VOLUME XXV.

PRINEVILLE, CROOK COUNTY, OREGON, THURSDAY, JULY 7, 1921

NO. 43

## PRINEVILLE WINS BALL TOURNAMENT MATERIAL NOW ENROUTE FOR GIANT OIL DERRICK EQUIPMENT

Again, Prineville holds the baseball championship, having won the tournament which closed in this city Tuesday, the defeated teams being Maupin, Portland Woolen Mills, and Antelope, who finished in the order named.

The two games which Prineville won in the tournament were both of big league quality, but four runs being made by the four contesting teams, of which Prineville scored three.

It is an interesting fact that while the Portland team finished third in the money, they scored a total of 11 runs, while Maupin finished with 7, and Prineville had 3, the Antelope aggregation not arriving at the home sack in the series.

In the opening game, Prineville defeated Antelope to the tune of 1-0. On the following day, Maupin started a stampede early in the ceremony, and waited in with a lead of six, which was cut down by Portland scoring three, but the Portland aggregation ran true to Portland form, and were unable to overcome the lead of the wheat belt tilters. It looked at this point that Portland would have a hard fight to keep out of the basement but Tuesday morning they took an early advantage of Antelope and raced through 8 men early in the battle, winning 3 to 0 from Antelope.

In the afternoon, Prineville defeated the Maupin team, 2 to 1, giving Prineville the first money for the series.

### PRINEVILLE WINS OVER MAUPIN 2 TO 1

Prineville proved her superiority over the contending teams for the tournament championship in the game Tuesday afternoon with the strong Maupin team.

The game with Maupin was the best exhibit of baseball the Prineville fans have seen for a good many years on the local lot. Prineville's winning runs were made in the first frame when Delashmunt and Medley were on the bases and Bechtell's fly was dropped, permitting the two runs to go in. Maupin was shut out for six innings, and on the seventh her only run was secured. Both teams were compelled to do their best all the time.

Prineville made the better showing of the two teams. In all but two innings the home team had men on bases. Delashmunt was the star of the day. In the four times at bat he secured four hits and always managed to reach third some way or other. Tetherow saved the day for Prineville by pitching first class ball, allowing only five hits.

A big crowd was on hand to see the game, and Maupin had its quota of supporters.

To add to the excitement, a small fire started in one corner of the grandstand when some loose paper started to blaze and Fred Landers demonstrated his firefighting qualities by attempting to extinguish the blaze by throwing more paper on it. No damage was done but a variety of excitement was afforded.

**First Inning, Prineville:**  
Maison struck out; Bowman struck out; Delashmunt singled to left and reached third on error by Renick; Medley walked; Bechtell flied and reached third, scoring Delashmunt and Medley, error by Nye; Ellis struck out.

**Maupin:** Nye out, Maison to Ellis who covered first; A. Morris out, Tetherow to Nason; Niller singled through second and stole second, error by Ellis; Confer struck out. Prineville 2, Naupin 0.

**Second Inning, Prineville:**

McFarland struck out; Lister out, A. Morris to Miller; Tetherow singled through second; Maison walked; Bowman out; Confer to Miller. Maupin: Chastine struck out; Renick flied out to Ellis; R. Morrow struck out. No Score.

**Third Inning, Prineville:**  
Delashmunt, two base hit; Medley flew out to Confer; Bechtell flew out to Nye; Ellis flied to Nye who dropped the ball and Delashmunt was thrown out trying for home. Maupin: G. Morris flew out to Maison; C. Morrow struck out; Nye out, Bechtell to Maison. No Score.

**Fourth Inning, Prineville:**  
McFarland safe on first, error by Nye; Lister sacrificed McFarland to second and was put out on first, A. Morris to Miller; Tetherow struck out; Maison popped out to A. Morris. Maupin: A. Morris grounded and was thrown out by Medley, who made a beautiful catch; Miller struck out; Confer flew out to Delashmunt. No Score.

