MULTNOMAH WON

'Varsity Football Men Defeated In Portland.

SCORE 5 TO 0.

PORTLAND, Or., Nov. 11, 1899.

[Special correspondence to the GUARD:] Multnomah Amateur Club 5; University of Oregon 0. This is but the preface to the story of one of the grandest battles ever witnessed on a football gridiron. It was not a sensational game. The 20 yard dash of Bishop in the second half, was the only play that brought the spectators to their feet, but nevertheless the game was one of the closest and most interesting ever played on Multnomah field. Both teams seemed to be evenly matched; some attribute the single touchdown to Multnomah's superior weight; others to "Multnomah luck." The 'varsity men averaged about seven pounds lighter than their opponents, and this fact, together with the wretched condition of the field probably accounts for Multnomah's victory.

The bright particular star of the day was Bishop, Eugene's left-half. His work, under the circumstances, was as fine an exhibition of ground gaining as was ever seen on an Oregon gridiron. Knox, Eugene's other half, played a splendid game, and Jakway and Zeigler formed a wing around which it was impossible for Multnomah to make her yardage. Dick Smith, although he was pitted against the terrible McMillan, played a phenomenal game, Three times during the second half, he broke through and nailed the runners for losses, and when he was given the ball, was a sure man for a gain. Little Angell, at guard, paired with McKinnon, and Wagner proved himself a tower of strength at center. Young played his end with his accustomed skill and Hammond and Payne also deserve special praise.

The star of the Portland team was easily McMillan. He played his old-time steady game, and when called upon to make yardage always took the pigskin the required distance. Stiles and Meyers, the halves, were good ground-gainers, and Pratt at tackle, surprised his most sanguine admirers. Kerrigan proved a good, cool-headed quarter, and Capt. McKinnon at guard, must not be overlooked in the matter of praise. The Multnomah team as a whole, deserves universal praise and little censure. The men played in good form and at critical moments seemed to hold together better than their opponents. Eugene played a remarkable defensive game, but owing to the muddy field, her offensive work was not up to her usual high standard.

FIRST HALF.

Captain Smith won the toss and chose the south goal Davey kicked to Angell and U of O, after three unsuccessful attempts, lost the ball on downs. Then Multnomah began to hammer the 'varsity line for slow, steady gains, and just 14 minutes after the whistle blew, McMillan carried the leather across the college line, but failed to kick a goal. Payne kicked off and Multnomah worked the ball to the middle of the field, where U of O took possession on downs. Knox and Bishop each made good headway, but Payne was soon forced to punt. Kerrigan fumbled the catch and quick as a flash Edwards had gathered in the fumble and was speeding toward the coveted north goal, but Stiles swooped down upon him and brought him to the ground. The first half soon ended Time 30 minutes. Score, M. A. A. C., 5; U. of O., 0.

SECOND HALF.

Payne kicked to Meyers and Multnomah sent her backs into the 'varsity line for short steady gains, until the middle of the field was reached. Here the Eugene men took a brace, secured the ball on downs and worked it down the field to the M. A. A. C.'s 25 yard line where the clubmen took possession and began to return. The story of the remainder of the game is a constant change from the clubmen to the collegians. Bishop's beautiful run carried the leather to Multnomah's 10 yard line, but despite her strongest efforts, the 'varsity was unable to score. Only once in the entire half was the ball in Eugene's territory. During the greater part of the half, it waged between M. A. A. C.'s 10 and 25 yard lines. When the whistle blew, the ball was in U. of O.'s possession about the middle of the field. Time of second half, 30 minutes. Final score, M. A. A. C. 5, U. of O. 0.

The teams lined up as follows.

NOTES

The U. of O. team and friends returned yesterday afternoon. They appear in the best of spirits and realize that they made Multnomah fight hard for her victory. There appears to be no ill feeling between the teams this year and it is to be hoped that the existing friendly relations continue.

Both teams crowded boxes at Cordray's theatre Saturday evening. The play rendered was "The Electrician." The officials were fair and impartial, and gave satisfaction to all fair minded people.

A RETURN GAME.

Manager Goodrich has arranged for a return game with the Multnomah team. It will be played in Portland on Nov. 25, although a strong effort is on foot to have the contest in Eugene. The U. of O. will have the advantage and training of two games—one with Berkeley, the other with Ashland—before the second Multnomah game is played. The 'varsity men hope to reverse the score next time, and will stand a first-class chance, if Multnomah plays the same team she did Saturday.

The U. of O. team will leave for Berkeley Thursday afternoon on the 2:14 train.

Other games Saturday, O. A. C., 6; Albany Col., 0. Willamette U. 5; Pacific U. 0.
