Cordray-Wass Dramatic Company.

This company will appear at the opera house three nights next week, commencing Monday, August 18th. Of their opening performance, "Divorce," the Oregonian has as follows: "Divorce," with Miss Essie Tittle in the leading role, filled Cordray's theater last night. The play is an excellent one. It is of the intensely thrilling school and appeals more or less to the emotional nature of the audience, particularly to those who have experienced the varying emotions of the genuine article. The stage setting last night was excellent and the costumes worn throughout the play by the ladies of the company, elegant. Miss Essie Tittle as the heroine, Florence Grantley, presented the picture of the devoted, persecuted wife in a manner correctly conceived and with all the delicate touches of womanly tenderness and grace that distinctly mark her work. Miss Minnie Tittle was pleasantly welcomed and made a pretty and sprightly Sally, and was generously applauded for her singing of "La Paloma" and for her dainty dancing. Mr. R. E. French more than satisfied the demands of the role of Harry Grantley. His acting was manly and vigorous.

Winant, of the steam schooner Mischief, is back from a cruise in Behring sea and will have his vessel all cleared up nicely for the accommodation of those who wish to go over the bar for pleasure or fishing. Ample accommodations at the hotels.

Having disposed of the grocery store on Second and Jackson streets, Albany, I desire all who are indebted to me to call and settle up. Persons can find me for the rest of this week at E. M. Huston's office on 1st street, two doors below the Delmonico Restaurant. CHARLES ESSIG.

NOW FOR A BRIDGE.

A Petition For Its Location Before the City Council.

MORE SEWER WORK ORDERED

The Extension of the Railroad Street Sewer to Cost Nearly $5000—Other Important Business.

The city council met in regular session in the council rooms last evening, Councilman Garrett being absent. In the absence of Recorder Henton, councilman Taylor acted in his place.

The committee on streets and public property reported that the Calapooia street sewer had been finished in a workmanlike manner and recommended that the work be accepted; adopted.

A petition of citizens to have certain streets in Hackleman's third addition graded and graveled was reported on favorably by the committee on streets and public property, and the report was adopted by the council.

The committee on ways and means reported favorably on the extension of the Railroad street sewer, which report was adopted and bids ordered advertised for. The proposed extension is for 1200 feet and will cost $4 per foot, making the extension cost nearly $5000.

Also the Broadalbin street sewer was ordered extended to the Albany college grounds.

The street commissioner was ordered to have the old building on second street near the water ditch removed forthwith.

The contract for constructing an eight inch terra cotta pipe sewer across Ferry street, midway between Eighth and Ninth streets, was let to Jas. Laurent at 44 cents per foot, his being the lowest bid.

The following petition for the location of the proposed wagon bridge across the Willamette at this city was read and referred to the committee on streets and public property:

S. engineer, to the end that all necessary preliminaries may be transacted while the water is at its present low stage, and your petitioners will ever pray.

The petition is signed by the following citizens: Samuel E. Young, Isom, Lanning & Co., J. M. Irving, Stewart & Sox, Bank of Oregon, H. F. Merrill, Fosbay & Mason, Julius Gradwohl, L. F. Blain, N. H. Lumber Burned.

A few evenings since a spark from the engine of the gravel train on the S. P. caught in a pile of fencing lumber a half a mile south of the Salem depot setting it on fire and burning nearly seven thousand feet. The blaze communicated to bridge No. 157, which would have been consumed, but Section Foreman Prunty was notified of it and took his China gang to the scene and extinguished the flames. The lumber belonged to the company.

Banta Held to Answer.

Sheriff Scott returned yesterday from Lebanon where Isaac Banta had his examination before Justice Wallace for participating in the recent shooting affray at that place. He was held to await the action of the grand jury, and in default of bonds was brought to this city and incarcerated in the county jail. Banta says he was intoxicated when he did the shooting. Walpole, who was with him at the time, appeared as a witness in his behalf.

Railroad Contract Let.

