FRIDAY. : : : OCTOBER 4. 1872.

TOWN AND COUNTY.

BRIDGE LAW.—The following bill was introduced in the Lower House by Representative Barin Last Saturday. We hope the bill may become a law, and if our citizens do not desire to build the bridge, they can vote it down when the matter is submitted:

SECTION 1. That Article IV, of an Act entitled "An Act to incorporate Oregon City," passed January 17, 1859 be amended by the addition of a Section, to be numbered Section six (6).

SEC. 6. The City Council shall have power if authorized so to do by a majority of all the electors of said city at any election held for the purpose under the direction of the Council, to levy a special tax in addition to the authorized tax, to be collected by virtue of this Act, not exceeding one-half of one per centum per annum, for the purpose of constructing a wire suspension bridge across the Willamette river, from any point within the corporate limits of said city to the opposite bank; but public notice of such election, the object thereof and the amount required to build said bridge, shall be given, by publication in a weekly newspaper published at Oregon City and by posting copies of said notice in six (6) of the most public places in Oregon City for at least three weeks successively before the time of such election; *Provided*, that said tax shall not exceed in the aggregate the sum of thirty thousand dollars.

DIDN'T BITE.—Three Profs. residing in this vicinity, who having nothing else to do on Saturday last, undertook to display their talents in the fishing business; at one o'clock, after catching a supply of caterpillars and a few other innocent insects, fishing tackle in hand, they started for the raging Clackamas; after walking something less than five miles they brought up at a place where they supposed their "learned" talents would secure them an abundance of the finny tribe; baiting their hooks they commenced "dragging" the stream for their supposed treasure; but after two or three hours of fruitless waiting their patience gave way, as neither of them got a "bite," and they turned their faces for town, doubtless thinking that fishing was not their "forte." We sympathize with the finny tribe at having escaped the clutches of those learned gentlemen, and also with the Profs. for having such bad luck. Try again gentlemen.

ALMOST AN ITEM.—Last Monday afternoon as a Mr. Cutting we believe, was coming down the bluff grade with a load of lumber attached to two yoke of cattle, the brake gave way and the oxen began to run off with the wagon and driver and all; but they suddenly ran off the road striking the tongue against a stump and hanging the cattle on the lower side of the grade, by the bows when the driver procured an ax and chopped the cattle loose before they choked the wagon; no serious damage was done, however, and we were deprived of a first class item. We think persons had better lock their wagons before attempting to descend the bluff, as this is the second time in our recollection that a wagon has run away with a team on the road.

CIRCUS ARRESTED.—Wilson's Circus passed through town, a part on the cars and the rest on land, last Monday *en route* for the State Fair; but as our lawyers had a small claim (about $4.000) against them which they wanted adjusted they caused their arrest and detention here until Wednesday; when Deputy Sheriff Beatie allowed them to proceed to Salem in his company. In making the arrest, one of their teamsters drew a pistol on the Deputy Sheriff, for which he was required to deposit $200 as bail for his appearance at the ensuing October term of Circuit Court. This thing of resisting Officers is bad business.

MR. SLATER'S SPEECH.—Hon. Jas. H. Slater addressed a large audience at the Coffee House last Friday evening. We were not present to hear him but learn that he made a most excellent speech, giving ample reasons why Democrats and all patriots and lovers of their country should support Greeley in this election. The speech was received with applause and great enthusiasm prevailed. Wherever Mr. Slater has spoken we learn that his speeches have had good effect. Mr. S. proposes to make a thorough canvass of Eastern Oregon before he returns to Washington.

PASSED DOWN.—Hon. J. H. Mitchell, the newly elected Senator, passed down to Portland on the train last Sunday. A few admirers were at the depot when the cars arrived, and a faint three cheers was given in honor of this distinguished arrival. He might have selected some other time besides Sunday to make political harangues. It was bad taste to say the least.

