self in the breast with a knife. Physicins were summoned, and at 4 o'clock she was reported to be past all hope of recovery. Her health has not been the best, and her spirits have been very much depressed of late. The prospect of separation from her son precipitated the mad act, and her brother, who came here to arrange for taking her to the old family home, was almost a witness to the sad tragedy. She was a native daughter of Oregon, a devout member of Leslie Methodist church, and a woman of the highest character and beloved by all who knew her.

NOT HERIDITARY

Baldness Due to a Living Minute Germ.

Many people, even unto the present day of grace, consider baldness due to hereditary influence.

Nothing is further from the truth—Baldness is caused by the onslaught of a minute organism which secrets itself beneath the scalp and attacks the roots of the hair—causing it to lose its life and fall out.

This organism cannot be got rid of except by the free and persevering use of Newbro's Herpicide.

No matter how badly the scalp is effected the Dandruff surely disappears and hair health is restored when Herpicide is applied.

"Destroy the cause you remove the effect."

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. One dollar bottles guaranteed. J. C. Perry Druggist.
