FOR FLETCHER'S
CASTORIA

$100 Reward, $100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials. Address

How Cold Affects the Kidneys.

Avoid taking cold if your kidneys are sensitive. Cold congests the kidneys, throws too much work upon them, and weakens their action. Serious kidney trouble and even Bright's disease may result. Strengthen your kidneys, get rid of the pain and soreness, build them up by the timely use of Foley Kidney Pills. They will cure any case of kidney or bladder trouble not beyond the reach of medicine. No medicine can do more. Red Cross Pharmacy (H. Jerman).