BRIDGE MATTER.—Would it not be well for the County Commissioners, at their next session, to make arrangements toward building a bridge across the Clackamas? It is badly needed. Also the bridge across the Molalla should be built without delay. They are both needed and we hope the Commissioners will take the matter under consideration.

MASONIC.—On last Saturday evening an organization of Chinese Free Masons was affected in Myers Hall. We learn that they have their odes, grips, signs, and passwords the same as their white brothers. Not being of that race or persuasion we could not test or see the "performances," but can cite our Constable for the truthfulness of our statement.

PURCHASED A SAFE.—A large safe, weighing three thousand five hundred pounds, of Tilton & McFarland's improved patent, with double acting locks and coin vaults attached, was purchased in Portland last week by Mr. T. J. McCarver, Treasurer of Clackamas county for the use of his office in this city

MEAN.—Last Tuesday noon, after Mr. S. D. Pope had been fortunate enough to obtain a box of eggs, he left them sitting on the side walk in front of his store, when a couple of cows came along, and taking them for something to eat, devoured a large quantity of them before they were detected.

FLAG.—Maj. Thos. Charman was the bearer of a flag presented to the Republican state Central Committee by the Philadelphia Convention in honor of their victory last June. Maj. Charman presented the flag to Chas. Parish Chairman of said committee.

PERSONAL.—Hon. Jas. H. Slater, Congressman, and Hon. J. G. Wilson, the man that will be, were in town the latter part of last week. Mr. S. was looking after the interests of Greeley and Brown, and Mr. W. doubtless was counting "Full Pups."

FOR PRESIDENT.—Mr. A. Levy is not a candidate for President, but he is on hand with a large stock of Fall and Winter goods. He claims to have the largest stock he has ever before had in this market. Give him a call at the old stand, Main Street.

PUBLIC DOCS.—Hon. Jas. K Kelly has our thanks for public docs. It takes three large volumes to relate the rascalities of Grant and Tom Murphy, Leet and Stocking, and other lesser partners in the New York Custom House frauds.

NEW GOODS.—Thos. Charman, Chas. Caufield, S. Ackerman and John Myers have been receiving new goods the last few weeks, and have a full stock of the latest styles of Fall and Winter goods on hand.

J. D McGowan, photographer, Oregon City, is going to leave on the 15th of October. Now is the time, before he goes, to get pictures; he has reduced the price of photographs to $3 per dozen.

SOCIAL DANCE.—There will be a social dance at Myers' Hall next Tuesday evening. Good music from Portland has been secured. The public are coadially invited to attend and participate.

LEFT FOR THE EAST.—Al. White, son of Col. W. L. White, of this city, left on the steamer which sailed from Portland last Friday, for Arkansas to visit relatives, where he expects to remain for sometime.

RETURNED.—We were glad to notice the happy and smiling face of Miss Nora Moss on our streets last Sunday. She returned home from a long visit to Boise City last Saturday.

MARRIED.—At the residence of the bride's mother, in Oregon City, Sept. 25, 1872, by Rev. Geo. W. Izer, Mr. John W. Meldrum and Miss Georgie Pope—all of this city.

PETER'S MUSICAL MONTHLY.—The October number of this most excellent publication may be found at Mr. Fleming's book store. It is a splendid number.

MUSIC.—The Oregon City Brass Band discoursed music for the speaking at the Court House last Friday evening. This Band is second to none in the State.

MARRIED.—In Canemah, October 1st by Rev. E. Gerry, Mr. Edward S. Elliot and Miss Margaret Striekler, all of Canemah, Clackamas county, Oregon.

IN TOWN.—Senator Myers paid a flying visit home last Sunday. Representative Barin also came down last Saturday and remained till Monday.

RELIGIOUS.—Rev. Geo. Chandler will preach in the Baptist church next Sunday morning at the usual hour for morning services.

PEACHES.—This article can be had at the Lincoln Bakery, together with anything else in the produce line.

PRISONERS.—There are two prisoners confined in the county jail for larceny and one for assault and battery.

