PRESS COMMENT.

Failing to be re nominated for governor, Bush and Lord will make a sly move to dump Lord onto the supreme bench again. Judge Moore's friends won't have this. The people don't want it. And those things which the people don't want it would be well for republican conventions to steer clear of.—Salem Sentinel.

Picture if you can: Joe Simon, whose political crookedness has been the byword of Oregonians for more than a score of years, refusing, from high and exalted principle, to affiliate with George H. Williams! As well think of Simon Magus refusing, on principle, to affiliate with Saint Peter.—Crook County Journal.

Mr. Corbett will not be seated as senator from Oregon. He was not the choice of the people of this state and his rejection will be no disappointment here. It is believed by many that Corbett's money had much to do with the holdup last winter, and the people are opposed to corruption in politics. There was no demand on the part of the people for Corbett's selection and outside of a few close political friends no one will grieve over the report of the senate committee. Corbett is an able man, and would, no doubt have made a fair official, but he would have had to labor without the support of his own state had he been seated.—E. O. Republican.

The Sumpter News (populist) published the manifesto of the demo-popocratic council recently held in Portland, under the head, "Pie-Hunters in Council," and added the following comment: "Just how they are going to work it, 'to agree upon the same principles' without the democrats endorsing the Omaha platform or the populists endorsing free trade does not appear in the case."—E. O. Republican.

The United States senate has refused to seat H. W. Corbett. Whether right or wrong, it is now possible for eleven men in the senate to prevent state representation in the upper house of national congress.—Junction City Times.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. Cheney & Co., Toledo, O. Sold by druggists, 75c.

GRANT COUNTY NEWS.

From the Eagle.

Mark Boyd, who held cases in this office several weeks last summer, is at present employed on the Athens Press.

J. D. Combs came over from John Day early this week interviewing the voters. Mr. Combs is a candidate for the nomination of sheriff on the republican ticket.

J. B. Boyd, for two years a resident of this city, is now employed as night clerk in Hotel Warshauer, the leading hotel of Baker City. J. B. is a capable and obliging young man, and will, no doubt, fill his new position with credit.

The Surprise of All.

Mr. James Jones of the drug firm of Jones & Son, Cowden, Ill., in speaking of Dr. King's New Discovery, says that last winter his wife was attacked with la grippe, and her case grew so serious that physicians at Cowden and Pana could do nothing for her. It seemed to develop into hasty consumption. Having Dr. King's New Discovery in store, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from first dose, and half dozen dollar bottles cured her sound and well. Dr. King's New Discovery for consumption, coughs and colds is guaranteed to do this good work. Try it. Free trial bottles at Slocum Drug Co's, E. J. Slocum, m'gr.

An attempt to rob the Citizens National bank on the East Side, Portland, was frustrated by the cashier, A. W. Lambert, on last Thursday. The robber was not only met face to face with a "gun" in the hands of Mr. Lambert, but was shot at, but the banker aimed too high and missed. In the same building about four years ago Preacher Reed attempted to hold up the cashier of the First National bank but failed.

A Sure Thing for You.

A transaction in which you cannot lose is a sure thing. Biliousness, sick headache, furred tongue, fever, piles and a thousand other ills are caused by constipation and sluggish liver. Cascarets Candy Cathartic, the wonderful new liver stimulant and intestinal tonic are by all druggists guaranteed to cure or money refunded. C. C. C. are a sure thing. Try a box to-day; 10c., 25c., 50c. Sample and booklet free. See our big ad.

Rural Spirit: The Oregon sprinter I Don't Know has got into trouble again. At Oakland last Monday he was a 4 to 5 favorite in a field of ordinary horses, and A. Moore, his rider, managed by a long pull and a strong pull to land him in third position. Moore was suspended and Reed ordered to find other quarters for his horse.

J. A. Perkins, of Antiquity, O., was for thirty years needlessly tortured by physicians for the cure of eczema. He was quickly cured by using DeWitt's Witch Hazel salve, the famous healing salve for piles and skin diseases. Conser & Brock. *
