Barn Burned.

Record: A barn belonging to Mr J L Lombard, who lives seven miles southwest of this city, was burned Tuesday night of last week under circumstances that would lead one to believe that the fire was of incendiary origin.

Two horses were confined in the barn previous to the fire, one the property of Mr Lombard and the other belonging to a neighbor. After the fire it developed that the one belonging to Mr Lombard had perished but the other had been turned out in the pasture. A bottle which had contained coal oil was also found a short distance from the ruins.

The barn contained in addition to the horse, 15 or 20 tons of hay, 200 bushels of grain, a wagon and harness and a number of other articles, in all amounting to about $700, with no insurance. Mr Lombard was in town when the fire occurred.

HOW DOUG JOINED.—Albany Democrat: "The Democrat recently mentioned the joining of the B P O E by Doug Hamilton, of Scio, one of the famous men of the valley. As a matter of fact he did not join the Elks. He appeared at the hall during the meeting of the Elks and said he wanted to join the Albany Woodmen, as the Scio Woodmen had twice refused to take him in. He was told to come back in an hour. The lodge adjourned, and several men from different lodges gathered together on the street, awaited Doug's arrival, when he was given the "Oriental" and a great deal of fun had for an hour or two, which was as near as he came to becoming a member of the Albany Woodmen or any other order."

THE BARBERS.—The barbers of Oregon have organized to protect their business and a bill, the title of which is as follows, will be introduced by Hon Elmo Davis during the regular session: "A bill for an act to regulate the pursuit of the business, art and avocation of a barber; the licensing of persons to carry on such business and to insure the better qualifications of persons following such business in the state of Oregon."

CORRECT.—The Oregonian today editorially says: "The respite from the gallows granted Claud Branton, of Lane county, probably allows him to breathe easier, certainly it will permit him to breathe longer. The day of his execution was coming uncomfortably close, Friday, the 23d inst, being the time set for the execution of penalty. A respite in such case can hardly be indorsed on grounds of humanity, and certainly not upon that of economy."

BORN—In this city, Dec 11, to Mr and Mrs Chas Scott, a daughter.

ECZEMA FROM BIRTH

Our little daughter had Eczema from birth. The parts affected would become terribly inflamed, and water would ooze out like great beads of perspiration, finally this would dry up and the skin would crack and peel off. She suffered terribly. Had to put soft mittens on her hands to keep her from scratching. Two of our leading physicians did not help her. After bathing her with CUTICURA SOAP, I applied CUTICURA (ointment) freely, and gave her CUTICURA RESOLVENT regularly. She improved at once and is now never troubled. The statements I have made are absolutely true and not exaggerated in any way.

FOOT BALL BANQUET.

Final Celebration of the Season's College Victories.

The U of O coeds last evening, tendered a banquet to the '98 football team and the board of managers. It was one of the swellest affairs ever given in Eugene, and the college champions of Oregon go to their homes today with many words of praise for the "affiliated spirits."

The affair was given at the Banquet, which had been tastefully decorated in lemon yellow. On one side of the hall "College Champions of Oregon," appeared in large letters, while on the other were grouped several foot-ball pictures, including two of "dear old Simpson." Over the middle of the table under a canopy of mistletoe, hung a pigskin the relic of the Corvallis game.

Miss Lizzie Griffin '99, acted as toast mistress. Professor Young's toast was the "'98 Foot-ball Team," which was responded to by Capt R S Smith '01. B C Jakway '02 spoke concerning the "coeds" and Miss Lulu M Renshaw '99, responded. The other toasts were "The foot-ball hero," by Professor F S Dunn '92, and "The '99 track team," by Chas V Galloway '99. Football poems were read by Miss Theresa Friendly '98, and Miss Esther Johnson '01. At 11 o'clock, after three hearty cheers for the co-eds, the merry throng disbanded and the curtain was drawn on the last act of the football season of '98.

Those present were: The chaperones, Prof and Mrs F G Young, Prof and Mrs F S Dunn; Misses Griffin, Johnson, Renshaw, Thompson, Bannard, Taylor, Hendricks, the Misses Friendly, the Misses Miller, the Misses Ankeny, Mrs Hugh Thompson, Templeton and Straub; and Messrs Smith, Jakaway, Bishop, Starr, Templeton, Wilson, Angell, Redings, Young, Ziegler, Bryson, McArthur, Whittlesey, Kuykendall and Galloway.

$5,000,000 Lost on Horse Races.

It is stated that a man won and lost $5,000,000 on horse races. For twenty years he kept at it, and most of the time he was successful. At last fortune turned against him, and today he is penniless. Gambling is a good deal like neglect of health. It can be kept up a long time, but in the end it is disastrous. Fortunes are harder to restore than health. The first step toward winning back lost health is to restore the digestive organs to a normal condition. For this purpose Hostetter's Stomach Bitters is far ahead of anything else. This remedy is a specific for indigestion, dyspepsia, fever, ague, nervousness and sleeplessness. It is a wonderful tonic. Druggists sell it everywhere.

CHURCH DEDICATION.

Harrisburg's New M E Church is successfully Put to Use.

The M E church at Harrisburg was completed last week and dedicated on Sabbath of this week. The church edifice is of modern design, says the Albany Herald, complete in all its apartments, a model of beauty and something that every citizen of the town has just cause to be proud of.

Elder Gue, of Portland, presided at the dedication services. His sermon was greatly admired by all denominations. It differed from the ordinary in that he urged a more general and closer fraternity among the different families of the church and that from his point of view the success of church work depended mainly on the individual efforts of the membership, both to proselyte and to collect funds for the purposes of the church. However on this occasion he took the initiative and as a lesson in the art of liberality people let go of their cash his management is preeminent, and the fact that the sum of $932 stood as a debt against this church in the morning and that in the evening it was declared free of all liability, shows that the Elder man was in the right place. Dr Driver occupied the pulpit at the evening service and gave his audience many new proofs of his scholarly attainments and especially does he display a rare vigor of mind for one so ripe in years.

Two Pointed Questions Answered.

What is the use of making a better article than your competitor if you can not get a better price for it?

Ans—As there is no difference in the price the the public will buy only the better, so that while our profits may be smaller on a single sale they will be much greater in the aggregate.

How can you get the public to know your make is the best?

If both articles are brought prominently before the public both are sure to be tried and the public will very quickly pass judgment on them and use only the better one.

This explains the large sale of Chamberlain's Cough Remedy. The people have been using it for years and have found that it can always be depended upon. They may occasionally take up with some fashionable nostrum put forth with exaggerated claims but are certain to return to the one medicine that they know to be reliable in coughs, colds and croup. There is nothing equal to Chamberlain's Cough Remedy. For sale by Osburn & De Lano.