**Fifth Inning, Prineville:**  
Bowman out, A. Morris to Miller; Delashmunt singled and later stole second, error by C. Morrow; Medley struck out, Delashmunt reached third; Bechtell flew out to R. Morrow. Maupin: Chastine safe on first with slow grounder to Medley; Renick out, long fly to McFarland; R. Morrow hit to right field; G. Morris out, Ellis to Maison; C. Morrow struck out. No Score.

**Sixth Inning, Prineville:**  
Ellis out, Nye to Miller; McFarland singled to center, stole second and in trying for third was put out with half the team running him down; Lister struck out. Maupin: Nye out, Ellis to Maison; A. Morris popped out to Medley; Miller flew out to McFarland. No Score.

**Seventh Inning, Prineville:**  
Tetherow struck out; Maison out, C. Morrow to Miller; Bowman flew out to Chastine. Maupin: Confer three base hit to center field; Chastine hit to left field, scoring Confer for Maupin's only run; Renick safe on first through fielder's choice, forcing Chastine out on second, Tetherow to Ellis; R. Morrow struck out; Renick out stealing second, Lister to Ellis. Prineville, 0, Maupin 1.

**Eighth Inning, Prineville:**  
Delashmunt made his usual hit; Medley sacrificed Delashmunt to second and was thrown out by A. Morris; Bechtell hit by pitched ball; on a pass ball Delashmunt and Bechtell advanced a base each; Ellis out, hit by batted ball; Delashmunt out, trying to steal home. Maupin: G. Morris struck out; C. Morrow singled over second; Nye safe on first forcing C. Morrow out on second, Medley to Ellis; Nye out trying to steal second, Lister to Ellis. No Score.

**Ninth Inning, Prineville:**  
McFarland, Lister and Tetherow struck out. Maupin: A. Morris walked; Miller flew out to Bowman who threw A. Morris out trying to return to first; Confer struck out. No Score.

**Lineup and Batting Order:**  
Maison, 1b ..... Nye, ss.  
Bowman, rf ..... A. Morris, p.  
Delashmunt, lf ..... Miller, 1b  
Medley, ss ..... Confer, 3b  
Bechtell, 3b ..... Chastine, lf  
Ellis, 2b ..... Renick, c  
McFarland, cf ..... R. Morrow, cf  
Lister, c ..... G. Morris, rf  
Tetherow, p ..... C. Morrow, 2b  
Score by Innings: 1-2-3-4-5-6-7-8-9  
Prineville, 2-0-0-0-0-0-0-0-2  
Maupin, 0-0-0-0-0-0-1-0-0-1

Donald Graham returned from Eugene Tuesday morning where he represented the local post at the convention of the American Legion. R. E. Stewart was in town and bought a Chevrolet from the Service Motor Sales the first of the week.

### CITY RAILROAD MAKES GOOD SHOWING FOR SIX MONTHS

Protest against the increase in rates asked by the Des Chutes Power Company was voiced Tuesday evening by the city council, and while it was agreed that the city would take action to prevent an increase in rates at this time, as steps were already being taken to prevent the increase of rates, which were announced by the public service commission effective as of July 1st.

A resolution was passed asking that the battleship Oregon be stationed in Portland harbor.

The semi-annual statement of the treasurer was received and filed. The resignation of Lake M. Bechtell as city attorney was received and filed, and a new appointee is to be announced by Mayor Wurzweller soon.

### W. W. BROWN HAS LIGHT WOOL CLIP

W. W. Brown was in the city yesterday from his ranches in the southern part of the county and western Harney.

Mr. Brown says that grass is good and the sheep and other stock, of which he has a great many, are in good condition.

He says however, that his wool clip was light, only about 80,000 pounds this year.

His wool was contracted at 30 cents per pound. Mr. Brown is here buying supplies for his camps at Fife.

