CLERKSHIPS COST $20,517

About One Thousand Dollars More in 1905

But the Legislature This Year Saved $5,940 By Cutting Out the Investigations

The legislature of 1907 was not as extravagant with clerkhire as 1905. This year the senate spent $11,473; the house this year spent $9044; total of both houses, $20,517.

In round numbers the clerks cost $1000 less than in 1905.

The senate of 30 members had six more employes than the house with 60members. Each senator had a private stenographer.

In 1905 the senate spent $12,050 for employes, and the house $9460, or a total of $21,510. In 1905 both houses spent $5940 on special investigating committees. That was cut out by the present legislature.

Musical Comedy Tonight.

What is the real attractive part of a musical comedy. There are many answers and still no one can say just what it is that makes this form of entertainment. The one which carries you from the cares of business to the delights of laughter and enjoyment, when Murray & Mack come to the Grand opera house this Thursday evening, March 7, we will have the real event of the season so far as musical comedy is concerned. The company is a large one and among the cast will be Gladys Van, Gus Pixley, Gertrude Rutledge, Bobby Harrington, May Gabriel, Bae Hamilton, Florence Cordelia, P. J. Kane,

Fred Guillard, Francis Trumbull, Walter S. Bower and many others of note. The chorus this season has been selected from various cities and can truthfully be called "The Chorus Beautiful." The famous four dancing Metors secured by Mr. Mack from the Royal opera house at Berlin will positively be seen at each and every performance. These little wonders were to have been seen in Hammerstein's New Grand opera in New York, and Mr. Mack is under a heavy bond to their parents for their safe return to their native land. The production is mounted with the most modern scenic and electrical effects, the costumes worn by the cast and chorus are the acme of the modern modiste, and a delight to the feminine eyes. The music of the show is catchy and tuneful and many numbers compose the program. The comedy of the stars themselves is all new, and as of yore they retain their laurels as the creators of the laughing habit.

Saved Her Son's Life.

The happiest mother in the little town of Ava, Mo., is Mrs. S. Ruppee. She writes: "One year ago my son was down with such serious lung trouble that our physician was unable to help him; when, by our druggist's advice I began giving him Dr. King's New Discovery, and I soon noticed improvement. I kept this treatment up for a few weeks when he was perfectly well. He has worked steadily since at carpenter work. Dr. King's Discovery saved his life." Guaranteed best cough and cold cure by J. C. Perry, druggist; 50c and $1. Trial bottle free.

The Modesty of Women

Naturally makes them shrink from the indelicate questions, the obnoxious examinations, and unpleasant local treatments, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than let the disease grow and spread. The trouble is that so often the woman undergoes all the annoyance and shame for nothing. Thousands of women who have been cured by Dr. Pierce's Favorite Prescription write in appreciation of the cure which dispenses with the examinations and local treatments. There is no other medicine so sure and safe for delicate women as "Favorite Prescription." It cures debility, [illegible] irregularity and female weaknesses. It always helps. It almost always cures. It is strictly non-alcoholic, non-secret, all its ingredients being printed on its bottle-wrapper; contains no deleterious or habit-forming drugs, and every native medicinal root entering into its composition has the full endorsement of those most eminent in the several schools of medical practice. Some of these numerous and strongest of professional endorsements of its ingredients, will be found in a pamphlet wrapped around the bottle, also in a booklet mailed *free* on request, by Dr. R. V. Pierce, of Buffalo, N. Y. These professional endorsements should have far more weight than any amount of the ordinary lay, or non-professional testimonials.

The most intelligent women now-a-days insist on knowing what they take as medicine instead of opening their mouths like a lot of young birds and gulping down whatever is offered them. "Favorite Prescription" is of KNOWN COMPOSITION. It makes weak women strong and sick women well.

Dr. Pierce's Medical Adviser is sent *free* on receipt of stamps to pay expense of mailing only. Send to Dr. R. V. Pierce, Buffalo, N. Y., 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound.

If sick consult the Doctor, free of charge by letter. All such communications are held sacredly confidential.

Dr. Pierce's Pleasant Pellets invigorate and regulate stomach, liver and bowels
