### Buys Auto-Wagon.

Through the Dallas agency of the Adams-Brobst Company, Henry Rose has purchased an International auto-wagon. Mr. Rose, assisted by Ralph Adams, drove the new auto from Portland to Rickreall, Monday, making the trip without mishap. The vehicle is suitable for both pleasure riding and general farm purposes. The International autos are growing in favor with the farmers and will doubtless soon be a familiar sight on the public highways.

### And That's Going Some.

A teacher in a New England grammar school found the subjoined facts in a composition on Longfellow, the poet, written by a fifteen-year-old girl: "Henry W. ## BOYS ORGANIZE BAND

**Residents of Dallas Will Hear Good Music This Summer.**

Musicians of Dallas met in the Vaudette theater Wednesday night and organized a brass band. August Risser was elected secretary of the organization; Lew Ballantyne, librarian, and Lisle Rice, treasurer. Besides a number of beginners, the membership of the new band includes some of Dallas' veteran musicians, thus assuring a strong organization from the start. The members of the band and the instrumentation is as follows:

Leader—U. S. Grant.

Cornets—W. R. Howe, Lisle Rice, U. S. Grant, Clarence Farnham.

Clarionets—Lloyd Rice, August Risser.

Piccolo—Norman Ramsey.

Tenor—Roy Finseth.

Altos—Lew Ballantyne, O. H. Baker.

Baritones—Walter Williams, J. C. Uglow.

Tuba—Frank Bethel.

Bass drum—Frank Syron.

Snare drum—Tom C. Stockwell

### Busy Week for Machine.

Remember that when you get your printing done the linotype way, you get a new face of type for every job. That's worth considering, isn't it, Mr. Business Man? Especially when the linotype way costs you no more than the old, worn-out, battered type way? The machine in the Observer office has had another busy week, setting up a 40-page Supreme Court brief and numerous smaller jobs, besides the regular work on the Tuesday and Friday papers. The people of Dallas do not have to send any money away from home for printing. They can get just as good work, and better prices, at home. With one of the best equipped plants in Oregon, orders for printing are sent into Dallas—not out of it.

### Raisin Day, April 30.

The above date has been set apart as an unusual event by the people of California in which all are asked to join by eating raisins in the form of "Raisin Bread" or in any form that may be desired. The object of this special day is to create a wide-spread raisin sentiment that will result in a greater demand for that fruit; and to direct the attention of all good housewives to the excellence of the raisin as an article of food. The good people of the Northwest are invited by their neighbors to participate in the pleasant custom and "break" raisin bread on April 30. a28

### Basket Social.

On Friday evening, April 29, the Athletic Association of Dallas College will give a basket social. The money taken in at the basketball games during the winter was not sufficient to meet the running expenses, so the Association has decided to take this method of raising funds to meet the deficiency. The ladies of Dallas are asked to bring baskets, and the men are asked to come and buy them. A good program will be given before the sale of baskets begins.

### Notice.

Having added an up-to-date Candy Kitchen and hired a candy-maker who has had 18 years of experience, we are in a position to give you fresh candy that is made right every day. Give us a trial and be convinced that we are second to none.

### Help the Enumerators.

Every man, woman and child in Dallas should assist the census enumerators in getting a complete and accurate count of the people in the city. The Merchants' Association has appointed committees to aid in the work. This is a good business move, and one greatly appreciated by the enumerators. Let's see to it that not one person is overlooked in the count.

### Has Old Coins.

D. D. Good, bookkeeper and cashier in the Adams & Brobst furniture and implement store, has a collection of old American coins of which he is justly proud. While not large, the collection contains many pieces of money with which the present generation is unfamiliar. The oldest coin is one minted in 1782. The date is still distinct, but the lettering has been worn away until the denomination can not be made out. Judging from its size, however, its value is about 12½ cents. Mr. Good has many other coins ranging in date from 1806 to 1840. He has made no particular effort along the line of collecting, but took in these old coins in the regular course of trade while conducting a store in the East several years ago.
