RUSSIA'S SHARE OF BOOTY.

Russia takes time by the forelock. She has notified Li Hung Chang that Manchuria must form the subject of a separate negotiation between Russia and China. This means that the powers will not be consulted, and Russia will take all she wants.

Manchuria is a tract of country wedged in between China and Mongolia on the west and northwest, and Corea and the Russian territory on the Amur river on the east and north. It is about 500 by 800 miles in extent and has a population of about 15,000,000. In territorial extent Manchuria equals Oregon, Washington, Idaho and Montana. No small territory. The reigning dynasty takes its name, Manchus, meaning "Pure," from this country from which they came.

The Russian announcement of her claim is equivalent to definite possession. It is interior country, and the other powers are not in a position to dispute the claim even could they agree, which they do not.

LIBERTY THE ISSUE.

W Bourke Cockran the Tammany orator, who supported McKinley four years ago wrote a strong and ringing letter in support of Bryan to the Indianapolis Liberty convention. He closed as follows:

In this open fight for liberty surely every anti-imperialist should be ready to bear his part. Hesitation to avail ourselves of the leadership under which alone opposition to imperialism can be made effective, through distrust of the leader's views on an economic question not now an issue, would be as senseless as hesitation to employ a surgeon on whose skill depended the prospect of life, through dislike of his religious beliefs.

It can hardly be necessary to say that we, who four years ago sacrificed our political prospects and personal associations rather than lend even a passive support of silence to declarations which we believed to be subversive of order, will pursue the same course again if these questions should ever recur.

"BRYAN STANDS FOR JUSTICE."

The best evidence of our capacity to deal with the issues of 1902 or 1904, whatever they may be, is to deal intelligently now with the issues of 1900. On that issue Mr Bryan stands for justice, liberty and the constitution, and since all these would be imperiled by his defeat it is to be hoped that the liberty convention will not be swerved from supporting him by prejudices springing from past antagonisms, or by groundless apprehensions of the future.

California supplies another man high in the councils of the Republican party who has discarded McKinley for Bryan, in the person of Captain McNulta, of Santa Barbara, one of the leading lawyers of that city, and who has frequently been elected to offices of honor and trust by the Republicans. Captain McNulta cast his first vote for General Grant, and has supported every Republican nominee since, but repudiates McKinley because of his imperialistic proclivities.

President McKinley says the Philippine Islands are "pacified." There are 65,000 American troops scattered about the islands, and none of them are being brought home. If 65,000 troops are required while the islands are "pacified," how many would be needed should the Filipinos get in the notion of war? President McKinley would need a professor of mathematics in his cabinet should he be required to make answer.

Once in every twenty-four hours Aaron Palmer is baked alive in the great oven of the Bellevue hospital, in New York City. At a temperature of from 350 to 400 degrees he is allowed to roast in the oven for half or three-quarters of an hour. Then he is removed, thoroughly massaged, and placed in the sun, where a broiling process is begun. And all because he is afflicted with arthritis deformans. Translated that means he has gout.

The commandant of the Oregon Soldiers' Home reports that it is filled to its capacity, 91 inmates. The Home fills a splendid place in the economy of the state. The next legislature should make liberal provisions for additions, or new buildings, as may be required.

The Record and News, of Chicago, owned by Victor F Lawson, a very influential German, is supporting Bryan for the presidency. These papers have heretofore been strongly Republican.

It's Worse For a Woman

To suffer with skin disease than it is for a man, for a smooth skin and a clear complexion are essential elements of female beauty. When the taint of scrofula is in the blood it will be sure to show itself soon or late. Often its manifestations are as repulsive as they are painful. Many people have been cured of scrofula in its most malignant forms by the use of Dr. Pierce's Golden Medical Discovery. This remedy is remarkable for its power to purify the blood. It absolutely eliminates the corrupting elements. It makes the blood clean and rich. It increases the action of the blood-making glands, and so increases the quantity of pure blood supplied to the body.

"I will forever thank you for advising me to take Dr. Pierce's Golden Medical Discovery," writes Mrs. Jas. Murphy, of Fonda, Pocahontas Co., Iowa. "It has cured me of chronic scrofula, of twelve years' standing. I had doctored for the trouble until I was completely discouraged. I also had chronic diarrhea for twelve years. I am in good health now—better than I ever was in my life, owing to Dr. Pierce's Golden Medical Discovery. I took several bottles of the 'Discovery' before I stopped."

Dr. Pierce's Common Sense Medical Adviser, a work for every woman, is sent free, on receipt of 21 one-cent stamps (to pay cost of mailing *only*), for paper edition. Cloth-bound, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

A Mother Tells How She Saved Her Little Daughter's Life.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thought she would die. I tried everything I could think of, but nothing seemed to do her any good. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended and sent and got a bottle at once. It proved to be one of the very best medicines we ever had in the house. It saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much suffering. Yours truly, MRS GEO F BURDICK, Liberty, R I. For sale by W L DeLano

Everyone who has Stock or keeps a Cow, needs

Galloway's Waste-Proof Feed Boxes

FOR FEEDING STOCK HAY OR GRAIN.

Because IT IS A FOOD SAVER. As the feed is all consumed within the box there is practically NO WASTE.

Each box used will SAVE FOTR TIMES ITS COST in one season. Count your cattl and see how much you could saver by using these boxes.

Each box will feed four head of cattle at one time, and costs about one cent for each cubic foot of space contained within it. The boxes are strong, durable, self supporting and easily moved. The stock run to them at will.

A section of the box should be in front of every cow when stabled.

It is BETTER, CHEAPER and MORE CONVENIENT to use than any other feeding device.
