St. Johns Community Club

The St. Johns Community club will convene at the Y. W. C. A. building on Tuesday evening of next week. The meeting will be of an interesting nature and will be devoted to business matters in which our community is interested. It behooves every one to attend this meeting and lend their aid in furthering the interests of St. Johns. It is especially urged that the members of the building and membership committees be present. Remember the time and place and turn out.

The W. C. T. U. will meet on Monday, March 6th, at 2:30 P. M. in the Methodist church parlor. This is the business meeting of the month. Mrs. E. Williams will have charge of the Bible study. The Second Dispensation is the subject. The public is invited to all our meetings.—Reported.

There was a spirited mass meeting held the evening of March 1st at the auditorium of the Central Library under the auspices of the Housewives' Council, relative to the recall discussion of the public service commission. About 25 from St. Johns were present. A number of interesting addresses were given. It is expected that another meeting will be held in the near future.

March 1st Oregon Grape Circle initiated three, and one transfer member. We had a large attendance of members and visitors. The following Circles were represented: Service, Mt. Hood and Multnomah. Four out of town Circles were also represented. After a reading by Lilly B. Walker and a Virginia reel, which were enjoyed greatly by all, a luncheon was served cafeteria style.—Reported.

On account of the numerous inquiries received at his office, Collector Huntley is of the opinion that many taxpayers do not know that the stamp taxes on legal instruments were not repealed by the new Revenue Act. He announces that these taxes are still in full force and effect, and they apply as heretofore on promissory notes, deeds, stock certificates, powers of attorney, proxies, etc. The stamp taxes on surety bonds and medicinal preparations were repealed, but these are the only changes in the stamp taxes.

At a meeting of the Fraternal Boosters Wednesday evening the following resolution was adopted: "Be it resolved by the St. Johns Booster Club in meeting assembled that the club herewith formally endorse A. A. Muck for the Republican nomination for County Commissioner, in the event that he should decide to announce his candidacy for that office. The club is impelled to take this action because it is firmly convinced that Mr. Muck's service as County Commissioner entitles him to the support of all citizens who appreciate an economic administration of county affairs."

Uncle Jeff Snow in the Portland Journal says: "There isn't no bounty nor bonus the boys that went to the front will get outer congress that will be half what's comin' to 'em; but with the big railroad combine hollerin' fer more and still more money, and the big sugar trust gettin' ready to dip into the pork barrel with both hands, to say nuthin' of the land profiteer who is stowin' away good money like a ground squirrel in harvest time does wheat, why, I don't see how our young and gallant defenders of the flag, with their toes stickin' out and their belts stickin' in, can have the gall to worry the good and great in Washington about any bonuses."

Tuesday evening Mrs. Minnie C. Letson, Worthy Grand Matron; Mrs. Pauline Riley, Past Grand Matron; Mrs. Phoebe Guerin, Grand Marshal; Cal R. G. Miller, First Grand Patron; Mrs. Miller; Clyde Evans, Past Grand Patron, and other distinguished guests visited Minerva Chapter, O. E. S. The grand officers were well pleased with the progress being made in the local chapter, under the guiding hand of Mrs. J. M. Blair and her associate officers. Refreshments were served and the evening will always be among pleasant memories by all in attendance.

Y. W. C. A. Notes

The Spring millinery class will begin Tuesday, March 7th, from 1 to 3 o'clock P. M. Mrs. Cheney is the instructor. Bring old hats or new materials.

The S. O. S. Girl Reserve club met at the home of Mrs. R. G. Brand Monday and elected the following officers: Margaret McGregor, president; Mary MacDonald, secretary; Grace Coy, treasurer, and Viola Root, pianist. The girls plan to take a hike at their next meeting time.

The Rainbow Club surprised Mrs. Shaw with a regular banquet on Tuesday night at the Y. W. C. A. building and handkerchief shower for Virginia Douglas, who will leave Sunday to live in Lamborn, Wash. A beautiful calla lily was presented to Mrs. Shaw. Stories, jokes and speeches were given at the table and an impromptu program was given afterward on the stage. Twenty-one girls sat together at the table with Mrs. Douglass and Mrs. Robertson.

February 23 The Royal Neighbor Club was entertained at a farewell party given by Mrs. Nelson at the home of Neighbor Reid, 718 S. Kellogg street. Dainty refreshments were served and a good time was had by all. We regret losing Mrs. Nelson from our club and hope to have her with us again some day. Those present were: Mesdames Alley, Miss Alley, Steidelman, Kryer, Rigg, Bear, Wright, Free, A. Berry, W. Berry, Bilyeu, Wy-mora, Dickie, Stuhl, Thompson, Bailey, Boyd, Reid, and Nelson; children, Ruth Steidelman, June Wymore, George Fisher, Orville Berry, Rosa Jewell and Coenael Bilyeu.—Reported.

Nine High School Reserves, accompanied by Mrs. Mabel Robertson, enjoyed a hike Sunday, February 26, in spite of the furies of snow which fell during the morning. After reaching Miller station a campfire was made. Roasted weenies and buns tasted very good to the hungry hikers. All returned to St. Johns tired but happy. Among the hikers were: Catherine Banbury, Charlotte Reid, Thelma Young, Minnie Miller, Lauretta McCarthy, Margaret Robertson, Marian Banbury, Vella Robertson, Lelia Taylor and Mabel Robertson.—Reported.

Mrs. Silas Call entertained Mrs. A. J. Hanson at luncheon on Friday, Feb. 24th. The afternoon was very pleasantly enjoyed in planning for the Eastern trip to be taken in the near future. A dainty luncheon and served in the hostess' most approved style was enjoyed.

All Makes Welcome

Some drivers of cars not equipped with Willard Batteries think they ought to go to the service station that sold the battery. Not at all!

The safest rule is to go to the place that gives you the best attention, has the most skilled workmen and seems to be most on the job—the place that deserves the title of "Battery Headquarters".

That's the kind of battery station we have always run and always expect to run.
Come in and we'll show you how near to 100 per cent we are in skill, courtesy and promptness.
