An attack of the grip is often followed by a persistent cough, which to many proves a great annoyance. Chamberlain's Cough Remedy has been extensively used and with good success for the relief and cure of this cough. Many cases have been cured after all other remedies had failed. Sold by all dealers.

AN OLD-TIME PRESCRIPTION

in a modern product. From time immemorial sage and sulphur have been used for the hair and scalp. Almost every one knows of the value of such a combination for darkening the hair and making it grow. In olden times the only way to get a hair tonic of this sort was to brew it in the home fireplace, a method which was troublesome and not always satisfactory. Nowadays almost every up-to-date druggist can supply his patrons with a ready to use product, skillfully compounded in perfectly equipped laboratories. Such a preparation is Wyeth's Sage and Sulphur, which is sold by all leading druggists for 50c. and $1.00 a bottle, or which is sent direct by the Wyeth Chemical Company, 74 Cortlandt St., New York City, upon receipt of price.

J. C. PERRY.

Do you know that croup can be prevented? Give Chamberlain's Cough Remedy as soon as the child becomes hoarse or even after the croupy cough appears and it will prevent the attack. It is also a certain cure for croup and has never been known to fail. Sold by all dealers.
