes ***"I was troubled with heart disease*** for six years, severe palpitations, shortness of breath, together with such extreme nervousness, that, at times I would walk the floor nearly all night. We consulted the best medical talent. ***They said there was no help for me,*** that I had organic disease of the heart for which there was no remedy. I had read your advertisement in The Graphic and a year ago, as a last resort, tried one bottle of ***Dr. Miles' New Cure for the Heart,*** which convinced me that there was true merit in it. I took three bottles each of the Heart Cure and Restorative Nervine and ***It completely cured me. I sleep*** well at night, my heart beats regularly and I have no more smothering spells. I wish to say to all who are suffering as I did; there's relief untold for them if they will only give your remedies just one trial."

Dr. Miles Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at $1, 6 bottles for $5, or it will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

He has many useful articles to dispose of, including furniture, tools of various trades and other articles. Now is offered a rare opportunity to buy.

The County W. C. T. U. commenced its session yesterday. There is a good attendance from all parts of the county and much interest attracted from our own community. Last night a large assemblage listened to some interesting exercises. After opening song by the choir, Rev. J. S. McCain delivered an earnest address of welcome, which was responded to by several of the visiting delegates. Mrs. Helen D. Harford, state lecturer, delivered an able and eloquent address. The meeting continues today, and will close tonight with a grand rally and mass meeting, at which Mrs. Harford will again be the chief speaker. Admission free and everybody invited.

Accident at Myrtle Point.

Last Thursday, while A. McDonald was engaged in hauling potato vines out of the field, he allowed one of his little boys to drive the team while he loaded the wagon. A little 3-year-old boy came up to the wagon without being noticed and began climbing in just as the team started. He was thrown to the ground, and the wheel passed directly over his chest, severely crushing the body of the child and breaking the left arm. Dr. Leep was called and set the limb and the child was doing well at last account. It seems almost a miracle that the child was not killed.

The Home and Farm is a splendid agricultural and family journal, large 16-page paper, and of itself worth the price of both papers. Womankind is a most attractive and entertaining home monthly, heartily welcomed by and instructive to the mothers and daughters; and the Farm News is edited by a staff of experienced agricultural writers, is handsomely printed, and contains what the practical farmer wants. Word and Works is Rev. Irl Hicks' paper of St. Louis. This is a scientific journal and is full of excellent reading matter. The Almanac, given with the paper, contains 100 pages of forecasts and other useful information and is a valuable book.

The Road is a large, wide-a-wide Populist paper, published by "middle-of-the road" Herbert George, of Denver, Col. Of The Silver Knight it is only necessary to say that it is Senator Stewart's fearless paper, and is published in Washington City. Our Nation's Crisis is best advertised by saying that it is owned and edited by Gov. Waite, Colorado's great Populist governor, the War-horse of the Rockies. It is good reading. The Rural Northwest is an Oregon farm journal, and is clean and well managed. It will be worth the price we charge for both papers to any farmer in Coos county.

☞These Club Rates, of course, imply payment in advance.☜
☞We can only make these splendid terms where cash is☜
☞ paid in advance. ☜

EUREKA CHEMICAL & M'F'G CO., La Crosse, Wis.

Office of THE PIONEER PRESS COMPANY, C. W. Hornick, Supt.,
St. Paul, Minn., Sept. 7, 1894.

Eureka Chemical and Man'f'g Co., La Crosse, Wis.—Dear Sirs: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured; I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly,

C. W. HORNICK.

W. Norton, our Beaver slough friend, went to Roseburg last Saturday on summons of a contest on his homestead. He goes, not only equipped with right, justice and law on his side, but counsel from the department at Washington to prosecute the trespassers. The trouble is, he is a poor man and couldn't accomplish much in that line. His next best protection is, to warn them off, and if they fail to respond promptly, accelerate their speed with some birdshot, or buckshot if necessary.
