Am I My Brother's Keeper?

"Where is Abel thy brother?"

President Wilson has refused to join neutral nations in a peace movement. There is no question but the combined effort of the neutral powers could effect peace were they so disposed. "The love of money is the root of all evil," so is that same love of money the cause of this greatest of wars. It is time that the people rise up and demand that this wholesale butchery cease. The poor soldiers in the trenches, like dumb brutes, are driven to slaughter. They have no grievance, yet must murder their fellow man to satisfy the ambition, greed and lust of the so-called royal families. This great government is aiding and abbetting in this disgraceful affair with their money, food, clothing and implements of death. Mills are running night and day that more men may be slaughtered tomorrow than was yesterday. It is said that we are a Christian people; that we have gone so far as to inscribe upon our coin "In God We Trust." Col. Roosevelt was severely criticised at one time for advocating the omission of this inscription. Perhaps he was right; the shallow mockery of it might have stood out clearly to him at that time as it does to others today.

The people of the United States hold up their hands in horror at the inhuman treatment the Armenians receive from the Turks. It is true the Turks are barbarous and have subjected the Armenians to great suffering, and massacred thousands of them. But what of the treatment of the Jews in more enlightened Russia? Nearly half the Jewish population of the world live in Russia and are not allowed outside their settlement. They burdened with special taxes and harrassed by vicious policemen. They are sent to the Siberian mines on the slightest pretext without the formality of a trial. Since the war they have become the prey of both the German and the Russian soldiery. Men, women and children have been executed by the military a result of race hatred. Women, young and old were stripped and knouted in the public squares. The Russian soldiers are permitted to loot and ravish at will and in many villiages not a single woman was left inviolate. President Wilson lays great stress on the inhumanity of submarines sinking English merchant ships without warning. His very tender sympathies are aroused lest some chuck-headed American should be aboard and be compelled to take a salt water bath. But, the poor Russian Jew has no vote.

According to the Itemizer the county surveyor and county court are again engaged in a disgraceful combat as to who is "big Ike." Such controversies result in no good to either party engaged in it and the taxpayers must stand the loss and pay the bills. Why not recall the whole bunch?

Governor Wants Wilson To Act

Policy of Watchful Waiting Declared Indefensible and to Have Cost Dearly

Salem Or., March 9.—Denouncing the massacre of Americans by Mexican bandits today at Columbus, N. M., as a crime which the United States Government should not allow to go unpunished, Governor Withcombe tonight declared the policy of non-interference by the Wilson Administration was indefensible. He said summary action to punish the slayers should be taken.

"In my estimation the murder today of American citizens on United States soil, following the continued assassination of Americans in Mexico, demonstrates the absolute necessity of vigorous and unyelding action to bring the offenders to justice," said the Governor.

"Every Mexican murderer concerned with today's massacre should be executed, no matter what the cost nor where he may be apprehended. The policy of non-interference with Mexican affairs, so far as protection of American citizens is concerned, has become tragic and indefensible, and for it we already have paid far too dearly."

"Clean Up the Bowels and Keep Them Clean"

There are many remedies to be had for constipation, but the difficulty is to procure one that acts without violence. A remedy that does not perform by force what should be accomplished by persuasion is Dr. Miles' Laxative Tablets. After using them, Mr. N. A. Waddell, 315 Washington St., Waco, Tex., says:

"Almost all my life I have been troubled with constipation, and have tried many remedies, all of which seemed to cause pain without giving much relief. I finally tried Dr. Miles' Laxative Tablets and found them excellent. Their action is pleasant and mild, and their chocolate taste makes them easy to take. I am more than glad to recommend them."

"Clean up the bowels and keep them clean," is the advice of all physicians, because they realize the danger resulting from habitual constipation. Do not delay too long, but begin proper curative measures.

Dr. Miles' Laxative Tablets are a new remedy for this old complaint, and a great improvement over the cathartics you have been using in the past. They taste like candy and work like a charm. A trial will convince you.

Dr. Miles' Laxative Tablets are sold by all druggists, at 25 cents a box containing 25 doses. If not found satisfactory after trial, return the box to your druggist and he will return your money. 12
