Also a full stock of family groceries and provisions. Everything kept neat and clean and in first-class style. They also keep a full stock of imported and domestic cigars and the best supply of tobacco in town. Everybody invited to call and examine our stock before purchasing elsewhere. School books and school supplies a specialty.

SERVED HIM RIGHT.—A soap peddler arrived in this city from Salem last Saturday, and he at once commenced making arrangements to sell his worthless goods on our streets. But there was one thing that seemed to bother him, and that was the city charged a fee of $10 for all street hawkers, but the said soap peddler was equal to the emergency and escaped the tax by claiming that he was subject to a nameless disease. In the evening a crowd gathered to hear him talk, but before the crowd had got really interested, a shower of eggs greeted the individual, one hitting him squarely in the face, when he got angry and used some very indecent language, and was arrested and gave bonds to appear Monday morning, but instead of waiting he packed his valise and left for Southern Oregon via the O.& C. R. R. ties. We hope the people of Southern Oregon will give him a warm reception, as he is one of the worst bilks that ever infested Oregon.—Eugene City Guard.

WOMAN SUFFRAGE RALLY.—The Woman Suffrage Association has secured the services of Rev. Henry Ward Beecher, who will deliver a lecture under its auspices next Thursday evening. The subject will be "The Reign of the Common People"—by no means excluding woman. This will be the great orator's last appearance before an Oregon audience. In order that everybody may attend the rally, the admission price has been placed at 50 cents, with 25 cents extra for reserved seats. The O. R. & N, and O. & C. R. R. Co.'s will issue excursion tickets at the usual discount of 40 per cent. to all who wish to attend the rally from points outside the city. —Standard.

THE TERROR BELT.—The Terror Engine Fire Co. No. 1 received their new belts Wednesday. They are exceedingly neat and reflects great credit on its manufacturers for their taste and workmanship. The officers belts are red, on which are the following inscriptions in large, white letters: "Foreman," "First Assistant," and "Second Assistant." The privates belt is black in the main with red background on which the word "Terror" appears in raised, white letters. In front is the figure "1" in white and is also raised. The company's uniform is now complete, and as soon as the engine and hose carriage arrives will be ready for business.

M. E. CHURCH APPOINTMENT.—Rev. Wallace Hurlburt has been appointed to take charge of the Dallas circuit, by the recent conference of the M. E. church, held at Vancouver, W. T. Mr. Hurlburt is a good speaker, a great worker, and will doubtless give general satisfaction. We are glad to welcome him to a home among us. Yet we would not forget the services of Rev. C. Alderson, who is appointed to another charge.

DRUNK ARRESTED.—John Jordan was arrested on last Sunday, on a charge of being drunk and disorderly. He was tried before City Recorder Holman, was convicted, and a fine of $10 and costs was assessed against him. But while the recorder was consulting a few minutes in regard to the fine the prisoner stepped outside of the court room. When the marshal came to look for him, lo! where was he? Echo answers where.

ACCIDENTALLY SHOT.—Last Sunday afternoon, while two sons of Mr. E. B. Nichols, recently from Prineville, who is camped on Patterson's Island, were out hunting, one of the boys accidentally shot the other, who is about twelve years old, through the fleshy part of the right arm with a Henry rifle. Luckily no bones were broken. Dr. Patterson was called and dressed the wound, and says the little fellow is doing as well as could be expected under the circumstances. It was a very narrow escape from death. —Guard.

VERY RICH.—Roseburg Independent: "Will Q. Brown, Superintendent of the Nickle mine, near Riddle, in this county, has just returned from San Francisco, where he had a quantity of ore smelted and reduced. He exhibited to us a bar of the metal, which is entirely pure and free from any and all conglomerates. The yield was fully up to what was expected and the freedom of the ore from other metals renders it more easily reduced than ore from most other mines. The numerous uses to which this metal is being put and the large quantity of ore at the mine, make it one of the richest mines on the coast.