COUNCIL.—Regular monthly meeting of the Council will be held next Monday evening.

COUNTY COURT.—The October term of the County Court convenes next Monday

GOODS.—Mr. I. Selling has just received his fall and winter stock of goods.

Hon. Jas. K. Kelly was in town last Tuesday and Wednesday.

NEW SUBS.—Thanks to Mr. M. H. Jackson for new subs.

EXPERT.—U. E. Hicks, Esq., has been appointed Expert to measure the printing done by the State Printer. Mr. H. is a practical printer, understands the law relative to public work, and we have no doubt if the gross charges which have been made by the Radicals are true, will be exposed by him. From what we know of the matter, these charges have been made more on account of a personal feeling against the State Printer, than with a view of justice. If there has been a wrong committed, we hope it will be checked.

BOUGHT.—We learn that the high-toned Brigadier General O. F. Bell, who has been so nicely abused by the Radical press of Oregon, has been bought over by Radicals with the office of Deputy Clerk of Multnomah county. They paid full price for the little man. The Radicals don't eat crow when they can get a renegade Democrat. Not much.

NEW PRESIDENT.—Five months from to-day Hon. Horace Greeley will be inaugurated President of these United States. Then will a new era dawn upon this now disgraced republic. The reign of "peace and good will to man" is near at hand. Let us once more be ruled by a statesman.

Mr. Wilkins, President of the State Agricultural Society, informs the editor of the *Mercury* that from present appearances the exhibition of blooded stock will be greater this year than ever before.

Public Speaking.

Geo. R. Helm, of the Democratic Electoral Ticket, will address the people of Eastern Oregon on political questions at the following times and places:

Pendleton, Wednesday, October 2d, at 1 o'clock p. m.
Weston, Thursday, October 3d, at 1 o'clock p. m.
La Grande Saturday, October 5th, at 1 o'clock p. m.
The Dove, Monday, October 7th, at night.
Union Town, Tuesday, October 8th, at 1 o'clock p. m.
Baker City, Wednesday, October 9th, at 1 o'clock p. m.
El Dorado, Thursday, October 10, at night.

The Hon. J. F. Gazley, the Hon. W. D. Hare, or the Hon. A. B. Meacham, Grant Electors, can join me in discussion if they desire.

Telegraphic News.

ROME, Sept. 28.—The negotiations between the Holy See and the Government of Russia are progressing in a satisfactory manner.

HAVANA, Sept. 28—Kingston advices say the steamship Virginia left Puerto Castello on the 7th instant with five hundred coolies, on their way to their homes in China, with $70 000 of their earnings.

MADRID, Sept. 30.—General Espanel has resigned his seat in the Senate.

It is reported that the Government has resolved to submit to other European powers the questions of the justice of its claims against the United States for damages by Cuban filibustering expeditions.

PARIS, Sept. 30.—The Republicans of Algiers have nominated Victor Hugo for the Assembly.

LONDON, Oct. 1.—Lord Ridersdale, in a letter, condemns the conduct of the Government representatives at the Geneva arbitration, by which he says the interests of the country, were sacrificed to those of the Cabinet.

Information from Europe represents the Embassy to make a treaty with the Western Powers as stranded in London without funds or authority.

SAN FRANCISCO, Sept. 30.—Contrary to all expectations, the jury in the Fair case to day rendered their verdict at nine o'clock. The Court met and the jury was called in. Upon being asked if they had made a verdict, the foreman answered that they had. It was then handed to the clerk and amid the stillness of the grave the verdict of not guilty was read. The verdict was received with astonishment, but no signs of approbation or dissent were manifested.

There was a slight earthquake shock felt in San Francisco yesterday morning.

DETROIT, Mich., Oct. 1.—The marine disasters on Lake Huron, Saturday night and Sunday, were much worse than on Lake Erie. Many lives were lost and many vessels are reported ashore. Names not known.

