Non-alcoholic Sarsaparilla

If you think you need a tonic, ask your doctor. If you think you need something for your blood, ask your doctor. If you think you would like to try Ayer's non-alcoholic Sarsaparilla, ask your doctor.

We publish the formulas of all our preparations. J. C. Ayer Co., Lowell, Mass.

HOP MARKET QUIET

The hop market at present is quiet, but very firm. The growers are not throwing their product on the market, and few hops are changing hands. The indications are that the present prices will remain firm, and as the season advances and the market becomes more active the prices will advance.

It is reported that T. A. Livesley & Co. bought yesterday, at Woodburn 132 bales of Fred, Doe, prime quality, at 14c; 200 bales of Haberley, at 14¾c, and 130 bales of W. M. Kauffman at 14½c.

Wm. Brown & Co. have recently bought 90 bales, choice, at 17c; 63 of Julius Maddar and 84 bales of C. C. Winger.

Lachmund & Co. last Wednesday bought 80 bales, choice, at 17c; 63 bales, prime choice, at 16c.

The quality of this year's crop is variable. In many sections the yield and quality of this season's product is good, while in other sections the out-put has been light. The variation of prices seems to be due to the mixed qualities, rather than any change in the value of the product.

Do You Believe in Signs?

A mark, note, token or symptom, indicates that by which anything may be known, that is, we are forewarned if evil is to befall us, or we have the pleasure of anticipation if the signs betoken a fortunate occurrence. Accidental occurrences all have their signs, every disease has its symptoms. The point is to heed the former, and counteract the effect of the latter. Spells of sick headache follow indigestion and stomach disorders, belching, billiousness and dyspepsia are signs of sickness. People that believe in these signs and know that they are true from experience, can get immediate relief and a speedy cure by the use of Dr. Gunn's Improved Liver Pills. Sold by druggists for 25c per box. Only one for a dose.

The Albany postoffice receipts for the thre emonths ending September 30th were $2646.91, an increase of $136.58 over the last quarter.

Danger from the Plague.

There's grave danger from the plague of Coughs and Colds that are so prevalent, unless you take Dr. King's New Discovery for Consumption, Coughs and Colds. Mrs. Walls of Forest City writes: "It's a Godsend to people living in climates where coughs and colds prevail. I fine it quickly ends them. It prevents pneumonia, cures lagrippe, gives wonderful relief in asthma and hay fever, and makes weak lungs strong enough to ward off consumption, coughs and colds. 50c and $1.00. Guaranteed by J. C. Perry's drug store. Trial bottle free.

The total valuation for Baker county this year is $8,632.590, a large increase over last year.

Cures Chills and Fever.