### OLCOTT REPLIES TO THE IRRIGATORS

Dr. J. H. Rosenberg received the following letter which was mailed from Salem on July 2nd. It is an answer to the message which he carried to the Governor by airplane, last week:

"I wish to express through you my thanks to Alfalfa Rex for the courtesy which you extended me on your arrival in Salem the other day by airplane and also to thank yourself and him and the Crook County Irrigators for the kind invitation extended through you to be in attendance upon your gatherings in October. It is difficult for me to say at this time whether it will be possible for me to accept this invitation, but I assure you of my appreciation of extending the same and of the manner in which it was extended.

With kindest regards to all of you I am, Sincerely yours,

BEN W. OLCOTT, Governor.

PRINEVILLE WIN

The fact that Prineville took first place in the baseball tournament is a matter of pride to all local citizens.

The fact that the games were very close and hard fought only adds to the glory of the local aggregation, and anyone who saw the games is forced to admit that the Prineville team is as good as any of them, and just enough better to win the tournament, which is good enough.

Filling of an objectionable low place in D Street, North Prineville was ordered, the work to be under the supervision of the committee on streets and public improvements.

The meeting was attended by the entire council, Mayor Wurzweller in the chair, and councilmen Ross, Lakin, Nicolai, Noble, Davis and Brees, Recorder Hyde and Marshal Fincher.

Bills paid were:  
Lakin Hardware, hdw., \$6.60  
E. O. Hyde, fees, \$15.40  
Ben Hagenbeck, witness, \$1.50  
Geo. F. Euston, Treas., \$26.08  
R. S. Price, hauling, \$6.00  
J. W. Fincher, salary, \$125.00  
The following bills were referred to the finance committee:  
Deschutes Power Co., \$187.65

### MEETING TO BE HELD AT GRIMES CHAPEL

The Dairy Committee of the Ocho Farmers' Association are calling a meeting of all the farmers who are interested in bringing dairy cattle into this country. The meeting will be held at Grimes Chapel, Monday evening, July 11th.

Everyone who is interested in this work are urged to be present in order that the committee may ascertain the number of cattle that is wanted, and also, the general condition under which they can be secured.

A united effort will be made to encourage and develop the dairy industry of this section of the country, and the movement is entitled to the support of all the farmers of the community.

### ANTELOPE DEFEATED BY PRINEVILLE 1-0

The first game of the tournament, played Sunday afternoon was won by Prineville when the local team defeated Antelope 1-0.

Dick Young pitched the Prineville aggregation through to the hard fought victory. His fielding was as remarkable as his pitching. Young struck out nine Antelope batters, as against five for Ruper.

Lister made a splendid showing behind the bat, considering the fact that he went into the game with no practice. The only run for Prineville was made by Medley.

R H E  
ANTELOPE 0 4 1  
PRINEVILLE 1 8 0  
Batteries—Antelope: Ruper and Bonney. Prineville: Young and Lister.

### NEW BENCHES FOR THE CITY PARK

Eight new benches are in place in city park, being donated to the city by the mayor and councilmen.

Each councilman paid for a bench, and the mayor bought two of them. They are modern benches, neatly painted, and have been placed along the south side of the park under the row of trees.

### WATER PERMITS ARE ISSUED BY STATE

In Crook County, the following water permits have been issued by state engineer, Percy A. Cupper:

To Mrs. Sarah P. Allyn, of Oak Grove, covering the appropriation of water from Crooked River for irrigation of twenty acres.

To J. F. Houston, of Roberts, covering the appropriation of water from Springs, and Pringle Flat Creek for storage in the Pringle Flat Reservoir, to be used in the irrigation of one hundred forty acres of land. The cost of this development, which includes the construction of 7-8 miles of canal, is estimated at \$3500.

To Dan McNamee, of Fife, Oregon, covering the appropriation of water from the flood waters of Buck Creek for irrigation of sixty acres. It is proposed to construct two and a half miles of canal under this permit.

