Local News.

Wm. H. Vanderbilt the richest man in the World has passed in his checks this time sure.

Dr. Davis, & Le Cherey, will purchase Indian relics, specimens, furs, furs, and will pay a good cash price for the same.

In another column will be found a notice, asking for the whereabouts of Aaron Reynolds anyone knowing the same will confer a favor by sending to the COLUMBIAN.

We saw Mr. Larsen in town the first part of this week, he was in search of the Sheriff. He said that there had been a robbery committed at Scappoose; a gold and silver watch had been stolen, also a small amount of money.

Last week Sunday Mr. Sewell had the misfortune to lose his boat, (he)ven dollars in money and his watch stolen. They were stolen by a young Greek who had been stopping with him. This week Tuesday, the boat was found; he had taken it up Scappoose. Mr. Sewell went to Portland to see if he could find anything of the fine fellow but instead found that he was a little to late again. Mr. Crouse had been to the man whom Sewell had sold fish to, and had drawn an order upon them and had taken all the money due Sewell, and left for parts unknown. Such is the history of the Greek.

New Goods—Cash System.

We are informed that new goods will soon be opened at Mr. Mehlhiff's store, bought for cash and to be sold for cash. Mr. Mehlhiff thinks he will be able to sell goods on a strictly cash system, and he thinks buyers will find it to their advantage to trade in St. Helens instead of going to Portland.