Mr. G. V. Stevens, of this city, formerly contractor on the Oregon Pacific railroad, has taken the contract to construct 13 miles of road on the Southern Pacific extension from Coburg to Jasper in Lane county.

STATE DISPATCHES.

Salem Will Get a Recount and She Is Happy—Newsy Notes.

Special to the HERALD.

SALEM, Aug. 12.—At a special meeting of the Salem board of trade held this evening a telegram was received from Senator Mitchell saying: The census of Salem has been ordered re-taken under the supervision of a special agent sent from Washington, to act in cooperation with a supervisor to be appointed by the mayor and president of the board of trade. It will give general satisfaction.

The board of trade solicits the southern Pacific to run local trains between this city and the fair ground's fair week.

The children of the bereaved farmer, S. W. R. Jones, who was recently confidenced out of $5000, has petitioned the county court for the appointment of a guardian.

It is rumored that upon the recommendation of the inspector who recently made an inspection at Chemawa, that some of the members of Supt. Irving's family will be dismissed from their position in the government of the Indian training school.

All arrangements were completed to-day for the baseball tournament of the nine games to be held at Salem during the week of the state fair. Four amateur clubs will unite and the winner of the most games will receive $150 and the second winner $150. Each club of good games and on the last day the two prize winners to cross bats. McMinnville, Vancouver, Salem and either Nob Hill or Famous are expected to enter.

The attendance at the County Normal institute now in session in Salem showed a material increase to-day. Interest in the exercises are also growing.

PORTLAND NOTES.

PORTLAND, August 12.—The body of Pat Malloy, who was drowned last Friday while out boat riding with a notorious woman of the town, was recovered to day.

Deputy United States Marshal Watts came down from Pendleton this morning with James Murphy, who was arrested for selling liquor to Indians.

The Union Pacific trains last night and this morning came into East Portland five and seven hours behind time respectively. The cause of the delay was the drifting of sand on the track east of The Dalles. A large number of passengers waited this morning at Rooster Rock for seven hours.

PRINEVILLE NEWS.

A Better Wheat Crop in Crook County Than for Years.

PRINEVILLE, Aug. 10.

The wood haulers have formed a trust, and agreed not to deliver any wood in Prineville for less than $4 a cord.

On the 1st of last July Crook county was only in debt about $900, and had delinquent taxes not collected amounting to $15,000.

Apples have got down to 4 cents a pound in this market, and those with moderate incomes can now indulge in a little green fruit.

Two months ago it looked as if there would be scarcely anything raised in this county this year, but now the farmers are harvesting the largest crop they have raised for years. Early in the season it was reported that crops on Tygh ridge would be almost a failure, but the beginning of harvest has proven the crop to be at least an average one in that section. Ninety cents a bushel will probably be the ruling price of wheat in Prineville this fall.

Last Sunday about 75 tons of hay belonging to Enoch Cyrus, who lives in the Gray Butte neighborhood, twenty miles north of Prineville, was burned. Mr. Cyrus and family were attending the wedding of Eld. Grant at the school house at the time, and there was no one at the ranch, so the origin of the fire is a mystery. The loss is quite heavy on Mr. Cyrus, as it was the greater portion of his crop.

Arm Broken.

Mrs. E. D. Barrett was in the city yesterday for the purpose of securing medical attendance for her arm, which was broken by a fall upon the sidewalk in this city several days ago, both bones of the left arm being broken near the wrist. The accident occurred at the corner of Sixth and Lyon streets, and was caused by a loose board flying up when she stepped upon it. There are many wretched pieces of sidewalk about the city which should be repaired.

Fruit Prospects.

There is a great deal of fruit in Oregon this year, and there is a great demand for it from outside the state, so fruit growers are in a fair way to make something this year. If one has good fruit of any kind he has no trouble in finding a market for it. The commission men are very busy, and one of them said yesterday he wished there were more firms in the business to relieve him of some of the work.—Oregonian.
