SATURDAY, AUGUST 12

Some Army Society

That army divorce case now in progress at Wooster, Ohio, has discovered a very complacent husband. At one time when the lady's conduct was not of the best and the servants talked about it, she got huffy because her husband, Captain Taggart, told her to "so conduct herself that the servants would not talk." He is only equalled by Dear Swift's fictitious husband, who could "take a drink of his wife's cold tea and talk of the army with reverence even though he knew the captain was hid under the bed."

Then that Colonel Miner was a very bad actor, taking the lady's account of it. Setting next him at a dinner she afterward complained of his pinching her leg till it was sore. This seems to have been so notorious that young ladies visiting the house—though the Lord only knows what good reason they had to go to such a place—referred to him as the "old leg feeler." A very delectable army lot that.

A Portland artist had to appear in court on a charge of destroying his landlady's property—a peculiar case. He decorated the plastered walls of his studio with pictures of birds and beasts and grinning monkeys, to all of which she objected. She ordered him out, and then the climax came. He painted the feathers off the ostriches and birds and the head from the lion leaving a bleeding neck, before he vacated the premises. Then the arrest.

Portland is selling the suburban municipality of Mount Tabor fifty thousand gallons of water a day. The spring that supplied the latter has dried up.

Board of Equalization.

Said board of equalization shall continue its sittings from day to day, until the examination and correction of the assessment rolls, as provided by law, shall be completed.

B. F. KEENEY,

Sour Stomach

"I used Cascarets and feel like a new man. I have been a sufferer from dyspepsia and sour stomach for the last two years. I have been taking medicine and other drugs, but could find no relief only for a short time. I will recommend Cascarets to my friends as the only thing for indigestion and sour stomach and to keep the bowels in good condition. They are very nice to eat."

MALARIA
UNDERMINES THE HEALTH

When the germs of malaria enter the blood the entire health is affected, and if the blood is not purified of these germs and microbes, Chronic Sores and Ulcers, Liver Splotches, Chills and Fever, Boils, Aches and Pains, and a great variety of troubles manifest themselves, and soon the entire system is undermined, leaving the sufferer a prey to a most miserable, weak and nervous condition.

913 W. Market St., Louisville, Ky.

For several years I suffered with Chills and Fever, caused by Malaria in my system, and each summer for several years I would have a relapse. Finally my physician prescribed S. S. S. I took a few bottles; this was about six years ago. It entirely cured me, and I have never been troubled since. I am sure no other medicine could have given me so complete and immediate relief, and I cannot speak too highly of S. S. S. My partner in business is now taking S. S. S. for an eruption of the skin, and a general run-down condition of the system, and although he has taken but one bottle, already commences to feel better.
I. SHAPOFF.

S. S. S. counteracts and drives all the poison from the blood and builds up the system by its fine purifying qualities and tonic effects. It strengthens every part, increases the appetite, helps the stomach and digestion, and by supplying the body with rich, pure blood, cures Malaria and all its disagreeable ailments. Unlike most blood medicines S. S. S. is purely vegetable. It does not contain a particle of mineral of any kind to disagreeably affect the stomach, digestion and bowels, but by cleansing and strengthening the blood, puts every part of the body in healthy condition. Book on the blood and any medical advice desired without charge.
