Goodness, How it Grows.

Being a remarkable story of a very remarkable drink. The celebrated London mineral water is fast taking the place of other waters, chiefly on account of its superior medicinal virtues, and as a pleasant and exhilerating beverage has no equal. As a mixer with other drinks it is simply perfection. It cures a large per cent of rheumatism, skin and blood diseases, also kidney, bladder and stomach troubles. This water is filtered, carbonized and bottled direct from this famous London spring by the O. M. S. P., Oakland, Lane county, Oregon.
