The Heppner Gazette

Published Thursday of each week at Heppner, Oregon.

Warnock & Mitchell.

Entered at the Postoffice at Heppner, Oregon, as second class matter.

THURSDAY, . . . Sept. 4, 1902

Heppner is looking up as a wheat market. Farmers will do well to investigate this.

Morrow county is rich in agricultural resources, stock and minerals, and has a bright future.

And now the negroes of South Carolina are going to vote the Democratic ticket. It's a sure thing that there will not be any election riots.

The GAZETTE next week hopes to be able to furnish some interesting news in relation to the great coal discovery of the Heppner Railroad & Coal Co.

The development of the Heppner Railroad & Coal Co's mines will be an epoch making period in the history of Morrow county. That these valuable mines will be developed is now a positive fact.

Secretary of State Dunbar has refused to pay the reward claimed by Mrs. Waggoner for the return of Merrill's body. Mrs. Waggoner was out $300 in delivering the body and has not received a cent. The state should not pay any unjust claims, nor should a stingy disposition be shown. Mrs. Waggoner ought to be paid.

With the next issue of the GAZETTE there will be a change in the size and makeup of the paper. The GAZETTE hereafter will appear as an eight page five column paper, all home print and will be a Heppner production in every particular. With the large increase of advertising patronage, we must have more room in the paper for news. New material has already been ordered for the change and the paper will be improved in mechanical appearance. We hope to please our readers in keeping up with the march of progress.

It is certainly with much regret that the people of Morrow county will read in this issue of the GAZETTE, the farewell notice of Hon. J. W. Morrow. For years, identified with Morrow county interests, by faithful work, and naturally with a philanthropic spirit, he has been a power in helping to build up the county. Such men are valuable to any community. In politics Mr. Morrow has always been an uncompromising Democrat, but in a strong Republican county he has been honored with a seat in the upper house of the Oregon legislature, and four consecutive terms in the county clerk's office. The man towered above politics. Mr. Morrow comes from a family whose name will stand forever as a monument to integrity and enterprise. With his estimable family they will go to Portland to reside, and their departure will cause a feeling of much regret by the people of this county.

Marriage of Wm. L. Saling and Miss Mattie Stroud.

The Chronicle announced yesterday that a marriage license had been granted to Wm. L. Saling, of Heppner, and Miss Mattie Stroud, daughter of Mrs. Maggie Stroud, of this city, and that the wedding would take place last evening.

At 6 o'clock at the family home on Ninth street, Rev. D. V. Poling performed the ceremony which united in marriage this very worthy couple. Aside from J. H. Ackerman, who is a personal friend of the groom, and acted as best man, none were present except the immediate members of the family. The bride was attired in white organdie and carried white carnations.

Following the ceremony, light refreshments were served.

While Dalles people are but slightly acquainted with the groom, he is one of the most popular men in Morrow county, and has held responsible positions in various towns of that county, being at present county assessor. He was at one time superintendent of schools and has also been principal of the Sumpter and Heppner schools. That Miss Stroud has made no mistake in accepting such a worthy gentleman for a life partner her friends feel assured.

Those of us who know Miss Stroud have every reason to believe that he is a man of excellent judgment, for nowhere could he find a truer, more perfect type of womanhood. Miss Stroud has been brought up in The Dalles and is a lovely character, just suited to make a model helpmate.

Mr. and Mrs. Saling will spend a week in The Dalles before leaving for their home in Heppner.—The Dalles Chronicle.

Mr. and Mrs. Saling will be welcomed home by the people of Heppner. They are both worthy and highly respected people and have the best wishes of all.

Public School Opens Monday.

Public school will open next Monday, with Prof. O. S. Reid principal, and Miss May Bailey, of the high school, Miss Kate Steeves, of the 6th and 8th grades, Miss Ethel Reid, of the 7th grade, Miss Mollie Johnson, of the 4th and 5th grades, Miss Grace Tullard of the 3d grade, Miss A. A. Mathews of the 2nd grade, and Miss Lina Graham of the 1st grade.

The importance of early entrance is realized by the patrons of the public schools and a good attendance is expected at the opening.

With Prof. Reid at the helm and the able assistants, the former high standard of the Heppner schools will be maintained. Heppner is justly proud of her school facilities, and many people from the outside move here during the school season to take advantage of the splendid opportunities offered in educational matters.

Better Fire Protection.

The Light and Water Company is now engaged in putting in the new hydrants ordered by the city council some time ago. There will be three new standard hydrants and 11 fire plugs distributed over the city, as designated by the committee on streets and public property. Heppner has a good water system and with the addition of the new hydrants the city will be well protected against fire. This will make 28 hydrants in the city.

