ST. CHARLES, ARK., Aug. 23, 1883.

B. J. KENDALL & CO., GENTS:—I take pleasure in informing you that I used nearly all of the bottles of Kendall's Spavin Cure that you sent me from St. Louis, according to directions, and to my satisfaction (and I must say to my surprise) in about two weeks my mare was entirely well of her lameness caused by a bog spavin of over one year's standing and in three weeks time the swelling was all gone and the mare is now entirely well and can trot as fast as ever. I consider the bottle of Kendall's Spavin Cure worth to me $100.00 as the animal was worthless as she was on three legs and could scarcely get up and on them and now she is the finest logging animal in these parts and with the remainder of the bottle after curing the mare I have perfectly cured a severe corn on the ball of my life to that has given me great pain for two or three years. I have only applied Kendall's Spavin Cure four times and the corn now is nearly out by the roots and will cut any pain. In short I think it is the best liniment that is in use. I have Kendall's Treatise on the Horse and his Diseases and I would not take any money for it if I could not get another. Wishing you great success I remain

Yours respectfully, R. C. MARTIN.

KENDALL'S SPAVINE CURE ON HUMAN FLESH.

DR. B. J. Kendall & Co., GENTS:—Sample of circular received to-day. Please send me some with no matter printed on one side to serve. The Kendall's Spavin Cure is in excellent demand with us, and not only for animals, but for human ailments also. Mr. Jos. Vance, one of the leading farmers of our county, applied it to his badly, and knows the value of the remedy for horses, tried it on himself, and it did far more than he expected. Cured the pain in very short order.

Yours respectfully, C. O. THOMAS.