To E. D. Elrod of Prineville, the appropriation of water from Crooked River, for irrigation of forty acres in Crook County, at a cost of \$1200.00.

### INLAND AUTO CO. RECEIVES FORDS

Tuesday afternoon the Inland Auto Company unloaded a carload of Fords received from the Seattle assembling plant.

The shipment consisted of four touring cars, one roadster and one truck. The previous shipments of Fords have usually been slow in coming from the factory, but this carload came through promptly.

### STEWART RECEIVES CARLOAD OF SUGAR

J. E. Stewart & Co., received a carload of sugar direct from the refinery Tuesday. In getting the sugar by the carload lot, it can be purchased at a much cheaper price.

In spite of the fact that the canning season is now on sugar has taken several drops but now a reaction has come and sugar is expected to raise again. However, Stewart was fortunate to purchase before the raise took effect, and consequently can offer a better price under the circumstances.

On Thursday this Company unloaded a carload of salt for their store.

Two men narrowly escaped death on the Maupin hill last Sunday when a truck owned by Oskar Huber, general contractor, of Portland, and driven by Glen Richson also of Portland was wrecked. Richson accompanied by Carlton Kent, were enroute to Portland from Prineville, where the truck had been at work on the state highway the past few months and when descending the Maupin hill the brake in the machine gave way. The truck immediately started on a wild run down the grade and the driver being unable to make the last turn on the short reverse curveabout half a mile above the foot of the hill, the machine went over the bank. The truck was badly wrecked and the two young men were painfully but not seriously injured.—Maupin Times.

Two car loads of material Douglas fir, framed for placing, is on the way from Portland for the derrick of the Blue Mountain Oil & Gas co., and a large amount of other supplies all to be used in the drilling operations are being shipped to this city for the truck haul to Post.

A 70 horse power boiler is among the material which is being shipped, and a quantity of other supplies are soon to be shipped from Los Angeles. The total hauls for freight to the scene of operations includes 164 tons, according to Neil Bertrandias.

Nr. Bertrandias is prepared to contract for the delivery of 100 cords of wood per month to the scene of operations, and wishes to contract the hauling of supplies from this city to Post.

B. G. Kidder and Mrs. Kidder accompanied Mr. Bertrandias and Mrs. Bertrandias when they arrived in this city the first of the week, and the party expect to make their homes here after the next thirty days, which will be spent in getting the work under way.

Mr. Kidder will locate the scene of operations this week, and will leave soon for Los Angeles to superintend the loading of the standard derrick which is to be used in the drilling operations.

### CITY RAILWAY DOES GOOD BUSINESS

The report of the City of Prineville Railway, submitted to the council at its July meeting Tuesday evening, shows a total of \$42,024.26 in transactions during the first half of the year.

While the business shows a decrease over the same period last year, it was pointed out that the falling off of business on this line is not so marked as on the main lines generally, where the roads specialize in lumber and like shipments.

The largest single item was \$30,000 collected at the Prineville depot for passenger and freight traffic.

A complete report of the financial condition of the road, salaries paid and men employed, and the general financial condition of the system was submitted to the council by Treasurer Chas. S. Edwards of the railroad commission.

The report was accepted by the council by treasurer Chas. S. Edwards of the railroad commission.

The report was accepted by the council and filed.

### PRELIMINARY WORK HAS BEEN STARTED

Advice from Bend states preliminary work has been started on the Benham Falls reservoir by a small crew of men under the direction of Scott McLean. Instructions to commence work came from Denver to C. C. Fisher, reclamation service engineer connected with the Deschutes water board. It is said that the first work undertaken will be the sinking of test pits continuing the investigation made two years ago by Professor Crosby.

The report of Professor Crosby was favorable to the construction of the reservoir and it is now thought since work has been commenced, there will be no interruption. At this time there is \$400,000 available from the appropriation made recently by Congress. In addition to this amount the Tumalo Irrigation district included in the bonds voted last winter \$179,000, as its share of the expense of constructing the reservoir.
