THE COLUMBIAN.

U. S. OFFICIAL PAPER.

NEWS DROPS.

Lots of ships are going up the river.

Mrs. Giltner will not come home till spring.

John Beegle carries the mail for $250 per year.

It is said the Muckles have $30,000 out in debts.

H. M. Spencer has been teaching school in Vernonia.

Capt. Habersham is around looking after Government work.

The Milton depot is located on Captain Lemont's claim.

It is rumored great things will transpire near here next spring.

Mr. Fisk is very anxious about his horses in the upper country.

Mrs. Dennison has a young daughter lately born on Whidby Island.

Dell Farnsworth has caught a *minnow* at last. He is well married.

Mr. Richardson informs us work has recommenced on the revetment.

Rev. Mr. Brown came out, and staid at our residence last week all night.

Keady has been elected Speaker of the House in the Oregon Legislature.

Eugene Whitney's arm remains crooked, and his father fears it will never be straight again.

An old lady, Mrs. Tupper, lately died at Scappoose. Rev. Mr. Brown attended the funeral.

It is expected Flagg will go into Cleveland's cabinet. We don't mean by this chest of drawers.

The mill does not even run now, so there is no chance for the Muckles to saw out any more abilities

The mist has a portrait of Dr. Burchard, if it had its own, it would have a span of mules on exhibition.

It is reported Dr. Stewart has lost a hundred horses. We are unable to learn the truth of the report.

Capt. Isaac Thomas met with quite an accident on the Steamer *Lucca Mason*, but happily was not killed.

John Edmonds is up and around again. It appears his wounds were not very dangerous. He, at least, was lucky.

The principal business in St. Helen is attending to the mail. Every few hours a mail comes in and another goes out.

They have found the mist don't pay. It requires something more solid, though for solid stupidity it carries the palm.

We have two hundred dollars of taxes to pay, and want those owing us on the paper to come out with the spondulics.

Mr. Aaron Broyles is troubled by legions of tramps. Mrs. Broyles, who is 73 years old is just worn out cooking for them.

The Milton depot is to be removed to the road between Columbia City and St Helen and away from Broyles' and Milton Creek.

We have received numerous public documents from Senator Dolph and Congressman George. They will please accept our thanks.

We guess the Muckles have found that trying their freud on Major Adams was like catching a Tartar, and honesty is the best policy.

We have received a matrimonial paper called *Heart and Hand*. It contains a map of matrimony. It originates in Chicago, Illinois

The mist was going to freeze us out too quick, but we still live, and the mist gets no stronger unless it does the same way old cheese does.

The Muckles get well ventilated. Charley had better pay that other $25 to Joe Harris or he may hear of something to his advantage.

We have received so many books and papers if we noticed all we could do nothing else, but puff, and should turn into a veritable puff-ball.

Mr. Asa Richardson was born in Ulster Co., New York. His father was a glass blower, and at one time lived in Keene, New Hampshire.

The latest dodge of the mist is to get out a supplement, and call it the Columbia Mist, so as to make it appear to outsiders as emenating from the COLUMBIAN.

The most successful Remedy ever discovered as it is certain in its effects and does not blister. READ PROOF BELOW.

ST. CHARLES, ARK., Aug. 13, 1883.

DR. B. J. KENDALL & CO., GENTS:—I take pleasure in informing you that I used nearly all of the bottles of Kendall's Spavin Cure that you sent me from St. Louis, according to directions, and to my satisfaction (and I must say to my surprise) in about two weeks my mare was entirely well of her lameness caused by a bone spavin of over one year's standing and in three weeks time the swelling was all gone and the mare is now entirely well and can trot as well as ever. I consider the bottle of Kendall's Spavin Cure worth to me $150.00 as the animal was worthless as she was on three legs and could scarcely get around on them and now she is the finest buggy animal in these parts and with the consent of the cattle after curing the mare I have nearly cured a severe corn on the ball of my big toe that has given me great pain for two or three years. I have only applied Kendall's Spavin Cure four times and the corn now is nearly off by the roots and without any pain. In short I think it is the best liniment that is in use. I have Kendall's Treatise on the Horse and his Diseases and I would not take any money for it if I could not get another. Hoping you great success I remain

Yours respectfully, R. C. MARTIN.

KENDALL'S SPAVINE CURE ON HUMAN FLESH.

VEVAY, IND., Aug. 12, 1881.

DR. B. J. Kendall & Co., GENTS:—Samples of circulars received to-day. Please send me some with my imprint printed on one side only. The Kendall's Spavin Cure is an excellent liniment with us, and not only for animals, but for human ailments also. Mr. Joe Voris, one of the leading farmers of our county, sprained an ankle badly, and knowing the value of the remedy for horses, tried it on himself, and it did much better than he expected. Cured the pain in very short order.

Yours respectfully,
