He and his wife live near New York and finding the time hangs heavy on his hands, he writes a play. The morning mail brings him a letter from his uncle stating that he expects to arrive that very day, so he decides to play the bachelor. He dispatches his wife to town upon an errand. A friend, George Merrigale, also comes to see him. He sees a photo of Mrs. Comfort and asks who it is. Comfort at his wits end, dares not say it is his wife as his uncle is in the room, so passes her off as the servant Sally.

FAILED TO MEET.

There was no meeting of the Common Council Monday evening.

No quorum.

Absent, Mayor Medley.

Present, Councilmen Hinds, Veatch Chamberlain, Bingham and ex-Councilman Wall.

Mayor Medley mounted the stairs to meet the retiring Councilmen after adjournment, unfortunately too late to hold a meeting at which all Cottage Grove expected something would be done to remedy evils existing in this city.

It was doubly unfortunate that the Mayor was delayed, because not only were there important matters of municipal administration to be discussed, but the question of sewer connections is one that is prominently before the public for discussion and before the Councilmen for settlement. All householders and all property owners are required to connect with lateral sewers now being laid by contractors in the alleys running east and west throughout the city and as yet no ordinance has been passed to that effect.

Mayor Medley no doubt equally with other citizens regretted the delay on his part which prevented the holding of a council meeting Monday evening in view of the important measures about to come before the city fathers.

The meeting adjourned to meet November 28.

PLAYED FOOTBALL

Talk About the Game at Yoncolla, Roseburg vs Yoncalla Teams

Yoncolla Nov., 13, 1904

Editor Nugget,—Cottage Grove

Dear Sir—Last Saturday evening witnessed one of the most interesting games of football we have seen in Oregon, between our local team and Roseburg. It was a scoreless game, but was interesting from our standpoint, as Yoncalla had the best of the game from the start to finish and came near scoring several times being within a few feet of Roseburg's goal when the game ended, luckily for the latter, as it was certainly a close call—Roseburg was completly "fagged" and had the last half been 35 minutes instead of 30 it would not go on record as a scoreless game. The pretty plays were made "behind the lines," which consisted of Hill as full back, and Perit & Beckley as halves and our little quarter Emerson.

Roseburg appeared very sore over being penalized by our referee once, but it was even up with what Johnson did for our boys.

The day was lovely and the grid iron perfect.

We are very proud of two of Cottage Grove's boys who have come to live with us—They strengthen our team and add to our town society.

We have challenged Eugene but have no reply but hope they will give the strongest team in Southern Oregon a chance. Roseburg may desire to play us for a purse of $50, which we will gladly accept provided they play the same bables they did before. Yours Very Truly

Band Concert Tonight

The band in their rehearsel last evening put on the finishing touches to the numbers to be rendered in this evening's concert.

CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, and the rich patient, too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night sweats. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer clime, you will find that of the thousands of consumptives there, the few who are benefitted and regain strength are those who use German Syrup. Trial bottle, 25c; regular size, 75c. At all druggists. Garman Hemenway