MEETING OF THE FIRE COMPANY.

The Terror Engine Fire Co. No. 1 held a special meeting Wednesday evening in their hall, the proceedings of which have been kindly furnished us by the secretary of the company, as follows:

To arrange ways and means to secure a hose carriage and distribute the belts.

The meeting was called to order by the president, B. M. Smith, and the secretary called the roll, there being eleven absent.

After hearing several speeches in regard to the advisability of getting a hose carriage, John E. Woods made the following motion: "That a warrant be drawn on treasurer for $130 in favor of B. M. Smith." Motion amended to read in favor of B. M. Smith, J. E. Woods, J. C. Shultz, F. M. Collins, and Bart Constable, and carried as amended, the above tendering their names as security for the amount ordered drawn.

Motion by U. S. Grant that note be ordered drawn, payable on or before twelve months, at 10 per cent. per annum interest, and it was so ordered.

Motion made and carried that warrant be drawn on the treasurer for the sum of $54 90 as payment to J. J. Dubrull, Albany, for three dozen belts, in favor of the secretary.

Motion by U. M. Cosper that rules of company be suspended to take in consideration a proposition for membership, lost.

Motion that meeting adjourn and so ordered. J. W. CRIDER, Secretary.

APPLEGATE'S FARM SOLD.—Lindsay Applegate has sold his fine farm of about 155 acres, lying partially within the town limits of Ashland. The price is $10,000, and Mr. Appelgate reserves 1½ acres, including his residence. The farm is a good one, agriculturally speaking, and in its location and topography is admirably adapted for building lots. We suppose it will be surveyed into town lots which will be put upon the market soon, but have not had any authoritative information in the matter. The ground is level and the soil productive, and there is room for many a pleasant home, each with a good fruit and vegetable garden, on the farm.—Ashland Tidings.

FEARS OF FOUL PLAY.—Mr. J. J. Wagner, who formerly lived at Drain, sold all his property there last spring and put the proceeds into stock, which he took to the front and sold, intending to engage in the business of buying stock and selling to the railroad company. After he sold his stock he started south and was last heard from at Wolf creek, when all trace of him or his effects was lost. This was about the middle of April and fears are entertained that he was murdered for his money. His family is at Drain, and any information regarding the missing husband will be thankfully received by Mrs. Wagner.—Plaindealer.

THE JUSTICE CASE.—From the Ashland Tidings we learn that the counsel for the defense in the case of John Justice, of Jackson county, who was sentenced to be hanged, have succeeded in getting a stay of proceedings, and will appeal to the Supreme Court for a new trial. It does seem that when a criminal has had a fair trial before an intelligent jury and has been convicted of the crime of murder, unless there shall arise some new testimony, the attorneys ought to be willing to let justice be done, and the law vindicated; but it seems they are not. No doubt on some trivial technicality a new trial will be granted, and perhaps the criminal will be set free.

BLACKMAILING.—From the Yamhill Reporter we learn that McMinnville has among its citizens a blackmailing viper in human shape who is in the habit of writing anonymous letters and sending them through the neighborhood to stir up trouble. McMinnville is not the only place that is cursed with these vile human buzzards who live on social carrion and attempt to vomit it upon every one who comes near them. A man or woman who can stoop to engage in such fiendish employment ought to be confined in a menagarie of jackals and rattlesnakes, and allowed to enjoy the company of objects of their own ilk.

MELON STEALING.—It seems that McMinnville is cursed with young hoodlums who think it smart to steal watermelons. We learn from the Reporter that Mr. W. F. Newby has had his premises raided by this lawless class of young scoundrels untill he made up his mind to guard the melons. He was rewarded by catching one of the boys who informed on the others in order to escape himself. Mr. Newby gives notice that he intends to save his melons at the muzzle of his shot gun. He has worked hard to raise his melons, and intends to have the good of them.

