Sore Eyes
The eyes are always in sympathy with the body, and afford an excellent index of its condition. When the eyes become weak, and the lids inflamed and sore, it is an evidence that the system has become disordered by Scrofula, for which Ayer's Sarsaparilla is the best known remedy.
Scrofula, which produced a painful inflammation in my eyes, caused me much suffering for a number of years. By the advice of a physician I commenced taking Ayer's Sarsaparilla. After using this medicine a short time I was completely
Cured
My eyes are now in a splendid condition, and I am as well and strong as ever.—Mrs. William Gage, Concord, N. H.
For a number of years I was troubled with a humor in my eyes, and was unable to obtain any relief until I commenced using Ayer's Sarsaparilla. This medicine has effected a complete cure, and I believe it to be the best of blood purifiers.—C. E. Upton, Nashua, N. H.
From childhood, and until with a few months, I have been afflicted with Weak and Sore Eyes. I have used for these complaints, with beneficial results, Ayer's Sarsaparilla, and consider it a great blood purifier.—Mrs. C. Phillips, Glover, Vt.
I suffered for a year with inflammation in my left eye. Three ulcers formed on the ball, depriving me of sight, and causing great pain. After trying many other remedies, to no purpose, I was finally induced to use Ayer's Sarsaparilla.
By Taking
three bottles of this medicine I have been entirely cured. My sight has been restored, and there is no sign of inflammation, sore, or ulcer in my eye.—Kendal T. Bowen, Sugar Tree Ridge, Ohio.
My daughter, ten years old, was afflicted with Scrofulous Sore Eyes. During the last two years she never saw light of any kind. Physicians of the highest standing exerted their skill, but with no permanent success. On the recommendation of a friend I purchased a bottle of Ayer's Sarsaparilla, which my daughter commenced taking. Before she had used the third bottle her sight was restored. Her cure is complete.—W. E. Sutherland, Evangelist, Shelby City, Ky.
Ayer's Sarsaparilla,
Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists. Price $1; six bottles, $5.

The coroner's jury in the case of Charles Manciet brought in a verdict to-day charging Wm. Dillon with felonious killing. Dillon was brought into the police court, but the case was postponed until to-morrow.

TROUBLE IN TEXAS.

HOUSTON, Tex., Sept. 26.—Owing to reports that two hundred negroes are under arms in Matagordo county and the sheriffs of Matagordo and Hickley counties are moving on them with a posse of white men, the Houston Light Guards this afternoon received orders to leave on special train for the scene of the uprising. The trouble among the negroes had its origin in the murder of a negro constable who had a warrant for the arrest of a white man.

A CARDINAL COMING.

BALTIMORE, Sept. 26.—Cardinal Gibbons, accompanied by Rev. Dr. Chappelle, of Washington, left Baltimore this morning for the west. Portland, Oregon, is the cardinal's objective point, where he will confer the pallium on archbishop Gross. He will stop en route at Chicago, Milwaukee and St. Paul.

DIDN'T GET THE CATTLE.

DUBLIN, Sept. 26.—Bailiffs, accompanied by police, seized a number of cattle belonging to a family named Hurley at Kilbarry to-day. The crowd attacked the officers with stones and pitchforks. The police charged their assailants with fixed bayonets and bayonetted several, but they were obliged to retreat without the cattle.

A NEW DEAL.

NEW YORK, Sept. 26.—The matter of reorganization of the Pacific Mail Steamship Co. has taken definite shape, and on Wednesday or Thursday a meeting will be held at which Henry Hart will resign the presidency, and two directors now on the board in his interest, will resign and be succeeded by C. P. Huntington and J. B. Houston.

DISCRIMINATION SUSPENDED.

WASHINGTON, Sept. 26.—The president to-day issued a proclamation suspending discriminating duties between Cuba, Porto Rico and Phillipines, and all other countries belonging to the crown of Spain and the United States.

SUIT AND CASE DISMISSED.

BOSTON, Sept. 26.—The United States court, in Boston, has made a decision, rendered this morning, sustaining the demurrer in the suit of the Bell Telephone Co., against the government. The suit and case are dismissed.

AN IOWA MAN.

WASHINGTON, Sept. 26.—The president to-day appointed Whitaker M. Grant, of Iowa, to be attorney of the United States for the district of Alaska.

A KENTUCKY MAN.

WASHINGTON, Sept. 26.—The president has appointed Chas. M. Force, of Kentucky, to be receiver of public moneys at Lewiston, Idaho.

THE VETERANS' REUNION.

ST. LOUIS, Sept. 26.—A national salute from Camp Washington heralded the dawning of the day this morning for the veterans of the Grand Army and aroused the visitors and committees whose duties called them to the early trains. Trains from the west and south poured in great crowds of people, and by noon the railroads had brought in ten thousand citizens, soldiers and as many more of their households. At the depots and camps all seemed confusion, but order quickly assumed command and the search for old regiments and friends at once began.

Glass Company Organized.

Jonathan Bourne, Jr., Kelly, Dunne & Co., Fleckenstein & Mayer, W. F. Wittenbort and W. H. Hampton, have incorporated the Oregon Glass and Manufacturing company. Capital stock $50,000, divided into 2,500 shares of the value of $20 each. The factory will be located in north Portland, near the O. R. & N. Co.'s bone yard. The company will commence operations at once.

PENALTIES OF IMPRUDENCE.

Summer is at hand—the time of year when old heads and young become imprudent, get overheated, cool off suddenly, catch cold, headache, nervous disorders, and a thousand and one other troubles. Preaching prudence is played out. The only thing to do is—after you have contracted one or more of these pains—to cure yourself as quickly as possible. Small pains are not to be neglected except at the risk of serious consequences. Remove them at once. It can be done by an application of one or more of ALLCOCK'S POROUS PLASTERS, recognized the world over as the best external remedy ever made. Mind you, don't neglect your little ills. They outgrow everything else and if let alone cost you more than you can ever know. Remember ALLCOCK'S PLASTERS.

THE MONROE DOCTRINE.

Several South American countries are pointing interrogation marks at the United States. They want to know whether the Monroe doctrine is out of date. Within the next few years United States diplomats will have their hands full, either in pushing back the aggressions of European powers, or in arbitrating disputes which South American countries feel sure will have to be settled. Venezuela is on the eve of a war of defense against English greed of territory. Chili is looking askance at the effort of Peru to rehabilitate itself by aid of English and American capitalists, and Argentine Republic, fearful of the growing German and Italian colonization, wants to offset them by means of emigration from this country. It has also had a boundary dispute with Brazil, which president Cleveland may be asked to settle.

Venezuelans are most urgent in spurring the United States on to an understanding of their wants. The president of Venezuela, Guzman Blanco, is now in England, making a final effort for justice to his country, but there is little hope that he will get it. While complaining bitterly of England's course, the Venezuelans have finally announced their willingness to submit the whole controversy to arbitration. This has so far been refused, and the European grabber proposes to keep by force of arms what it has unlawfully seized. The little South American country is plucky and will fight for its rights, but the contest would be a very unequal one. Naval officers just back from South American waters report that the United States is likely to be called on to defend its policy.

Ayer's Sarsaparilla contains no harmful ingredients, and is the best blood purifier.

Commodore A. E. Bateman, of New York, who is now worth $2,000,000, was a $16,00 a-year department clerk in Washington five years ago.

Ayer's Hair Vigor keeps the hair fresh and bright. It restores a natural color to faded and gray hair, and renders it pliant and glossy.

An Edison lamp has been in continuous use for 4,700 hours in the office of the Toronto *Globe*, and is still intact.
