A Religious Author's Statement.

For several years I was afflicted with kidney trouble and last winter I was suddenly stricken with a severe pain in my kidneys and was confined to bed eight days unable to get up without assistance. SPEND YOUR HOLIDAY VACATION AT PASO ROBLES

If complete rest and most perfect conditions imaginable for nature cure are what you need, spend your holidays at Paso Robles Hot Springs, California. A week or two, and even a few days there will accomplish more in the way of restored energy than a much longer period and more expensive treatment elsewhere, because good old Mother Nature is nurse and physician.

Paso Robles is taking the same rank in America and enjoying the same fame for wonderful cures that Carlsbad and Baden Baden do in Europe. The hotel is a marvel of comfort and luxury, and the bath house built by the city, free to all, is said to be one of the best in the world. It is a stubborn ailment and a hopeless condition of physical breakdown that the mineral waters and hot mud baths of Paso Robles will not heal in a short time.

Call on agent at Salem for descriptive booklets on Paso Robles, and he will also tell you all about rates.
