A Cannibal Trout

Lester Hulin had rather an unusual experience fishing near the Belknap bridge during his recent outing. He hooked a 10-inch trout when a 25-inch Dolly Varden followed and being allowed ate on the trout till hooked itself, when it was captured. Mr. Hulin reports fishing good on the upper McKenzie.

James Crane, at Hoquiam, Wash., aged 9 years, is out three fingers and four teeth, has a serious leg wound and is terribly disfigured for life, all because the father left one of those dangerous dynamite caps where the boy could get at it. He was trying to dig out the contents.

John Alexander Dowie's new Mexican colony will have no laggards. Each married couple will be required to add one to the population annually. John Dowie will add not a little to his reputation as a manager if he can compel this very good ratio of increase.

That was a very neat trick worked on the lady manager of the Singer sewing machine agency at Portland the other day. While one man talked sewing machine to the lady as she showed them in the back room the confederate robbed the money till of fifteen dollars. Hereafter that woman will show mankind no confidence.

Board of Equalization.

Said board of equalization shall continue its sittings from day to day, until the examination and correction of the assessment rolls, as provided by law, shall be completed.

PIMPLES

I tried all kinds of blood remedies which failed to do me any good but I have found the right thing at last. My face was full of pimples and blackheads. After taking Cascarets they all left. I am continuing the use of them and recommending them to my friends. I feel fine when I rise in the morning. Hope to have a chance to recommend Cascarets.

CONTAGIOUS BLOOD POISON

Contagious Blood Poison more thoroughly poisons the blood than any other disease. Every part of the body is affected when the virus becomes intrenched in the circulation; red eruptions break out on the skin, the mouth and throat ulcerate, glands in the neck and groins swell, the hair falls out, copper-colored splotches appear on the body, etc.

I was afflicted with blood poison, and the best doctors did me no good, though I took their treatment faithfully. In fact I seemed to get worse all the while. I took almost every so-called blood remedy, but they did not seem to reach the disease, and had no effect whatever. I was disheartened, for it seemed that I would never be cured. At the advice of a friend I then took S. S. S. and began to improve. I continued the medicine, and it cured me completely.
Hamlet, N. C. W. R. NEWMAN.

So highly contagious is this disease that many a life has been ruined by a friendly hand shake or from using the toilet articles of one affected with the poison. To cure this hideous and hateful disease a constitutional remedy is required. S. S. S. goes down to the very root of the trouble and forces out every particle of the virus from the blood and cures the disease permanently. S. S. S. is purely vegetable and drives out the trouble, root and branch, and no signs of it are ever seen again. Those who have been cured by S. S. S. can feel assured that none of the poison is left in the blood to transmit to innocent offspring. The entire body is built up and the blood made pure, rich and healthy by this great remedy. Book with instructions for home treatment and any medical advice desired will be given free of charge.
