Westminster Guild Entertained—
Mrs. Charles Robertson was hostess, Monday evening, at her home on the Boulevard for the Martha Gillette Chapter of Westminster Guild. There was an excellent attendance and program.

The plan is, to study two missionary books with special papers and special music at the meetings, and the book review given at the different meetings, which will alternate; one being held Sunday evening at the church, and the other at the homes, with but two meetings a month, instead of every week as heretofore.

For Monday evening's program, Miss Estella Hays read an interesting paper on "India" and Mrs. Earl Babcock reviewed the study book, which deals with the work in South America. Miss Poley led the devotionals.

The hostess served light refreshments at the close of the evening.

At the session yesterday evening at the Presbyterian church, Miss Blanche Hicks read a paper on "Southern Mountaineers" and Mrs. Randall Woods gave the book review. There was special music and a good attendance.

Following the first chorus, a vanishing quartet performed to the great amusement of the guests. The personnel of the quartet giving the unusual presentation was C. N. Gilmore, H.P. Holmes, V. O. N. Smith and Frank Beswick. V. D. Miller, sang; Dr. Mattie B. Shaw and Lola Gilmore read; with Lieut. Sorrell, the Rev. A. Segsworth and the Rev. Myron S. Woodworth giving short addresses. Each number was received with appreciative applause and made up a program of especial merit.

Surprise For Mr. and Mrs. J. E. Anguin—
On Monday evening last, Mr. and Mrs. J. E. Anguin were pleasantly surprised at their home on Bush street, when the members of the Methodist choir took them by storm, taking possession of the home, bringing delicious refreshments, and having planned a delightful program of gayety and fun with special numbers that gave great pleasure to the listeners.

The occasion for the delightful affair was the twenty-fifth anniversary of the marriage of Mr. and Mrs. Anguin.

A radio concent, jolly games and a program of entertaining numbers which included a piano duet played by Mrs. Van Fossen and Mrs. E. O. Smith, a vocal solo by Miss Hussey, a reading by Mrs. G. W. Gregg, a ghost song, given en costume by Mrs. Eric Weren, and Miss Jean Anderson, as an Indian maid, sang "From the Land of the Sky Blue Water," and Waters of Minnetonka," made a program pleasingly rendered, the numbers well received and affording much enjoyment.

After the program Mr. H. O. Anderson, on behalf of the Methodist choir presented to Mr. and Mrs. Anguin, a beautiful silver cake plate, commemorative of their anniversary.

Pumpkin pie and cider were served by the self constituted hostesses, which all enjoyed immensely.

Rebekahs Visit Klamath Falls—
Ashland Rebekahs were Klamath Falls visitors, Thursday night, the degree team to put on the work for the Klamath Falls lodge.

There were perhaps forty members of the Ashland lodge in attendance for a number accompanied the team.

Delicious refreshments were served at the close of the evening with all enjoying the social hour together.

Those going report a pleasant trip over and return, with but a little snow at the summit. The cordial welcome and hospitality given was very much appreciated by the Ashland visitors.

BANDITS GET $10,000 IN SEATTLE HOLDUP

12—BANDITS ....;....

SEATTLE, Nov. 9—(U. P.)—Two armed men, about 8:30 a. m., today, held up the pay car of the Seattle Municipal railway at the Fremont car barns, and after binding three men, locked them in the transfer room and escaped in the pay car with between nine and ten thousand dollars in cash.

The holdup took place with swiftness and daring. Two men on foot appeared at the transfer room and held up S. Griffiths, in charge. They tied his ankles and hands with shoe laces, and then waited for the pay car. When it arrived they held up I. Miller and J. Stevens as they entered the transfer room, and tied them up.

The robbers then went through the money in the vault, and took all of it. They escaped in the pay car, which they later abandoned in a garage.

THE BUSINESS WORLD has an accurate measure with which it gauges the growing value of securities. It is PRICE.

Since 1922, when The California Oregon Power Company first offered its 7% Preferred Stock for public investment, the price has steadily advanced with each successive issue from $92.00 a share in 1922 to $100.00 a share in 1925, and is now above par.

How the Company Has Grown

In this same period the Company's investments in generating plants, lines, equipment, etc., more than doubled in size.

Its net earnings were over $1,000,000.00 for 1924 as compared with $550,000.00 for 1920. It spent nearly $300,000.00 more (mostly in the communities in which it operates) for operating expenses and taxes.

It paid to Preferred Stock holders approximately $[illegible] in Preferred Stock dividends in 1925.

The Measuring Stick Goes Up

The announcement of the *new* issue of Copco *Six Per Cent* Preferred Stock, to yield 6.52% at a price of $92.00 per share, marks another important advance in the progress of this Company and the communities which it serves.

Any member of our organization will gladly accept your order for shares of the new Preferred Stock. Ask him about it now—and particularly about the Copco Monthly Payment Plan for easy investment.