NOAH'S ARK.—A Turkish paper comes to the front with an account of the discovery of the orignal Noah's Ark, in a glacier, on Mt. Ararat, by some French explorers, a short time since. The Ark is reported to be in a good state of preservation and to conform to the Mosais description. The Statesman thinks that it is only a wonder that Mark Twain did not make the discovery while visiting the Holy Land. As a Yankie is negotiating for its purchase we will doubtless have the privilege of seeing the thing soon—perhaps.

CONCENTRATED MEANNESS.—We learn from the Silverton Appeal that the brute in human shape does actually exist who is mean enough to steal sacked wheat from a widow woman who lives near Silverton. The lady's name is Davis, and the wheat had been threshed and sacked ready to haul away to market. The man's tracks and those of his team were found near the wheat pile, and it is to be hoped he will be traced up and given his just deserts.

A Boy Wanted

I am in need of a bright intelligent and active boy, with good habits, from 14 to 17 years old, to learn the printing business. No boy need apply unless he intends to stay and serve an apprenticeship. Such a boy as described can have a first class opportunity by calling at the ITEMIZER office in Dallas.

SENSIBLE MEN and women know ere this that of the many diseases and derangements of the body each has a separate cause or origin, and that each needs a different method of treatment in order to effect a cure, and a moment's reflection must convince that any of the quack nostrums foisted upon the public claiming to cure all of a number of diametrically different diseases must prove failures, even if we do not call them humbugs.

POOR PEOPLE and people of moderate means, and even people well to do or wealthy find that the EXORBITANT CHARGES of practising physicians are a serious burden to them, and also find that after paying themselves poor that no benefit has accrued to them, that in fact they have thrown their money away. To overcome these evils we offer WHEELER'S No. 96 SURE REMEDIES to the sick and suffering ONE REMEDY for each disease, without for a moment claiming that one remedy will cure any other disease than the one claimed for it, and as these remedies have stood the test of years without a single failure, we agree to refund the money paid in every instance where a cure is not positively effected. The remedies are entirely vegetable, can do no harm, and will positively cure every disease for which the are prescribed.

RHEUMATISM, Gout, Lameness of Joints, Sciatica, and Neuralgia are relieved at once and positively cured by the use of Wheeler's No. 96 Rheumatic Remedy. We say boldly that in the worst of cases of Rheumatism, no matter how long standing, how serious, or how painful, we can not only give relief but positively cure for all time. Failing to do this we will positively refund the money paid for the treatment, and if your sufferings are not positively stopped for all time you have not thrown your money away as you would on any other than these guaranteed remedies. The price of Wheeler's No. 96 Rheumatic Remedy is only 50 cents, obtainable from druggists or sent free by mail on receipt of price. Stamps taken.

SUFFERING WOMEN. Many a lady endowed by nature with a pretty face, beautiful figure, faultless complexion, as well as the sweetest of tempers and faultless mental qualities grows prematurely old, gray and wrinkled, her form loses its perfect contour, the complexion becomes sallow, the brightness leaves the eye, a feeling of languor takes the place of the once buoyant spirits, an irritable nervous fractiousness makes life a burden, things that once were trifles worry her till life becomes unbearable. All this being caused by the physical derangements so common to women, which the innate modesty of female nature prevents their making known, and of which the ignorance of the medical profession prevents a cure. Lady reader, pause and consider, 'tis a duty you owe yourself, your family and your God, that you should cure yourself of these troubles and once more feel the glow of perfect health and spirits that nature intend for you. Wheeler's No. 96 Prescriptions are pleasant and palatable to take, contain nothing of an injurious nature, and may be taken by all ages at all times and in all conditions without possibility of ill effects, and will positively cure any of the peculiar diseases to which females are subject. Failing to produce a perfect cure the proprietors will refund the money paid for the treatment. If you have a sallow complexion, constant or intermittant headaches, backache, restlessness, loss of appetite, suppressions of monthly flow, or irregularities thereof accompanied by headaches, nervousness, hysterics and similar symptoms, Wheeler's No. 96 Prescription "B" will positively restore you to health. If you have a sensation of heat and throbbing in the back, frequent fainting spells, Leucorrhea or white discharge, painful or scalding sensation in urinating, reddish or white deposit in urine, hot and dry skin, Wheeler's No. 96 Prescription "C" will give immediate and lasting relief. The price of Wheeler's 96 Prescriptions "B" and "C" are 50 cents each, obtainable from druggists or sent by mail secure from observation, post paid, on receipt of price. Postage stamps taken.