NEW YORK, Oct. 1.—A Washington dispatch says that private advices from Japan report a crisis in public affairs, and indicate the ascendency of the Japanese party over the Reformers, and the end for the present of the spread of civilization in the Empire.

Wild Cherry Balsam.—The memory of Dr. Wistar is embalmed in the hearts of thousands whom his BALSAM OF WILD CHERRY has cured of coughs, colds, consumption, or some other form of pulmonary disease. It is now over forty years since this preparation was brought before the public, and yet the demand for it is constantly increasing.

Symptoms of Liver Complaint and of Some of the Diseases Produced by it.

A sallow or yellow color of skin, or yellowish brown spots on the face and other parts of the body; dullness and drowsiness with frequent headache; dizziness, bitter or bad taste in mouth, dryness of throat and internal heat; palpitation, in many cases a dry, teasing cough, with sore throat; unsteady appetite, a raising of food, and a choking sensation in throat; distress, heaviness, or bloated or full feeling about stomach and sides, pain in sides, back or breast, and about shoulders; colic pain and soreness through bowels, with heat; constipation, alternating with frequent attacks of diarrhœa; piles, flatulence, nervousness, coldness of extremities; rush of blood to head, with symptoms of apoplexy, numbness of limbs, especially at night; cold chills alternating with hot flashes, kidney and urinary difficulties; female weakness and irregularities, with dullness, low spirits, unsociability and gloomy forebodings. Only a few of the above symptoms are likely to be present in any case at one time. All who use Dr. Pierce's Golden Medical Discovery for liver complaint and its complications are loud in its praises. Sold by all druggists everywhere.

Old Fogyism Have Passed Away.

This is at least true of the old method of treating the long abused and much abused human body. It is no longer conspered wise to put a patient to the torture in order to cure him of a disease in which pain is already undermining the energies of his system. True science ranges itself on the side of nature, and endeavors to assist her in her fight against disease. This is the province of Hostetter's Stomach Bitters, the most approved tonic ever advertised in this country. It may be recommended as a fall medicine, par excellence; for it is in the fall that biliousness, dyspepsia and malarious fevers are especially prevalent. The frame, exhausted by the heats of summer, is relaxed and feeble at its close, and requires, we may say *demands*, artificial assistance. Afford it that assistance in occasional doses of Hostetter's Stomach Bitters, and the evils referred to may be escaped. Through out the far West and on the steaming alluvial of the Southern rivers, all the varieties of periodical fever are probably rife to day. Had a course of Hostetter's Bitters been commenced by the sufferers a month ago, *i. e.*, before the unhealthy season set in, seven-eights of them would in all probability be in their usual health at the present time. So much for want of forecaste. So much for not keeping in the house, and using daily, the best safeguard against epidemic and endemic levers.

As stocks of imposters and imitators are trying to follow in the wake of the great American remedy, therefore be sure that the article you buy is genuine and verified by the proper trade-marks. The true article can only be obtained in bottles. Beware of the spurious bitters sold by the gallon or in keg.

It contains a clear and simple course of instruction whereby *any one* may easily acquire the mastery of this favorite Instrument, with a few month's study. It will always be a favorite work with the Teacher, on account of its clearness and systematic progression; more of an amusement *than a study* for the Pupil, and will prove a *mine of wealth* to the Amateur, on account of the many choice Melodies, Songs, etc., that

UNDERSOLD IN THE STATE OF OREGON
All I ask, is a fair chance and quick payments. Believing, as I do, that nineteen years' experience in Oregon City enables me to know the requrements of the trade.
Come one and all, and see for yourselves that the old stand of
THOMAS CHARMAN
cannot be beat in quality or price. It would be useless for me to tell you all the advantages I can offer you in the sale of goods, as every store that advertises does that, and probably you have been disappointed. All I wish to say is, come and see and examine for yourselves, for I do not wish to make any mistakes. My object is to tell all my old friends now that I am still alive, and desirous to sell goods cheap, for cash, or on such terms as agreed upon.
Thanking all for the liberal patronage heretofore bestowed.
