The monthly meeting of the common council of Eugene was held last night with a full board present.

After the preliminary business was disposed of the following was the order of the meeting:

STREETS AND SEWERS.

Green of the street committee reported 1050 feet of lumber used in construction of crosswalks and 78 loads of gravel hauled from the excavation of the M Schneider block and placed on Lincoln street.

It was found on investigation that East Twelfth street, between Oak and Pearl, was dedicated to the city in 1884.

The street committee recommended construction of a sewer in the alley between Oak and Pearl and between East Fifth and East Sixth streets to East Fifteenth, and between High and Pearl on East Eleventh.

The report of the street committee was adopted and the city attorney was instructed to draw an ordinance covering the new ordinance.

The sewers of the city were reported being cleaned out.

A petition asking for a sidewalk on West Tenth street along north side from Charnelton to Lawrence street was read and the sidewalk was ordered built.

ORDINANCES.

A petition for extending the bicycle ordinance to prohibit bicyclists from riding the sidewalks of West Seventh street between Willamette and Olive streets was read. Petition denied.

STORES WILL CLOSE.

On July 4th---No Celebration Here.

Eugene people have decided not to celebrate the Fourth of July, saving their energy and money for the grand free street fair and carnival to be given early this fall, the date to be decided upon at a public meeting Wednesday night.

As most of our people will want to go to Junction, Cottage Grove or to the country on the Fourth, there will be very little business transacted on that day, and for that reason all but two or three of the merchants have agreed to keep their places of business closed, a committee consisting of John Hampton and Fred Lamb having interviewed all of them on the subject this morning.

The newspapers will follow suit and also close their offices on that day.

Baseball Game.

A small crowd witnessed the baseball game last evening on Kincaid Field between Hampton Bros' and the Fidelian teams.

Owing to the gathering darkness only seven innings were played. The game for the first few innings was quite interesting, but Hampton Bros got onto Gibson's drops and hit him pretty hard, running up a score of 10 to the Fidelians' 3.

Following is the score by innings:

Hampton Bros	1 1 2 0 3 0 3	10
Fidelians	1 1 0 1 0 0 0	3

Virulent Cancer Cured.

Startling proof of a wonderful advance in medicine is given by druggist G W Roberts of Elizabeth, W Va. An old man there had long suffered with what good doctors pronounced incurable cancer. They believed his case hopeless till he used Electric Bitters and applied Bucklen's Arnica Salve, which treatment completely cured him. When Electric Bitters are used to expel bilious, kidney and microbe poisons at the same time this salve exerts its matchless healing power, blood diseases, skin eruptions, ulcers and sores vanish.