CATARRH. It is needless to describe the symptoms of this nauseous disease that is sapping the life and strength of only too many of the fairest and best of both sexes, old and young, suffering alike from the poisonous dripping in the throat, the poisonous nasal discharges, fetid breath and general weakness, debility and languor aside from the acute sufferings of this disease, which if not checked can only end in loss of palate, hoarseness, weakened sight, loss of memory, deafness, and premature death if not checked before it is too late. Labor, study and research in America, Europe and Eastern lands have resulted in Wheeler's No. 96 Instant Relief and Sure Cure for Catarrh, a remedy which contains no harmful ingredients, and that is guaranteed to cure every case of acute or chronic catarrh or money refunded. Wheeler's No. 96 Instant Relief and Sure Cure for Catarrh will cure every case of catarrh, hay fever or asthma, price $1.00 per package, from druggists or sent by mail post paid on receipt of price.

Wheeler's No. 96 Sure Cure for Kidney and Liver Troubles cures all weakness and soreness of kidneys, inflamation of kidneys or liver, price $1.00.

Wheeler's Vegetable Pills are the only remedy that cure constipation, giving natural action to the bowels without physicing, purging, griping or pain. Price 25 cents, of druggists or by mail.

Wheeler's Nervine Tonic for mental depression, loss of Manhood, languor, weakness or over taxation of the brain is invaluable, price 25 cents.

WE GUARANTEE Cures in every case or will refund money paid. We place our price for these remedies at less than one-twentieth of the price asked by others for remedies upon which you take all the chances, and we specially invite the patronage of the many persons who have tried other remedies without effect or depleted their purses by paying doctor bills that benefitted them not.

HOW TO OBTAIN these remedies. Go to your druggist and ask for them. If they have not got them, write at once to the proprietors, enclosing the price in money or stamps, and they will be sent you at once by mail, post paid. Correspondence solicited. Address plainly

Foo Choo's Balsam of Shark's Oil

Positively Restores the Hearing and is the only Asolute Cure for Deafness Known.

This Oil is abstracted from peculiar species of small **White Shark,** caught in the Yellow Sea, known as CARCHARODON RONDELETII. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddhist Priest about the year 1410. Its cures are so numerous and **many so seemingly miraculous,** that the remedy was officially proclaimed over the entire Empire. Its use became so universal that for **over 300 years no Deafness has existed among the Chinese people.** Sent, charges prepaid, to any address at $1.00 per bottle.

Hear What the Deaf Say.

It has performed a miracle in my case.
I have no unearthly noises in my head and hear much better.
I have been greatly benefited.
My deafness helped a great deal—think another bottle will cure me.
My hearing is much benefited.
I have received untold benefit.
My hearing is improving.
It is giving good satisfaction.
Have been greatly benefited, and am rejoiced that I saw the notice of it.

"Its virtues are TESTIMONIALS and its CURATIVE CHARACTER ABSOLUTE, AS THE WRITER CAN PERSONALLY TESTIFY, BOTH FROM EXPERIENCE AND OBSERVATION. Write at once to HAYLOCK & JENNEY, 7 Dey Street, New York, enclosing $1.00, and you will receive by return a remedy that will enable you to hear like anybody else, and whose curative effects will be permanent.
