THE COLUMBIAN.

U. S. OFFICIAL PAPER.

NEWS DROPS.

Land has gone up on the Scappoose to $50 an acre.

Columbia river has made a big raise if nobody else has.

See Mr. Edmunds' new Ad. His treatment of us is simply *angelical.*

Joy has lost his cordwood, and his name is sorrow not joy.

Young Richardson has come down from East Portland to see his niece.

Muckles' dam got on a bust. Cause not too much whisky but too much water.

Mr. Lousignon has promised us some hay from *Swan* Island. We wish it was *down.*

It is expected a saw-mill will soon be erected either on Sly Creek or McNulty Creek.

Miss Helena Holman will be here Christmas. We may expect some fine music.

☞Money to loan on real estate security by F. A. Moore Esq., St. Helen, Oregon.

Mrs. B. D. Butler has rooms over George McBride's store, but boards at Mrs. Morse's.

Mr. W. H. Whitney is building a sidewalk in front of Judge Moore's on Honesty Hill.

Miss Hattie Rathbun has collected over $13.00 for the Christmas celebration. Well done!

Calista Moore, the Judge's youngest daughter stood 95 at the Public School last term. Maximum 100.

Willie Fullerton is at Shingle Mills, Eldorado Co. California. We wish no offence, he is building fence.

Mrs. J. L. Allen has a fine boy that kicked the beam at 12 lbs. Mr. Allen calls him a regular rail-splitter.

Mr. F. H. Hughes lent us his lantern the other night. How dark this world would be without a borrowed lantern!

J. S. Davenport is getting lots of "pretties" for Christmas. We saw some splendid cups there that would just fit our mustache.

Cordwood is all afloat on Scappoose. This sudden rise in wood is caused by Pluvius watering the stock, and is none of J. Gould's doings.

S. F. Howe, DENTIST, will be at St. Helen the 3d. day of January and remain *Two Days*, unless by special agreement to remain longer.

We wish subscribers for current year who have not paid as well as those in arrears for last year would pay up as we need the money in our business.

Mr. S. A. Miles has bought a $150 telescope so his children may learn Astronomy. He means to educate them for all worlds, for time and Eternity too.

The bridge over Sly Creek is washed away so is the one over Milton Creek near A. H. Blakesley's ranch. McNulty and Milton Creeks made a junction overland.

Our new steamboat launched itself. This is a good omen, and means luck. Old Neptune met her more than half way, and now she rides the wave so light and free.

Mr. Jacob George has bought the lot on the corner of St. Helen and Columbia Streets of Josiah Fullerton for $100. It is the one on which the Masonic barn stands. He is fencing it.

Mr. George Strachan's sows have lost a number of fine litters of pigs owing to stress of weather.

The leading Scientists of to-day agree that most diseases are caused by diseased Kidneys or Liver. If, therefore, the Kidneys and Liver are kept in perfect order, perfect health will be the result. This truth has only been known a short time and for years people suffered great agony without being able to find relief. The discovery of Warner's Safe Kidney and Liver Cure marks a new era in the treatment of these troubles. Made from a simple tropical leaf of rare value, it contains just the elements necessary to nourish and invigorate both of these great organs, and safely restore and keep them in order. It is a POSITIVE REMEDY for all the diseases that cause pains in the lower part of the body—for Torpid Liver—Headaches—Jaundice—Dizziness—Gravel—Fever, Ague—Malarial Fever, and all difficulties of the Kidneys, Liver and Urinary Organs.

It is an excellent and safe remedy for females during Pregnancy. It will control Menstruation and is invaluable for Leucorrhea or Falling of the Womb.

As a Blood Purifier it is unequaled, for it cures the organs that MAKE the blood.

This Remedy, which has done such wonders, is put up in the LARGEST SIZED BOTTLE of any medicine upon the market, and is sold by Druggists and all dealers at $1.25 per bottle. For Diabetes, enquire for WARNER'S SAFE DIABETES CURE. It is a POSITIVE Remedy.
