A WARNING TO UNION VOTERS.

An incident that transpired in a San Francisco criminal court not long since is commended to any Silver Republican, Populist or Democratic voter who may have an inclination to vote for County Clerk Lee.

A degenerate and vicious son of a wealthy family had gone to the dogs, figuratively speaking, and finally ended up in a criminal court on the serious charge of sandbagging and robbing a man during the dead hours of night. A policeman had caught the criminal red-handed in the act, and no proof was lacking.

The jury retired to consider the case, and very soon returned with a verdict of "not guilty." The judge was apparently dazed for a few moments, but quickly recovered his self possession. He told the jury it was an extraordinary verdict, and although the members thereof had not finished the term for which they were drawn by several weeks, that they were discharged from further duty in his court; turning to the acquitted criminal he said: "You are discharged from the custody of this court; now go and sandbag that jury."

THE APPLICATION.

The Silver Republican, Populist or Democratic voter who supports County Clerk Lee for re-election deserves to have his name left off the register at the next election should Lee be re-elected, similarly to the thirty-five electors whose names he refused to place on the voting rolls, though legally registered with Notary Public Kinsey within the period prescribed by law.

Should the voter happen to be a candidate he is liable to have his name wrongfully placed on the official ballot, to his disadvantage, as County Clerk Lee has done with the names of H. R. Kincaid for county judge, and A. S. Patterson for county treasurer

PRESIDENTIAL SECOND TERM POSSIBILITIES.

Four times has the occupant of the White House been a candidate for re-election against the man he defeated four years before, says the Verdict. Never yet has the president been successful in his second contest with his opponent. John Adams defeated Thomas Jefferson an even century ago. Four years later Quincy Adams made Andrew Jackson taste the bitterness of defeat. Four years later "Old Hickory" larded the lean earth with Adams. Martin Van Buren defeated William Henry Harrison. Waiting his four years, Harrison defeated Van Buren and left him easily at the start. Benjamin Harrison defeated Grover Cleveland in 1888. In 1892 the "Stuffed Prophet" beat Harrison and never turned a hair.

Four years ago William Jennings Bryan was defeated by William McKinley. This year they will face each other again. And Bryan's may be the hand that will slant back the McKinley brow and loosen and let down the brutal Hanna jaw.

Albany Democrat: Justice in Cuba is a funny thing. Postmaster Thompson has had his bail cut down to $1,000 because he couldn't furnish a larger sum, and has been released, while two stampsellers who are charged with altering the books at his request are in jail, their bail having been fixed at $1,000. Thompson must have a down hill drag with the administration.

The farmers east of the Cascades are feeling very good over the abundant rains that have been in that section for the past couple of weeks, and if there are no hot winds, the wheat yield will be simply phenomenal.

Hard work does not hurt a well woman. It is the weak woman, suffering from diseases peculiar to her sex, who breaks down under the daily strain of household duties. For diseases of the delicate womanly organs Dr. Pierce's Favorite Prescription is the standard remedy. Over half a million women owe health and happiness to Dr. Pierce's treatment.

"No tongue could express the pain that I endured before I commenced taking Dr. Pierce's medicine," writes Mrs. Mollie Colgate, of Randolph, Charlotte Co., Va. "I was not able to do anything at all. Could not eat anything except bread and tea—or if I did the top of my head hurt so it seemed it would kill me; but now I can eat a little of almost anything I want and can do a good day's work as well as any body can. Am better than I have been for years. I think your medicine is the best that ever was made for it is the only thing that ever did me any good. I tried many other kinds but none did me any good but your 'Favorite Prescription' and 'Golden Medical Discovery.' I can never praise them too highly."

I consider it not only a pelasure but a duty I owe to my neighbors to tell about the wonderful cure effected in my case by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I was taken very badly with flux and procured a bottle of this remedy. A few doses of it effected a permanent cure. I take pleasure in recomending it to others suffering from that dreadful disease.—J. W. Lynch, Dorr, W Va. This remedy is sold by W L Delano.
