Trip to California.

A winter trip to Southern California and Arizona via the famous Shasta route is one never to be forgotten. Renewed acquaintance with this section will ever develop fresh points of interest and added sources of enjoyment under its sunny skies, in the variety of interests and added industries, in its prolific vegetation and among its numberless resorts of mountain, shore, valley and plain.

Two trains leave Portland daily, morning and evening for California. These trains are equipped with the most improved pattern of standard and tourist sleeping cars, and the low rates place the trip within the reach of all.

TWO FACTIONS.—Eugene Journal: "There seems to be two factions at Walterville. One faction complains that Ferryman Vaughn, who gets $34 50 per month, is incompetent and ought to be removed and S C Dotson should be employed at $50 a month. The other faction declares that Vaughn is all right and that his critics are seeking a job. It is difficult for the county court to know what to do in the matter."

TEAM WILL BE HOME SUNDAY.

Special to the Guard.

FOREST GROVE, Or, Nov 30.—The football game here this afternoon between the University of Oregon and Pacific university elevens resulted in a score of 10 to 0 in favor of U O.

In the first half no score was made, U O having an up-hill pull; but in the second half they scored two touchdowns against Pacific, failing to kick goal each time.

The game was called at 1:30 o'clock and a steady rain fell throughout, rendering the field very slippery. No one was injured.

Turkeys Wanted.

If you have turkeys to sell, don't fail to call on the Seattle Produce Co, as they are paying the highest cash price. In fact they are paying more than you could obtain elsewhere for all kinds of Poultry, Eggs and Veal.

They also have the Pacific coast agency for the Sure Hatch Incubator. The Sure Hatch, hatches sure. West Eighth street, Eugene.

PROBABLY TRUE.—Brownsville Times: It transpires that the story told by a man named Martin, who resides near Crawfordsville, that he had found a grave in the mountains south of this city, supposed to be that of J R Bucknum, of Harrisburg, who was lost in that neighborhood a couple of years ago, is a joke pure and simple. Parties from Harrisburg and Crawfordsville went to the supposed grave this week, but found nothing more than a hole in the ground. Martin evidently told his story for its effect upon his neighbors, not thinking it would become so widespread and cause so much trouble. It is likely that he will be more careful of his talk in the future.

A QUEER FREAK.—Klamath Falls Express: The wind performed a feat here last Friday similar to that which rendered easy sledding for the Israelites when they reached the Red sea on their flight from Egypt. The stiff breeze from the south swept back the waters of Upper Klamath lake until the bed of Klamath river, particularly across from Moore Bros' mill, was nearly dry. It was no trick to walk from one shore to the other without getting the feet wet.

HOP MARKET BETTER.—The hop market is a little better than it was a week ago, the prices being a shade higher. The figures paid range from 9 cents to 11 cents per pound, the latter for the choicest article, but the prevailing price is from 9 to 10 cents.