MARRIED.

VAN WINKLE—NEAL.—At the residence of the bride's parents in this city, Sunday, August 31st, 1902, Mr. Clarence VanWinkle and Miss Millie A. Neal, Rev. H. L. Beightol officiating.

Mr. Victor Phelps acted as best man and Miss Ombra Neal as bridesmaid.

After the ceremony an elegant supper was served. Those present were: Mr. and Mrs. O. F. Neal, Mr. and Mrs. G. W. Wells, Mrs. Van Winkle, Miss Mary Van Winkle, Miss Mary Hiatt, Mrs. Wm. Hatten, Oscar Neal, Clifford Neal, Alvin Wade.

Mr. and Mrs. Van Winkle were the recipients of many nice presents.

W. L. Houston went to Lone, yesterday.

Mrs. R. C. Wills was a passenger yesterday for Lafirande.

W. W. Lipsett was a passenger yesterday for Hot Lake. He will be gone a week.

Uncle Elias Cox and wife were passengers yesterday morning for their home in the Willamette valley.

The regular meeting of the city council was postponed Monday evening owing to the absence of a quorum.

E. L. Freeland, assistant cashier at the First National bank, returned yesterday evening from a visit to Seattle and Portland.

Miss Pauline Reno arrived in the city Monday evening from The Dalles. Miss Reno will take charge of the millinery department at The Fair.

James Johnson and A. L. Cornett left yesterday afternoon with a load of supplies for their cattle ranges in the John Day country. They will gather up a herd of beef cattle.

The parties who "swiped" the following photographs from my studio will save their names appearing in these columns by returning the same. Viz: Jas. Frye and Ed. Martin—Ed. Martin, bust, Jas. Frye and Chas. O'Neal. Others take warning as I will not give an opportunity to return any stolen pictures. M. B. Galloway.

There was a general exodus of people from Heppner and surrounding country for the Elks' carnival at Portland, yesterday. The train had the appearance of a big excursion. Agent Kernan was a busy man in making out tickets. Among the passengers were the following: Mr. and Mrs. P. C. Creswell, Mrs. Phil Metschan and child, Mr. and Mrs. Harry Jones and family, Mr. and Mrs. D. C. Justus and son Nelson, J. H. Kirkman and family, F. P. Vaughn and wife of Eight Mile, Oscar Borg, Fred King, E. Minor, A. J. Minor, Jerry Reed, Mr. and Mrs. Kenton, Asa Brannetter, T. H. Wilcox.

To the People of Morrow County.

Considerations of health and family impel me to seek a change of climate and temporarily to establish a home in another section of the state, but in leaving this county I desire to say this publicly that I go with most sincere regret. Here are the friends of a lifetime, glad witnesses of my successes and true sympathizers in my misfortunes; here I have done what I could to aid in the development of the country and here have I been honored for political preferment and public confidence.

The county bears the name of my honored father, who in eternal sleep rests now, beside my sainted mother in the vale of the Heppner hills, and wherever the future finds me, my heart will ever beat as one for those scenes and those people.

As I depart I know I leave many friends, God bless them, and I trust no enemies, and I take this method to extend to all the people, old and young, a kind farewell, and my highest hope for their prosperity.

J. W. Morrow.

S. T. Jones, Wichita, Kans.

It's a regular nerve lifter, a perfect blood builder. $1.00 a bottle. All druggists.

A Talk ..About Coffee..

There is nothing that is put on the table oftener than coffee, then of course, you want to make the best. That you can't do unless you use the best. We are agents for the celebrated

Heekin's Coffee

which is always reliable, carefully selected and blended. It contains more of the essential oil than any other coffee on the market. With the Kin Hee quick coffee pot and Kin Hee Mocha & Java coffee you can not fail to always have a good cup of coffee. The Kin Hee coffee pot is the cleanest and for health and sanitary reasons the best. The coffee needs no boiling. The best result is obtained from pulverized coffee. Why should you use pulverized coffee is a question best answered by another, why do you grind coffee at all before using it? Because

It takes 10 hours to extract the strength of the whole bean
" " 5 " " " " " if broken in half
" " 2½ " " " " " " quarters
" " 1 " " " " " coarse ground
" " ½ " " " " " medium "
" " 20 " " " " " fine "

None of the above have the natural flavor of the coffee but have a woody flavor.

Jas. Heekin & Co. High-grade Coffees "Always good" Cin O.

One minute with our pulverized Kin Hee Mocha and Java Coffee with our Kin Hee Quick Coffee pot, all of the natural flavor is retained.
