TWO TERRIBLE FATAL ACCIDENTS

Two Men Killed in a Sawmill...A Woman Killed by a Train at Chehalis.

ASHLAND, Or, Aug 27.—A Tedrle, aged 22 years, of Tangent, Linn county, Or, and W N Thum of San Francisco, both employed at the large sawmill at Weed station on the Southern Pacific railway, unlawfully and suddenly, were fatally injured late Monday afternoon while at work and died within a few hours. They were engaged in sawing a log when the timber suddenly flew back and struck both men with tremendous force upon the chests. They lingered in great agony and both died about the same time.

An inquest was held by Coroner Fairchild and a verdict rendered in accordance with the facts. The dead men's remains have been forwarded to Tangent where both have relatives. He had only begun work yesterday morning. Thum leaves a wife and child in San Francisco.

Killed by Train.

CENTRALIA, Wash, Aug 27.—Mrs Margaret F Sprague was instantly and instantly killed yesterday afternoon in the south end of town by the 2:40 train going north. Mrs Sprague, who was 51 years old, was about to cross the track to visit a friend when the train struck her. The funeral took place this afternoon from the residence of Mr F S Sprague, Rev J F Tout, of the Christian church, officiating.

Sam Vinson and Johnnie Gifty were visiting at Geo Petty's last Sunday.

V Kelsay and family returned home a few days ago from an outing at Crescent.

Johnnie Gifty got his hand scratched on the barbed wire fence last Sunday night.

Second Filipino: "Why, how so?"

First Filipino: "Why there's such a similarity between the Spanish bull fight and the American Sunday game of baseball. The same noise, dust, oaths, quarrels, bloody noses, beer, whiskey, and cheering senoras and senoritas. Its great. I'm glad I'm an Americano."

Encyclopaedia for Sale.

The GUARD offers a ten-volume Americanized Encyclopaedia Britannica for sale. There are 69 2 pages in the work, 96 colored maps, 1 text and 6 maps and numerous illustrations. It is durably bound in sheep and has been well used.

In this condensation of the Britannica especial pains were taken, as the same indicates, to give special prominence to subjects of American interest, at the same time pruning long and prolix articles of all superfluity, though not materially curtailing the presentation of desirable facts.

This encyclopaedia has been in constant use for several years. It is offered for sale for the sole reason that the office has been supplied with a complete Britannica with a five-volume "American supplement."
