Local News.

Fine winter for Stock.

Many indications of better times in the Spring.

Dr. A. B. Adams has been in Portland this week, he has some twenty patients there.

We learn that Mr Cole and his bride have gone to the Sound to spend their honeymoon.

Dr. Davis, of La Centre, will purchase Indian relics—especially rare ones, and will pay a good cash price for the same.

Many say the Winter weather has passed and that we will have no more cold weather this Year we hope so.

Those wishing Medicated baths should call upon Dr. Surman of Portland as he is the leading man the City in that line.

Upon New Years day we were presented by Hon. G. W. McBride, a full bloom rose that came from his garden that morning.

We have been away most of this week and therefore many letters that would otherwise be in the paper are left out will try and do better next time.

We met a gentleman upon the Lucea Mason on our way from Portland who had just come from Scotland, he thought he could be well pleased with this Country, glad to see new comers.

This week Monday, Mr Fish of Scappoose had taken up from his ranch to Portland, upon the Steamer Rodney a lively domestic, he views them up to get them to the heads of the Steamer.

New Goods—Cash System.

We are informed that new goods will soon be opened at Mr. McBride's store, bought for cash and to be sold for cash. Mr. McBride thinks he will be able to sell goods on a strictly cash system, so low that buyers will find it to their advantage to trade in St. Helens instead of going to Portland.

A GIFT Send 10 cents postage and we will mail you FREE a royal, valuable, sample box of goods that will put you in the way of making MORE MONEY at anything else in America. Both sexes of all ages can live at home and work in spare time or all the time. Capital not required. We will start you. Immense pay sure for those who start at once. STINSON & Co., Portland, Maine.
